# Shorter Novels Seventeenth Century

**Roger Pooley**

## **Shorter Novels Seventeenth Century:**

*Shorter Novels* SHORTER NOVELS.,1960

**Shorter Novels: Seventeenth Century** Philip Henderson,1960

Shorter Novels Philip Henderson,1962

**Shorter Novels: Seventeenth century: Ornatus and Artesia, by E. Ford.**

**Oroonoko, by A. Behn. The Isle of Pines, by H. Neville. Incognita, by W. Congreve** Philip Henderson,1962

**Shorter Novels** Philip Henderson,1967

**An Anthology of Seventeenth-century Fiction** Paul Salzman,2001

Few readers today are aware of the vigorous prose experiments undertaken in the seventeenth century This anthology presents a representative selection of that work with examples from Aphra Benn John Bunyan William Congreve Percy Herbert and Thomas Dangerfield Also included are Mary Wroth s feminist romance *Urania* and Margaret Cavendish s female utopia *The Blazing World* in print here for the first time since their original publication

**Seventeenth-century Fiction** Jacqueline L. Glomski,Isabelle Moreau,2016 A multi authored study of the emergence and transmission of fictional writing in Europe in the seventeenth century with the aim of improving understanding of the origins of the novel

*British Short Fiction in the Early Nineteenth Century* Tim Killick,2016-05-23 In spite of the importance of the idea of the tale within Romantic era literature short fiction of the period has received little attention from critics Contextualizing British short fiction within the broader framework of early nineteenth century print culture Tim Killick argues that authors and publishers sought to present short fiction in book length volumes as a way of competing with the novel as a legitimate and prestigious genre Beginning with an overview of the development of short fiction through the late eighteenth century and analysis of the publishing conditions for the genre including its appearance in magazines and annuals Killick shows how Washington Irving s hugely popular collections set the stage for British writers Subsequent chapters consider the stories and sketches of writers as diverse as Mary Russell Mitford and James Hogg as well as didactic short fiction by authors such as Hannah More Maria Edgeworth and Amelia Opie His book makes a convincing case for the evolution of short fiction into a self conscious intentionally modern form with its own techniques and imperatives separate from those of the novel

*Shorter novels* ,1930

**Shorter Novels** Philip Henderson,1929

**The Origins of the English Novel, 1600-1740** Michael McKeon,2002-05-22 The novel emerged McKeon contends as a cultural instrument designed to engage the epistemological and social crises of the age

*Great Short Novels of the World* Barrett Harper Clark,1927 An anthology of short stories fairy tales myths and legends from around the world Before each short novel the editor has written a biographical sketch of the author and before each national grouping is a brief discussion of that country s place in world literature

**The Cambridge Companion to the Eighteenth-Century Novel** John Richetti,1996-09-05 In the past twenty years our understanding of the novel s emergence in eighteenth century Britain has drastically changed Drawing on new research in social and political history the twelve contributors to this Companion challenge and refine the traditional view of the novel s origins and purposes In various ways each seeks to show that the novel is not defined primarily by its realism of representation but by the new ideological and

cultural functions it serves in the emerging modern world of print culture Sentimental and Gothic fiction and fiction by women are discussed alongside detailed readings of work by Defoe Swift Richardson Henry Fielding Sterne Smollett and Burney This multifaceted picture of the novel in its formative decades provides a comprehensive and indispensable guide for students of the eighteenth century British novel and its place within the culture of its time *Genre in English Literature, 1650-1700: Transitions in Drama and Fiction* Pilar Cuder-Dominguez, 2014-09-26 This book examines the theories and practices of narrative and drama in England between 1650 and 1700 a period that in bridging the Renaissance and the Enlightenment has been comparatively neglected and on which at the time of writing there is a dearth of new approaches Critical consensus over these two genres has failed to account for its main features and evolution throughout the period in at least two ways First most approaches omit the manifold contradictions between the practice and the theory of a genre Writers were generally aware of working within a tradition of representation which they nevertheless often challenged even while the theory was being drafted e g by John Dryden The ideal and the real were in unacknowledged conflict Second critical readings of these late Stuart texts have fitted them proactively into a neat evolutionary pattern that reached eighteenth century genres without detours or disjunctions or else they have oversimplified the wealth of generic conventions deployed in the period so that to the present day reader for instance Restoration drama consists only of either city comedies or Dryden's tragedies A cursory survey of the critical history of seventeenth century drama and fiction confirms these views Although the 1970s and 1980s brought about a crop of interesting reassessments of the field fiction continues to be seen as a genre that emerged in the eighteenth century Most critics still treat earlier manifestations as marginal or as prenovelistic experiments and in most instances it is even possible to discern a sexist bias to justify this treatment as these works were written by women unlike much of the canonical fiction of the eighteenth century A revision of the critical foundations hitherto held and a re evaluation of the works of fiction written in the seventeenth century is therefore in order This study adopts as a basic and essential methodological tenet the need to decenter the analysis of Restoration fiction and drama from the traditional canon too limited and conservative and featuring works that are not always suitable as paradigmatic instances of the literary production of the period These studies have thus been based on a larger than usual if not on a full corpus of works produced within the period and have sought to ascertain the role played in the development of each of the genres under consideration by works topics or even by authors hitherto somewhat outside mainstream literary criticism This opens the field of English literature further through the framing of new questions or revising of old ones as well as to beginning a dialogue yet again as to the meanings of these literary works and also to their circulation from their inception up to the present time In addition the rare attention given to works by women makes this all the more an important book for collections in English literature of the period *The Short Story* Charles May, 2013-10-14 The short story is one of the most difficult types of prose to write and one of the most pleasurable to read From Boccaccio's Decameron to The Collected

Stories of Reynolds Price Charles May gives us an understanding of the history and structure of this demanding form of fiction Beginning with a general history of the genre he moves on to focus on the nineteenth century when the modern short story began to come into focus From there he moves on to later nineteenth century realism and early twentieth century formalism and finally to the modern renaissance of the form that shows no signs of abating A chronology of significant events works and figures from the genre s history notes and references and an extensive bibliographic essay with recommended reading round out the volume

Three Early Modern Utopias Thomas More, Francis Bacon, Henry Neville, 2008-11-13 A unique edition of three early modern utopian texts using a contemporary translation of More s Utopia and examining the Renaissance world view as shown by these writers The edition includes the illustrative material that accompanied early editions of Utopia full chronologies of the authors notes and glossary

**Metaphors of Motherhood in Marina Warner's Fiction and Short Fiction** Souhir Zekri Masson, 2025-07-24 This volume oversees the fluctuating but close relationship of motherhood studies maternal theory and feminism in Marina Warner s fiction and short stories Originating in Chantal Zabus analysis of the controversial Sycorax and Ariel in Indigo or Mapping the Waters the phrase sisterly continuum has inspired this book s focus on a parallel motherly continuum linking and animating the myriad female characters of the most prolific twentieth and twenty first century British cultural historian and novelist By tracing and analyzing the wide variety of fictional mothers and their maternal practices through the lens of various feminist and maternal theories this book attempts to deconstruct the false binary oppositions of good versus bad mother biological birth versus foster or adoptive mother and most importantly that of motherhood as a patriarchal institution versus mothering as an identity and an experience Thanks to her fictional exploration of the process of becoming a mother whether physically socially or mentally and of becoming a sexually mature adult thanks to mothering Warner s alternatives to conventional aspects of motherhood offer a wide array of maternal metaphors that nuance the concept of mother and traverse the borders of class race and geography As exiled goddesses and witches female academicians and mistresses fight their way through colonialism racism and misogyny their paradoxical status as mothers and ambiguous relationships to their daughters and sons bring an extra layer of meaning to their experiences identities and perspectives

*A Printing History of Everyman's Library 1906-1982* Terry Seymour, 2011 The total number of Everyman s Library volumes that still survive somewhere in the world exceeds 70 million Since the inception of the Library in 1906 nearly 1200 unique volumes have been published constantly placing the world s greatest books before a large public A few of these titles proved unpopular and were never reprinted But most were reprinted dozens of times packaged in numerous ways and benefited from updated editorial work and book design over the last century Terry Seymour has studied and researched every aspect of this great mass of books He now captures and distills this knowledge in *A Printing History of Everyman's Library 1906-1982* A critical feature of course is to update the various collecting factoids that have emerged since 2005 when his *Guide to Collecting Everyman's Library* was published The meat of the new book

however is the Bibliographical Entries section Each volume that has ever been printed receives its own entry detailing every printing each dust jacket variation any new introductions updated scarcity numbers and all relevant notes Typically an entry contains at least six lines of information but often much more In essence each entry is a story written exclusively about each volume Armed with this resource collectors and booksellers can know reliably everything about the Everyman's Library volume that sits on their shelf or is ready to be purchased or sold They will see how a book fits into the total printing history of that title and be able to describe and value the book with precision To further enhance the value of this book color images illustrate all of the key collecting points An extensive index of editors translators and artists is now included Not just a solo effort the Printing History has been vetted by other expert collectors ensuring greater accuracy and comprehensiveness

English Prose of the Seventeenth Century 1590-1700 Roger Pooley, 2014-06-06 This is the first book length history of the range of seventeenth century English prose writing Roger Pooley's study begins with narrative ranging from the fiction of Bunyan and Aphra Behn to the biographical and autobiographical work of Aubrey and Pepys Further sections consider religious prose from the hugely influential Authorised Version to Donne's sermons the political writing of figures as diverse as Milton Hobbes Locke and Marvell cornucopian texts and the writings of the new scientists from Bacon to Newton At a time when the boundaries of the canon are being increasingly revised this is not only a major survey of a series of great works of literature but also a fascinating social history and a guide to understanding the literature of the period as a whole

**A History of the Spanish Novel** J. A. Garrido Ardila, 2015-04-30 The origins of the Spanish novel date back to the early picaresque novels and Don Quixote in the sixteenth and seventeenth centuries and the history of the genre in Spain presents the reader with such iconic works as Galdós's *Fortunata and Jacinta* Clarín's *La Regenta* or Unamuno's *Mist* A History of the Spanish Novel traces the developments of Spanish prose fiction in order to offer a comprehensive and detailed account of this important literary tradition It opens with an introductory chapter that examines the evolution of the novel in Spain with particular attention to the rise and emergence of the novel as a genre during the sixteenth and seventeenth centuries and the bearing of Golden Age fiction in later novelists of all periods The introduction contextualises the Spanish novel in the circumstances and milestones of Spain's history and in the wider setting of European literature The volume is comprised of chapters presented diachronically from the sixteenth to the twenty first century and others concerned with specific traditions the chivalric romance the picaresque the modernist novel the avant gardist novel and with some of the most salient authors Cervantes Zayas Galdós and Baroja A History of the Spanish Novel takes the reader across the centuries to reveal the captivating life of the Spanish novel tradition in all its splendour and its phenomenal contribution to Western literature

## The Enigmatic Realm of **Shorter Novels Seventeenth Century**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. ## Shorter Novels Seventeenth Century Introduction

In today's digital age, the availability of Shorter Novels Seventeenth Century books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Shorter Novels Seventeenth Century books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Shorter Novels Seventeenth Century books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Shorter Novels Seventeenth Century versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Shorter Novels Seventeenth Century books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Shorter Novels Seventeenth Century books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Shorter Novels Seventeenth Century books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and

contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Shorter Novels Seventeenth Century books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Shorter Novels Seventeenth Century books and manuals for download and embark on your journey of knowledge?

### **FAQs About Shorter Novels Seventeenth Century Books**

1. Where can I buy Shorter Novels Seventeenth Century books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Shorter Novels Seventeenth Century book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Shorter Novels Seventeenth Century books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing.

Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
