Shower Posse The Most Notorious Jamaican Crime Organization

Duane Blake

Shower Posse The Most Notorious Jamaican Crime Organization:

Shower Posse Duane Blake, 2003-03 Referred to by the FBI as the most violent and notorious criminal organisation ever in America the Shower Posse was the epitome of drug dealing ruthlessness Urban landscapes were brutal battlegrounds for quick money and the Shower Posse's reign was supreme The Shower Posse is packed with tales of power struggles high flying gangster success betrayal and perseverance It contains exclusive candid in depth details of the inner workings of Shower The Shower Posse will easily explain scores of high profile unsolved murders across the world The Shower Posse is derived from the shower of lead it shoots at rivals The book's sixteen page pictorial includes over fifty never before published pictures of posse members and murder scenes

Shower Posse Duane Blake, 2007-07 Referred to by the FBI as the most violent and notorious criminal organisation ever in America the Shower Posse was the epitome of drug dealing ruthlessness Urban landscapes were brutal battlegrounds for quick money and the Shower Posse's reign was supreme This tell all saga is in the words of its mastermind Vivian Blake Blake skyrocketed to wealth with savvy business skills but his savage henchmen terrorised the streets into submission Blake's men had been raised in Jamaica where murders went unsolved daily Shower ran wild spraying bullets on anyone and everyone in their way Their weapons fingerprints and m o s were not traceable Most American police had never seen any of them before That careless attitude toward pulling triggers earned a record 1400 murders and quickly established Shower's rep The book is packed with tales of power struggles high flying gangster success betrayal and perseverance It contains exclusive candid in depth details of the inner workings of Shower The book will easily explain scores of high profile unsolved murders across the world The Shower Posse is derived from the shower of lead it shoots at rivals The book's sixteen page pictorial includes over fifty never before published pictures of posse members and murder scenes

The Jamaican Deportees Charlie Brown, 2012-01-04 This book is about the effect of U S Illegal Immigration Reform and Immigrant Responsibility Act IIRIRA of 1996 and criminal deportation to Jamaica the issues associated with deportees or deported migrants resettlement and re integration and increased crime and violence in Jamaica which several high ranking police officers and policy makers claimed deportees are responsible for It also represents a dedicated attempt to bridge both lines of inquiry between increased criminal deportation and increased crime and violence in Jamaica over a period of time wherein criminal deportees are constantly being blamed for the high murder rate and alarming crime figures in the country placing deported migrants at a severe disadvantage Based on six years of studies and notes taking I find that there are two types of deported migrants and over six different categories of us and I write in details about the categories Some people are unreformed or dangerous and are involved in criminal activities based on a variety of factors while the majority are law abiding citizens Quite a few including myself have tertiary degrees meaningful skills and first world experiences that are in demand thus we can contribute to the society in positive ways but we are highly marginalized And the Government especially and some uninformed people in the society discriminate against deported migrants deportees

for arcane reasons I write about the issues and challenges that some deported migrants have to deal with the problems that some unreformed or desperate ones have caused the reasons why re integration and meaningful support is necessary how I was abducted or unlawfully arrested by the police and wrongfully prosecuted and unlawfully convicted by a state prosecutor and how I was sentenced to an illegal term of imprisonment by a presiding judge and then wrongfully or inadvertently deported to Jamaica by the ICE even though I am a veteran of the US Army with a service connected injury The IIRIRA of 1996 is a reform of laws that are in need of careful revision in the interest of the American Justice and fairness to non US citizens who are permanent residents of the United States A must read edition **Organized Crime** Frank Shanty,Patit Paban Mishra,2007-09-24 This fascinating work is a two volume guide to the shadow world the critical issues and the global reach of organized crime Despite its impact on international security and the world economy organized crime is an unusual topic for a reference book Difficult to research the high profit high risk subculture of drug lords diamond smugglers and sex slavers is rarely investigated by scholars Organized Crime An International Encyclopedia ventures behind the scenes into this hazardous territory In the first volume expert contributors offer a global perspective on issues such as weapons and arms trafficking high tech and cyber crimes the future of organized crime and the connection between organized crime and armed conflicts The second volume consists entirely of primary documents national and international laws and treaties that reflect the international community s many attempts largely ineffective to combat organized crime Together the two volumes provide students and general readers with a road map to a shadow world with far reaching impact on the world we know

An Economic History of Organized Crime Dennis M. P. McCarthy,2011-05-15 This book is a comparative study of organized crime groups from five different parts of the world Europe North America Central America South America Caribbean basin Africa and Asia Western Pacific Each part contains two case studies and a shorter essay a vignette From Europe the case studies focus on the Italian mafias and the Russian mafia the vignette on the Albanian mafia From North America the case studies highlight the US Mafia and the Mexican drug cartels the vignette organized crime in Canada From Central America South America Caribbean basin the case studies concentrate on the Colombians drug cartels and gangs of the Caribbean the vignette on organized crime in Cuba From Africa the case studies examine resource wars and Somali piracy the vignette relations among international drugs trafficking organized crime and terrorism in North and West Africa And from Asia Western Pacific the case studies spotlight the Chinese Triads and Japanese Yakuza the vignette relations among international drugs trafficking organized crime and terrorism in Afghanistan Written in non specialist language *An Economic History of Organized Crime* provides an original overview of a crucial problem of our times the growing scourge of global organized crime This book can be read with profit by the general public but it also has value for academic specialists and professionals in law enforcement **Caribbean Security in the Age of Terror** Ivelaw L. Griffith,2004 The security issues which have come into prominence since the September 11 terrorist attack in the USA provide both the starting point

and the focus for this comprehensive survey of contemporary security issues in the Caribbean This volume assesses the impact of the 9 11 terrorist attack on Caribbean states and examines the institutional and operational terrorism response capacity of security agencies in the region However understanding security challenge and change in the Caribbean context requires a broad based multidimensional approach terrorism for the small open and vulnerable nation states of the Caribbean region is a real security issue but even more so is a range of untraditional threats like crime drug trafficking territorial disputes environmental degradation and the rapid spread of the HIV AIDS epidemic How these states adapt policies and practices to adjust to the new regional and global circumstances represent the challenge and the change

Crime Fiction in the Caribbean Lucy Evans, 2024-09-18 Crime Fiction in the Caribbean Reframing Crime and Justice is the first academic book to focus on crime fiction by anglophone Caribbean writers It explores how contemporary writers experiment with the crime genre in order to convey contextualize and comment on crime and justice in Caribbean countries Lucy Evans reads crime fiction as a versatile mode of writing that can be politically engaged and that in a Caribbean context can expose power structures embedded in the region's multi layered history of colonial conquest genocide of Indigenous populations plantation agriculture transatlantic slavery and indentured labour This book covers fiction set in Trinidad and Tobago Jamaica Guyana Barbados Grenada and Haiti discussing novels by Elizabeth Nunez Jacob Ross Marlon James Harischandra Khemraj Esther Figueroa Edwidge Danticat Cherie Jones and several others Evans considers how fiction by anglophone Caribbean writers not only reflects upon the social realities of crime and crime control in the Caribbean but also at times contests or complicates scholarly popular and legal perspectives She argues that through their engagement with the crime genre these writers raise pressing questions about what constitutes crime and justice in a Caribbean context and about accountability Looking beyond the traditional focus of crime fiction and criminology on individual acts of wrongdoing their fiction highlights systemic social harms rooted in the region's colonial past Reading crime fiction through the lens of criminological research Crime Fiction in the Caribbean brings the study of literary writing into scholarly debate on crime in the Caribbean At the same time it extends the global turn in crime fiction studies focusing on a region that has been sidelined even in studies which examine the genre's international dimensions

The Secret Origins of Black Americans: History, Ethnicity, and Cultural preservation in the Face of an Ethnocide by Eurocentrists and Afrocentrists W.K.S. PhD (c), 2023-05-20 Do You Belong to a Legendary Lineage The Secret Origins of Black Americans uncovers the erased and extraordinary legacy of Black Americans revealing they are not simply descendants of African slaves but a unique people with ancient roots global impact and unmatched cultural influence Learn how Black Americans Won the Civil War and expand the U S westward honored by the original meaning of the Statue of Liberty Without the military help of the Black Freedmen the war against the south could not have been won President Abraham Lincoln From the book The Black Military Experience by Robert E Washington The contributions of the Black troops were so significant that it is safe to say that the war would not

have been won without their help President Abraham Lincoln recognized the importance of Black soldiers in the Union Army The bare sight of fifty thousand armed and drilled black soldiers on the banks of the Mississippi would end the rebellion at once President Abraham Lincoln Built American cities as architects and artisans Have DNA linking them not just to Native Americans but to ancient Australo Melanesians Were targeted by Jim Crow laws that excluded foreign born Africans proving a distinct identity Created soul food pioneered every major music genre and led in over 50 sports Shaped global culture from New York to the Arctic Patented innovations that modernized the world and championed civil rights across continents Have been the subject of centuries long campaigns to erase their history and steal their legacy This book dismantles myths corrects the record and reclaims the truth of who Black Americans really are global pioneers with a legacy unlike any other The book should be taught in every school said a coalition of Black principles following a censoring incident involving the book Newsbreak Includes a step by step genealogy guide 30% of the proceeds go to Black American charities artworkandwords gmail com Contact for a pdf file

COCAINE AND HEROIN TRAFFICKING IN THE CARIBBEAN

Daurius Figueira,2004-11-04 Cocaine and Heroin Trafficking in the Caribbean exposes the nature and structures of illicit drug trafficking in the Caribbean A complex reality is presented which is built upon the lies and deceptions of the war on drugs the complicity of the elites of the Caribbean with the illicit trade and the failure of the agencies charged with interdicting the illicit trade in the Caribbean The escalating levels of societal violence instability of crime and the stark contrasts of opulence in the midst of grinding poverty all linked to the illicit drug trade are dealt with The underlying reality of failed states that facilitate illicit drug trafficking in the Caribbean with a future of violence and instability is the dominant reality of the Caribbean in the 21st century exposed and explained in this text *The Caribbean City* Rivke Jaffe,2008 Caribbean cities are a unique yet underexposed phenomenon Their distinctiveness results from a combination of interrelated factors including a history of slavery development under the hemispheric hegemony of the United States and spatial limitations imposed by the settings of most Caribbean urban areas This innovative volume presents a detailed introduction to the spatial socio cultural and economic characteristics of the Caribbean city followed by case studies of selected cities in the Dutch Hispanophone Francophone and Anglophone Caribbean It discusses a broad range of disciplinary approaches in examining the urban Caribbean incorporating perspectives from anthropology sociology history political science geography and literary and cultural criticism BOOK JACKET **On the Move** Alejandra Bronfman,2008-02-29 The Caribbean stands out in the popular imagination as a place without history a place which has somehow eluded modernity Haiti is envisioned as being trapped in an endless cycle of violence and instability Cuba as a 1950s time warp Jamaicans as ganja smoking Rastafarians while numerous pristine anonymous islands are simply peaceful idylls The notion of getting away from it all lures countless visitors offering the possibility of total disconnect for the world weary In *On the Move* Alejandra Bronfman argues that in fact the opposite is true the Caribbean is and has always been deeply engaged with the wider world From

drugs and tourism to international political struggles these islands form an integral part of world history and of the present and are themselves in a constant state of economic and social flux in the face of global transformations

Governance, Conflict Analysis and Conflict Resolution Cedric Hilburn Grant, R. Mark Kirton, 2007 Decades after our contemporary international system witnessed the end of the Second World War the events that followed in its aftermath has fashioned an international system characterized by global conflict in the guise of the Cold War Although wars were part of the struggle between the two rival super powers the US and USSR their main theatre was the Third World and hostilities during the Cold War era were global It is against this backdrop that Governance Conflict Analysis and Conflict Resolution addresses conflict in the Caribbean and elsewhere exploring the linkages between conflict and development The book is divided into eight sections and offers diverse views on conflict conflict resolution and governance Part 1 Governance and Conflict Management in a Global Context Part II Management and resolution of Conflict in the Regional Context Part III Perspectives on Social Stratification Political Rivalry and Ethnic Insecurities Part IV High Intensity Conflicts Part V The Management and Resolution of Territorial Conflicts Part VI Poverty Economics and Conflict Management Part VII Advancing Conflict Resolution through Education and Part VIII Civil Society Governance and Social Consensus

Understanding Drug Dealing and Illicit Drug Markets Tammy C. Ayres, Craig Ancrum, 2023-07-31 This book examines the drug dealer in contemporary society from an interdisciplinary perspective and considers the increasingly blurred demarcation between illegitimate and legitimate drug markets It explores the motives and drivers of those involved in drug supply and dispels common and stereotypical myths and misconceptions surrounding illegal drug markets and those who operate within them The drug dealer has become one of our foremost contemporary folk devils Those who trade in substances prohibited by law are the subject of array of inaccurate myths and urban legends Criminology has tended either to shoehorn drug dealers into neat typologies or portray them as victims of an uncaring predatory post modern society In reality we know relatively little about the complex and diverse world of drug markets and our concentration inevitably falls on low end retail dealers who operate in the most visible sectors of the illegal economy Bringing together an international group of experts this book considers perspectives from around the world including UK USA South America Spain India and Australia This book will be of interest to students and researchers across criminology law sociology criminal justice and public health and will be essential reading for those taking courses on drugs drug markets and substance misuse

Bob Marley Chris Salewicz, 2014-04-08 A journalist s access to the music icon gives this account an authenticity that sets the book apart from other biographies about the man and the legend Steve Richards The Independent The man who introduced reggae to a worldwide audience Bob Marley was a hero figure in the classic mythological sense From humble beginnings with talent and religious belief his only weapons the Jamaican recording artist applied himself with unstinting perseverance to spreading his prophetic musical message across the globe In 1980 on tour Bob Marley and the Wailers played to the largest audiences a musical act had ever experienced in Europe Less than a year

later Marley would die only thirty six years old Sales of Marley s albums before his death were spectacular in the years since he died they have been phenomenal Chris Salewicz interviewed Bob Marley in Jamaica in 1979 Now for the first time in this thorough detailed account of Marley s life and the world in which he grew up and which he came to dominate Salewicz brings to life not only the Rastafari religion and the musical scene in Jamaica but also the spirit of the man himself Interviews with dozens of people who knew Marley and have never spoken before are woven through the narrative as Salewicz seeks to explain why Marley has become such an enigmatic and heroic figure loved by millions all over the world As gritty entertaining and starry eyed as Marley himself Publishers Weekly The definitive account of the man and the myth Steve Richards The Independent Salewicz invades and illuminates Marley s privacy more effectively than previous biographers Robert Sandall The Sunday Times London Managing Insecurity Gordon Peake, Eric Scheye, Alice Hills, 2013-09-13

Effective peacebuilding in the aftermath of civil war usually requires the deep reform of security institutions a process frequently known as security sector reform Nearly every major donor as well as a growing number of international organizations supports the reform of security organizations in countries emerging from conflict and suffering high levels of violence But how are reform strategies implemented This collection of nine case studies examines the strategies methods and practices of the policy makers and practitioners engaged in security sector reform uncovering the profound conceptual and practical challenges encountered in transforming policy aspiration into practice This book was previously published as a special issue of Civil Wars **The Routledge International Handbook of Globalization Studies** Bryan

Turner, 2013-01-11 The Routledge International Handbook of Globalization Studies offers students clear and informed chapters on the history of globalization and key theories that have considered the causes and consequences of the globalization process There are substantive sections looking at demographic economic technological social and cultural changes in globalization The handbook examines many negative aspects new wars slavery illegal migration pollution and inequality but concludes with an examination of responses to these problems through human rights organizations international labour law and the growth of cosmopolitanism There is a strong emphasis on interdisciplinary approaches with essays covering sociology demography economics politics anthropology and history The Handbook written in a clear and direct style will appeal to a wide audience The extensive references and sources will direct students to areas of further study

The KINGSTON KINGPINS How a Powerful Mobster Brought the Jamaican Government Down Allan

Tomlinson, 2016-08-17 **World Wide Weed** Tom Decorte, 2016-02-11 For the majority of its history the cultivation of cannabis did not stand out at least compared to the cultivation of other illegal plants Cannabis plantations like coca bush or opium poppy plantations were typically large in size grown by local farmers in a handful of developing producing countries processed and then exported to industrial consuming nations While cocaine and heroin are still produced in a handful of developing countries cannabis cultivation is increasingly universal From Europe to the Americas and Oceania import

substitution in cannabis markets has been noticed in almost every developed country around the world with a notable aversion for discrimination Geographical technological cultural and economic factors help to explain why indoor and outdoor domestic cultivation is well established and why the nature and extent of cultivation varies so dramatically across the western developed nations As we start the second decade of the 21st century the new cannabis industry continues to fascinate both casual and academic observers of the drug scene Researchers around the world have become increasingly interested in the phenomenon aiming to describe and potentially explain the rapid switch from importation to domestic production in their own countries In bringing together some of the world s leading experts on cannabis cultivation this book contains sixteen chapters that take an interdisciplinary look at global trends in cannabis cultivation It will serve as an exemplar for wider discussions of key theories and concepts relating to the spread not just of cannabis cultivation but also of illegal markets more generally the actors that operate within these markets and the policies and practices that are employed in response to developments within these markets
