poem or song in particular a song of grief in response to loss Because mourning and memorialization are so deeply embedded
in the human condition all human societies have developed means for lamenting the dead and in *That the People Might Live*
Arnold Krupat surveys the traditions of Native American elegiac expression over several centuries Krupat covers a variety of
oral performances of loss and renewal including the Condolence Rites of the Iroquois and the memorial ceremony of the
Tlingit people known as *koo eex* examining as well a number of Ghost Dance songs which have been reinterpreted in
culturally specific ways by many different tribal nations Krupat treats elegiac farewell speeches of the eighteenth and
nineteenth centuries in considerable detail and comments on retrospective autobiographies by Black Hawk and Black Elk
Among contemporary Native writers he looks at elegiac work by Linda Hogan N Scott Momaday Gerald Vizenor Sherman
Alexie Maurice Kenny and Ralph Salisbury among others Despite differences of language and culture he finds that death and
loss are consistently felt by Native peoples both personally and socially someone who had contributed to the People's well
