**Through the Eyes of a Sheep** Pamela Rene Anders Cook, 2024-11-13 2 Through the Eyes of a Sheep reveals things that surrounded me on my Christian walk from the past to the present things that had the power to dull the hearing and take away the sight of someone from the promises of God I believe the role of spiritual shepherds who are leading God s people is vital in the body of Christ especially in times such as these When I reviewed the characteristics of a natural sheep I discovered that a sheep depends heavily on its vision They have excellent peripheral vision and can see behind them without turning their heads However they have poor depth perception which means they cannot see immediately what s in front of

their noses So the voice of a shepherd is what they depend on when moving from one direction to another I believe this applies to us today as believers in the body of Christ We congregated and became very familiar with our surroundings but do we really know if we are headed in the direction God has planned for our lives based on what we are hearing from the shepherds that stand before us In John 10 27 Jesus said My sheep hear my voice and I know them and they follow me When a true shepherd is hearing from Jesus then the sheep will be safe and protected by the Word of God Your future is not based on the steps from your past but the steps you take in your present Pamela Rene Anders Cook      **Popular Commentary of the Bible: Old Testament : the poetical and the prophetic books** Paul Edward Kretzmann, 1922      **The Essential Andrew Murray Collection** Andrew Murray, 2021-07-06 Three Classic Andrew Murray Books in One Wisdom Filled Volume The powerful writings of Andrew Murray the nineteenth century minister and author still inspire today In Humility Murray calls all Christians to turn from pride empty themselves and study the character of Christ who will then fill them with His grace It is often called the best work ever written on the topic Abiding in Christ invites you to listen to words from Scripture read a daily meditation pray and surrender yourself anew to Christ This thirty one day devotional is as timely now as it was in 1895 when it was first published Living a Prayerful Life outlines the way to overcome prayerlessness which Murray believed was the greatest roadblock to spiritual growth He offers inspiring and practical guidelines for becoming a prayer warrior including examples from the prayer lives of the apostle Paul George Muller and Hudson Taylor The wisdom in these pages will encourage and equip you to live a life of humility surrender and prayer bringing you closer to the One who created you and longs to be with you Each title in this collection has been edited for today's reader      **Why Women Act Foolish** Veronica Bee, 2019-12-03 Why Women Act FOOLISH Every wise woman buildeth her house but the FOOLISH plucketh it down with her hands Prov 14 1 The proverbial question Why Women Act Foolish I'm sure we can come up with many reasons why women act foolish However have you ever heard a woman complain about the following Broken promises Let downs Giving up Carrying the load Taking the lead Being the Provider Being worried Being out of place Giving everything If you have heard one or all then you need to read this book Prepare yourself Why Women Act Foolish is about to reveal to you how to turn around your relationship Give this book the opportunity to enrich your heart and open your mind to areas of your life untouched in the past You are about to enter into your future with a different outlook on life As you receive the teachings of this book you will experience a great change that will cause change in your family Get ready to discover new ways to build your house
