Combining literary styles that range from meticulously detailed realism to impressionistic narratives, this anthology invites readers into richly rendered worlds where psychological depth and existential themes intertwine. He set many of his finest stories aboard ship, where his characters

closely confined, enduring the rigors of the sea, might struggle more intensely with the psychological and moral issues that engaged him. This volume contains three of Conrad's most powerful stories in this genre: Youth (1898), Typhoon (1902), and The Secret Sharer (1910). In each of these three exciting tales, Conrad's celebrated prose style, rich in the cadences of the sea, draws readers into a story that probes deeply, often suspensefully, into the mysteries of the human character. Here are adventures of the sea and of the soul, related by a novelist considered one of the greatest writers in the language. Book jacket

Joseph Conrad 1857-1924 is regarded as one of the greatest English novelists. He wrote stories and novels often with a nautical setting that depict trials of the human spirit in the midst of an indifferent universe.

'Twixt Land and Sea, By Joseph Conrad Joseph Conrad, 2016-08-10 Joseph Conrad born Jozef Teodor Konrad Korzeniowski 3 December 1857 3 August 1924 was a Polish-British writer regarded as one of the greatest novelists to write in the English language. He joined the British merchant marine in 1878 and was granted British nationality in 1886. Though he did not speak English fluently until he was in his twenties, he was a master prose stylist who brought a non-English sensibility into English literature. He wrote stories and novels many with a nautical setting that depict trials of the human spirit in the midst of an impassive, inscrutable universe. Conrad is considered an early modernist, though his works still contain elements of 19th-century realism. His narrative style and anti-heroic characters have influenced many authors, including T.S. Eliot, William Faulkner, Graham Greene, and Salman Rushdie. Many films have been adapted from or inspired by Conrad's works. Writing in the heyday of the British Empire, Conrad drew on among other things his native Poland's national experiences, and his personal experiences in the French and British merchant navies to create short stories and novels that reflect aspects of a European-dominated world, including imperialism and colonialism, while profoundly exploring human psychology.
