**Shorter Atlas of the Classical World** Howard Hayes Scullard,1962      **Shorter atlas of the classical world [by] H.H. Scullard and A.A.M. van der Heyden** Howard Hayes Scullard (1903-, ed),1967      **Kleine Atlas Van de Antieke Wereld. Shorter Atlas of the Classical World. With Illustrations and Maps.** Howard Hayes Scullard,Antonius Alphonsus Maria van der HEYDEN,1962      Handbook for History Teachers W. Burston dec'd,Cyril Green,E Nicholas,A Dickinson,D Thompson,2021-12-24 First published in 1972 Handbook for History Teachers is intended to be a general and comprehensive work of reference for teachers of history in primary and secondary schools of all kinds The book covers all aspects of teaching history among them are the use of sources world history art and history principles of constructing a syllabus and the psychological aspects of history teaching The bibliographical sections are arranged on three parts school textbooks a section on audio visual aids and finally books for the teacher and possibly for the sixth form It thoroughly investigates and critiques the various methods employed in teaching history within classrooms and suggests alternatives wherever applicable Diligently curated by the Standing Sub Committee in History University of London Institute of Education the book still holds immense value in the understanding of pedagogy      *Jews and Christians: Volume 6* Molly Whittaker,1984-11-22 The aim of this book is to give access to sources which illustrate Graeco Roman views on Jews and Christians from 200 BC to AD 200 Passages range from longer extracts written by historians to short incidental references by disparate authors which throw light on attitudes towards beliefs and social customs The pagan religious background especially the Mystery religions is also described and illustrated by selected passages so that the reader may have some idea of the general religious climate during this period Every quotation is prefixed by a brief biography of the author and all passages have been translated into English with explanatory comment when necessary Connecting essays act as summaries and focus the attention on essential issues These together with a chronological chart and maps should enable a student coming fresh to the subject without previous specialized knowledge to see the period in historical perspective      **From Tiberius to the Antonines (Routledge Revivals)** Albino Garzetti,2014-06-17 The first two centuries of the Christian era were largely a period of consolidation for the Roman Empire However the history of the heyday of Roman imperium is far from dull for Augustus successors ranged from capable administrators Tiberius Claudius and Hadrian to near madmen like Caligula and the amateur gladiator Commodus who might have wrecked the system but for its inherent strength Albino Garzetti s classic *From Tiberius to the Antonines* first published in 1960 presents a definitive account of this fascinating period which combines a clear and readable narrative with a thorough discussion of the methodological problems and primary sources Regarding difficult historical questions it can be relied upon for careful and reasonable judgments based on a full mastery of an immense amount of material Nearly three hundred pages of critical notes and a comprehensive bibliography complement the text ensuring its continuing relevance for all students of Roman history      *Introduction to*
