Should Never Have Been:

Should Never Have Been Wendy Jane Handley, 2004-01-18 I spent 10 years of my life in a convent this is my passage through it and out the other side There were happy and sad times of which I describe in detail I spend 4 and a half of these 10 years in India and these years were both interesting and funny but most of all it makes compelling reading all in all

This Should Never Have Happened Laura Vivian, 2016-01-07 This *Should Never Have Happened* is the true life experiences of Laura a child whose mother is present in body only while her father emotionally physically and sexually imposes horrific terror upon his seven children Nightmarish memories are locked away in her mind until shortly following the elderly mans death when shocking recollections erupt like a violent volcano spewing years of unspeakable pain and torment Journey with Laura as she recalls graphic details and images from turbulent days and brutal nights at the hands of her sadistic father Witness through the frightened eyes of a small girl as she grows into a young woman the escalating intensity of one mans savage treatment of the children he was supposed to cherish and protect

The Accident that Should Never Have Taken Place D. J. Cotten, 2022-11-03 The purpose of this book is to emphasize the senselessness of texting and driving at the same time and the dire consequences it had on several people One man lost his entire family leading him to try to commit suicide a week and half later but he was saved by the hospital staff after he was taken to the hospital He very bitter over this and he abused the secondaEURshift LPN who tried to help him Three days later he managed to apologize for the abuse but she took the abuse in stride and told the man she understood the severe depression he was experiencing However the doctor she was in love at the time hatched a sinister plot after he found out the man had a great deal of wealth He used the nurse to help him rob the man It worked out extremely well The nurse had the power of attorney over her patient and she managed to embezzle his wealth and then turned it over to the doctor she was in love with only to find out he was planning to marry another woman Surprisingly her patient forgave her and declined to prosecute Thereafter she decided to go back to work at the hospital since the man was no longer able to pay her out of pocket She later married another doctor and eventually had three children with the man still living with them Another dire consequence is the effect it had on a Hispanic TV anchor woman since her fiveaEURyearaEURold daughter was struck as well as a sixtyaEURfouraEURyearaEURold Negro woman The fiveaEURyearaEURold lost consciousness and the Negro woman wound up with a broken back The frantic anchorwoman took out her rosary and started praying The child regained consciousness three days later and her mother was greatly relieved Unfortunately the Negro woman who shared an apartment with her son learned that she would walk again but would be in constant pain the rest of her life She would have wound up in some nursing home had it not been for neighbor who lived in the apartment across the hall Before the accident they became very close friends and her son had fallen in love with her although she was white One night after work the neighbor went to the Negro woman s apartment to announce her upcoming wedding When her son got the news later when he came home from work he was totally devastated

and became extremely intoxicated as a result The following night he shot his mother at her behest and then killed himself

FOOTBALL SUICIDES: The deaths that should never have happened Caroline Elwood-Stokes, **It Should Never Have Happened to Me** Darren Mcdonough,2012-09 There is a side to Thailand that very few people have seen and experienced Darren Mcdonough is one of those people In his new book It Should Never Have Happened to Me he recounts his experiences during a revealing sojourn in Thailand and takes readers alongside his odyssey through and out of the country s seamy underbelly of sex crime and drugs Timely redemptive and brutally honest It Should Never Have Happened to Me is both a startling expos of the dark side of Thailand and a chronicle of one man s quest to overcome the trauma he experienced there **Harming Future Persons** Melinda A. Roberts,David T. Wasserman,2009-07-31 Melinda A Roberts

and David T Wasserman 1 Purpose of this Collection What are our obligations with respect to persons who have not yet and may not ever come into existence Few of us believe that we can wrong those whom we leave out of existence altogether that is merely possible persons We may think as well that the directive to be fruitful and multiply and replenish the earth 1 does not hold up to close scrutiny How can it be wrong to decline to bring ever more people into existence At the same time we think we are clearly obligated to treat future persons persons who don t yet but will exist in accordance with certain stringent standards Bringing a person into an existence that is truly awful not worth having can be wrong and so can bringing a person into an existence that is worth having when we had the alternative of bringing that same person into an existence that is substantially better We may think as well that our obligations with respect to future persons are triggered well before the point at which those persons commence their existence We think it would be wrong for example to choose today to turn the Earth of the future into a miserable place even if the victims of that choice do not yet exist *Phineas Redux* Anthony
