[Sports of the Times](#) Gene Brown, Arleen Keylin, Daniel Lundy, 1982 Reprinted New York Times articles created from 35mm microfilm [Seasons on Ice](#) Craig P. Nelson, 2024-01-16 Seasons on Ice The Birth of Wisconsin Badgers Hockey is a never before told story about the Wisconsin Badgers men's hockey program It is a meticulously researched chronology documenting the origins of ice hockey during the initial era at the University of Wisconsin Madison from the 1890s on Lake Mendota through the mid 1930s Hockey developed quite a following in Madison WI as a recreational activity that grew into a full fledged varsity sport at the UW by 1922 until the program was ultimately canceled in 1935 See how this program was literally built from the ice up and learn about several of the unique individuals who shaped the character of Badger Hockey for generations to follow Ultimately making it possible for the program to be revived nearly three decades later and evolve into a national powerhouse [Shoot to Thrill](#) Mark Rosenman, Howie Karpin, 2015-03-31 In 2005 the National Hockey League adopted the shootout to settle ties in regular season games The shootout is used if the game remains tied after five

minutes of overtime Ten years later the shootout is one of the most significant and controversial rule changes in all of sports Some maintain that the shootout erases a sixty five minute emotional rollercoaster between two teams and that it s wrong for games to be decided based on a one on one battle between a shooter and a goalie Others argue that shootouts provide edge of your seat excitement as two supremely skilled players go head to head for all the marbles Shoot to Thrill blends history stats and personal perspectives from players coaches officials and broadcasters Mark Rosenman and Howie Karpin explore how players and coaches prepare for shootouts what they think of them and how shootouts have helped shape hockey history over the past decade including the shootout in the last game of the 2010 season that sent the Philadelphia Flyers into the playoffs and on to the Stanley Cup Finals Some rule changes are instituted without anyone s noticing Others shake the game to its very foundations Like the designated hitter rule in baseball hockey s shootout has left no fan impartial to it This is the book for them Skyhorse Publishing as well as our Sports Publishing imprint are proud to publish a broad range of books for readers interested in sports books about baseball pro football college football pro and college basketball hockey or soccer we have a book about your sport or your team Whether you are a New York Yankees fan or hail from Red Sox nation whether you are a die hard Green Bay Packers or Dallas Cowboys fan whether you root for the Kentucky Wildcats Louisville Cardinals UCLA Bruins or Kansas Jayhawks whether you route for the Boston Bruins Toronto Maple Leafs Montreal Canadiens or Los Angeles Kings we have a book for you While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home
