The League John Eisenberg,2018-10-09 The epic tale of the five owners who shepherded the NFL through its tumultuous early decades and built the most popular sport in America The National Football League is a towering distinctly American colossus spewing out 14 billion in annual revenue But it was not always a success In The League John Eisenberg focuses on the pioneering sportsmen who kept the league alive in the 1920s 1930s and 1940s when its challenges were many and its survival was not guaranteed At the time college football baseball boxing and horseracing dominated America s sports scene Art Rooney George Halas Tim Mara George Preston Marshall and Bert Bell believed in pro football when few others did and ultimately succeeded only because at critical junctures each sacrificed the short term success of his team for the longer term good of the league At once a history of a sport and a remarkable story of business ingenuity The League is an essential read for any fan of our true national pastime *Come Along for the Ride* Harvey Granat,2023-02-28 It took me 50 years to achieve my original dream and not without some bumps along the road I believed as did many others that I could have been a very successful entertainer A visit with Vic Damone convinced me that I would have to give up a normal family life to achieve that success So I built a series of businesses and threw myself into philanthropy while limiting my performing to friends and family And then the opportunity finally presented itself and there was no stopping me Without an agent I promoted myself to some of the leading entertainment venues in the country developed a following and am now living my dream The one constant throughout has been my dedication to my family and the difference that I hope I have made in their lives But what a trip producing Sammy Cahn on Broadway headlining at Lincoln Center and Michael Feinstein s Club friendships with Cary Grant the families of George Gershwin Oscar Hammerstein Marvin Hamlisch Leonard Bernstein and a host of show business greats And I can t forget what happened with Madoff and Harvey Weinstein So come along for the ride while I tell my story **The First Hollywood Musicals** Edwin M. Bradley,2004-08-25 As Hollywood entered the sound era it was rightly determined that the same public fascinated by the novelty of the talkie would be dazzled by the spectacle of a song and dance film In 1929 and 1930 film musicals became the industry s most lucrative genre until the greedy studios almost killed the genre by glutting the market with too many films that looked and sounded like clones of each other From the classy movies such as Sunnyside Up and Hallelujah to failures such as The Lottery Bride and Howdy Broadway this filmography details 171 early Hollywood musicals Arranged by subgenre backstagers operettas college films and stage derived musical comedies the entries include studio release date cast and credits running time a complete song list any recordings spawned by the film Academy Award nominations and winners and availability on video or laserdisc These data are followed by a plot synopsis including analysis of the film s place in the genre s history Includes over 90 photographs

Tommy Steele Sebastian Lassandro,2021-07-11 The first ever complete and authorised biography of Britain's first rock n roller and all round entertainment legend Fully approved and endorsed by Sir Tommy Steele himself the first time he has given approval for such a work to be completed A completely comprehensive and detailed study of Tommy's incomparable 65 year career Handsomely illustrated with rare and archival photographs from Tommy Steele's archive Foreword by Sir Tim Rice with direct contributions from Dame Judi Dench Petula Clark Elaine Paige Paul Nicholas Lesley Ann Warren and also from many of Tommy's theatrical co stars In the summer of 1956 while on shore leave from the Merchant Navy Thomas Hicks was spotted playing a new type of music in a coffee bar in London Having never heard anything like this rock performed in Britain he became an overnight sensation never returning to his ship He changed his name to Tommy Steele and for 65 years he has been Britain's greatest showman In a remarkable career spanning radio records Broadway and Hollywood Tommy Steele started the rock revolution in the UK before moving to lighter family entertainment and becoming a well loved household name He received an OBE for Services to Entertainment in 1979 and a knighthood for Services to Entertainment and Charity in 2020 He has conquered the West End Hollywood and Broadway holds records for the longest running one man show in the London's West End and also the record for most appearances at the hallowed London Palladium However his remarkable career has never been detailed accurately and comprehensively until now Authorised by Sir Tommy Steele himself *A Life in the Spotlight* offers readers a detailed insight into the career of an unrivalled entertainment legend with countless facts stories details and anecdotes never before committed to print

The Encyclopedia of Hollywood Film Actors Barry Monush,2003-04-01 For decades Screen World has been the film professional's as well as the film buff's favorite and indispensable annual screen resource full of all the necessary statistics and facts Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover's library In the first of two volumes this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin Pickford Fairbanks to the mid 1960s when the old studio and star systems came crashing down Each listing includes a brief biography photos from the famed Screen World archives with many rare shots vital statistics a comprehensive filmography and an informed entertaining assessment of each actor's contributions good or bad In addition to every major player Monush includes the legions of unjustly neglected troupers of yesteryear The result is a rarity an invaluable reference tool that's as much fun to read as a scandal sheet It pulsates with all the scandal glamour oddity and glory that was the lifeblood of its subjects Contains over 1 000 photos

The Grammar of Rock Alexander Theroux,2013-02-16 Novelist and critic Alexander Theroux analyzes the pop song National Book Award nominee critic and one of America's least compromising satirists Alexander Theroux takes a comprehensive look at the colorful language of pop lyrics and the realm of rock music in general in *The Grammar of Rock*

silly song titles maddening instrumentals shrieking divas clunker lines the worst and best songs ever written geniuses of the art movie stars who should never have raised their voice in song but who were too shameless to refuse a mic and the excesses of awful Christmas recordings Praising and critiquing the gems of lyricists both highbrow and low Theroux does due reverence to classic word masters like Ira Gershwin Jimmy Van Heusen Cole Porter and Sammy Cahn lyricists as diverse as Hank Williams Buck Ram the Moody Blues and Randy Newman Dylan and the Beatles of course and more outr ones like the Sex Pistols the Clash Patti Smith the Fall even Ghostface Killa but he considers stupid rhymes as well nonsense lyrics chop logic the uses and abuses of irony country music macho verbal howlers how voices sound alike and why and much more In a way that no one else has ever done with his usual encyclopedic insights into the state of the modern lyric Theroux focuses on the state of language the power of words and the nature of syntax in The Grammar of Rock He analyzes its assaults on listeners impulses by investigating singers styles pondering illogical lunacies in lyrics and deconstructing the nature of diction and presentation in the language This is that rare book of discernment and probing wit and not exclusively one that is a critical defense of quality that positively evaluates the very nature of a pop song and why one over another has an effect on the listener The Routledge Handbook of Magazine Research David Abrahamson, Marcia R. Prior-Miller, 2015-06-05

Scholarly engagement with the magazine form has in the last two decades produced a substantial amount of valuable research Authored by leading academic authorities in the study of magazines the chapters in The Routledge Handbook of Magazine Research not only create an architecture to organize and archive the developing field of magazine research but also suggest new avenues of future investigation Each of 33 chapters surveys the last 20 years of scholarship in its subject area identifying the major research themes theoretical developments and interpretive breakthroughs Exploration of the digital challenges and opportunities which currently face the magazine world are woven throughout offering readers a deeper understanding of the magazine form as well as of the sociocultural realities it both mirrors and influences The book includes six sections Methodologies and structures presents theories and models for magazine research in an evolving global context Magazine publishing the people and the work introduces the roles and practices of those involved in the editorial and business sides of magazine publishing Magazines as textual communication surveys the field of contemporary magazines across a range of theoretical perspectives subjects genre and format questions Magazines as visual communication explores cover design photography illustrations and interactivity Pedagogical and curricular perspectives offers insights on undergraduate and graduate teaching topics in magazine research The future of the magazine form speculates on the changing nature of magazine research via its environmental effects audience and transforming platforms **Law and the Humanities** Austin Sarat, Matthew Anderson, Cathrine O. Frank, 2009-10-30 Law and the Humanities An Introduction brings together a distinguished group of scholars from law schools and an array of the disciplines in the humanities Contributors come from the United States and abroad in recognition of the global reach of this field This book is at one and the same time

a stock taking both of different national traditions and of the various modes and subjects of law and humanities scholarship It is also an effort to chart future directions for the field By reviewing and analyzing existing scholarship and providing thematic content and distinctive arguments it offers to its readers both a resource and a provocation Thus *Law and the Humanities* marks the maturation of this law and enterprise and will spur its further development ***The Movie Guide*** James Monaco,1992 From *The Big Sleep* to *Babette's Feast* from *Lawrence of Arabia* to *Drugstore Cowboy* *The Movie Guide* offers the inside word on 3 500 of the best motion pictures ever made James Monaco is the president and founder of BASELINE the world's leading supplier of information to the film and television industries Among his previous books are *The Encyclopedia of Film* *American Film Now* and *How to Read a Film* ***It Did Happen Here*** Bud Schultz,Ruth Schultz,1990-08-04 In this moving book two skilled oral historians collect the words of Americans who have been victims of political repression in their own country Disturbing and provocative *It Did Happen Here* is must reading for everyone who cares about protecting the rights and liberties upon which this country has been built ***Visions of Jazz*** Gary Giddins,1998-10-22 Poised to become a classic of jazz literature *Visions of Jazz The First Century* offers seventy nine chapters illuminating the lives of virtually all the major figures in jazz history From Louis Armstrong's renegade style trumpet playing to Sarah Vaughan's operatic crooning and from the swinging elegance of Duke Ellington to the pioneering experiments of Ornette Coleman jazz critic Gary Giddins continually astonishes the reader with his unparalleled insight Writing with the grace and wit that have endeared his prose to *Village Voice* readers for decades Giddins also widens the scope of jazz to include such crucial American musicians as Irving Berlin Rosemary Clooney and Frank Sinatra all primarily pop performers who are often dismissed by fans and critics as mere derivatives of the true jazz idiom And he devotes an entire quarter of this landmark volume to young still active jazz artists boldly expanding the horizons of jazz and charting and exploring the music's influences as no other book has done

Show Business Is No Business 1st Edition Introduction

In the digital age, access to information has become easier than ever before. The ability to download Show Business Is No Business 1st Edition has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Show Business Is No Business 1st Edition has opened up a world of possibilities. Downloading Show Business Is No Business 1st Edition provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Show Business Is No Business 1st Edition has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Show Business Is No Business 1st Edition. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Show Business Is No Business 1st Edition. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Show Business Is No Business 1st Edition, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Show Business Is No Business 1st Edition has transformed the way we access

information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
