Showdown At Verity:

The Diamond K Showdown Will Keen, 2017-04-01 Ewan McGill is warned off his spread but is determined to sit it out. Then three weeks later his house is burned down his wife is kidnapped and his 10 year old son is murdered. Now he must take matters into his own hands to find Verity and avenge his son's murder. Showdown at Verity Terry A. Mort, 2005 This rousing Western introduces Ethan Black a former Union Navy officer and trained killer who tracks down outlaws in the San Rafael Valley. Here Black investigates an army payroll theft and sets out to make a murderer pay with his life. Original

The Lawless Breed T. A. Mort, 2004 From a bold new voice in western adventure comes this rousing tale of a former Union Navy officer and trained killer who faces a murderous Navajo and encounters other deadly dangers while he pursues a band of killer stagecoach robbers. Original

The Hemingway Patrols Terry Mort, 2009-08-18 From the summer of 1942 until the end of 1943 Ernest Hemingway spent much of his time patrolling the Gulf Stream and the waters off Cuba's north shore in his fishing boat *Pilar*. He was looking for German submarines. These patrols were sanctioned and managed by the US Navy and were a small but useful part of anti submarine warfare at a time when U boat attacks against merchant shipping in the Gulf and the Caribbean were taking horrific tolls. While almost no attention has been paid to these patrols other than casual mention in biographies they were a useful military contribution as well as a central event to Hemingway around which important historical literary and biographical themes revolve. *Showdown in the Sonoran Desert* Ananda Rose, 2012-06-01 This book offers reflections on a daunting and controversial ethical question. How should we treat the strangers who enter this country illegally? To understand the experience of those directly confronted by this problem Ananda Rose traveled to the Sonoran desert at the border between the U S and Mexico. There she gathered opinions from Minutemen Border Patrol agents Catholic nuns humanitarian air workers left wing protestors ranchers and other ordinary citizens in southern Arizona. She depicts the results of these interviews as two starkly opposed ideological perspectives that of religious activists who embrace a biblically inspired model of hospitality that stresses love of strangers and a borderless compassion and that of law enforcement which is concerned with safety security and strict respect for international borders.

The Monet Murders Terry Mort, 2015-09-15 Hollywood 1934 Prohibition is finally over but there is still plenty of crime for an ambitious young private eye to investigate. Though he has a slightly checkered past Riley Fitzhugh is well connected in the film industry and is hired by a major producer whose lovely girlfriend has disappeared. He also is hired to recover a stolen Monet a crime that results in two murders initially with more to come. Along the way Riley investigates the gambling ships anchored off L A gets involved with the girlfriend of the gangster running one of the ships and disposes of the body of a would be actor who assaults Riley's girlfriend. He also meets an elegant English art history professor from UCLA who helps Riley authenticate several paintings and determine which ones are forgeries. Riley lives at the Garden of Allah Hotel the favorite watering place of screenwriters and he meets and unknowingly assists many of them with their plots. Incidentally one of these gents whose

Crisis and Leadership Clara Fraser, Richard S. Fraser, 2000 Cultural Writing The story of how and why the Socialist Workers Party abandoned its revolutionary program is an important chapter in American history The party was the inheritor of the ideas of the Russian Revolution and Leon Trotsky but when the radical 1960s exploded the SWP was paralyzed by its ties to the most privileged sectors of labor and its ambivalent and wildly contradictory approach to people of color youth and women Written in 1965 by partisans of the fight to reorient the party CRISIS AND LEADERSHIP provides a visionary analysis of economic and political developments and a hard hitting indictment of racism and sexism in the union movement and the Left
