If Chins Could Kill Bruce Campbell, 2025-08-22 If Chins Could Kill Confessions of a B Movie Actor Here we are together in the digital universe Somehow you've clicked yourself to this page If you came here of your own free will and desire you and I are going to get along just fine Life is full of choices Right now yours is whether or not to download the autobiography of a mid grade kind of hammy actor Am I supposed to know this guy you think to yourself No and that's exactly the point You can download a terabyte of books about famous actors and their high falootin shenanigans I don't want to be a spoilsport but we've all been down that road before Scroll down to that Judy Garland biography You know plenty about her already great voice troubled life Scroll down a little further to the Charlton Heston book Same deal You know his story too great voice troubled toupee The truth is that though you might not have a clue who I am unless you watch cable very late at night there are countless working stiffs like me out there grinding away every day at the wheel of fortune If Chins

Could Kill Confessions of a B Movie Actor documents my time in blue collar Hollywood where movies are cheap the hours are long and the filmmaking process can be very personal To keep up with the times I've digitized Chins It was originally published in hardcover analog fifteen years ago which is a vast amount of time in the evolution of books and technology and it was time to get current The advance of technology is great for a book like this which is jammed full of pictures When it came out originally the photographs all had to be black and white and moderately sized on the page Now any photo that was originally taken in color can strut its stuff Overall the resolution of the images is off the charts better than the first go around This is one sequel that I'm happy to be a part of since we could make so many technical improvements The process was very similar to restoring an old movie Since I knew that it was going to be reissued I also had a look at the story being told and decided to condense move or clarify some chapters all or in part I also tried to add a hint of historical context since it has been a decade and a half since Chins first came out I hope you enjoy it Regards Bruce Campbell **The Wrong Wong**

Patrick Leong, 2013-05-13 The unthinkable is about to erupt in a small sleepy town in New Hampshire James Wong video game extraordinaire and unrelenting prankster went back to his hometown to attend a high school friends funeral While there due to a case of mistaken identity he was asked to serve as the towns temporary doctor Unable to reject the idea of such a delicious ruse not to mention the high daily pay and the girl of his dream right there in town he gladly accepted the position There is only one problem hes not a real doctor Wong is consumed by all the intricacies of a day to day medical practice He has discovered the fabrics and the laces of the interpersonal emotions which he has so overlooked over the years Among friends and foes from his youthful years hes pulling off the scam seamlessly Just when he settles into that delicate role of a great healer in town disaster strikes FBI Special Agent Harry Bernard knows all about Wongs false identity And to absolve such an offense Wong is pressured into checking out a potential al Qaeda terrorist in town Antar Hannan is coming to the clinic as a first time patient Wong will need to somehow look for a hidden scar to confirm one of the worlds most wanted terrorists During the investigation an extremely sinister plot is uncovered Aside from a personal vendetta Antar is planning to assassinate the Democratic Presidential nominee so as to incite civil unrest in the United States In the end Wong is being hunted by both the towns overzealous sheriff and the ruthless terrorist Antar Hannan The seemingly benign hoax is now crashing down on Wong Will he get to live another day Makin' Toons Allan Neuwirth, 2007-04-02 From the first

Steven Spielberg Joseph McBride, 2011-01-04 Until the first edition of *Steven Spielberg: A Biography* was published in 1997, much about Spielberg's personality and the forces that shaped it had remained enigmatic, in large part because of his tendency to obscure and mythologize his own past. But in this first full-scale, in-depth biography of Spielberg, Joseph McBride reveals hidden dimensions of the filmmaker's personality and shows how deeply personal even his most commercial work has been. This new edition adds four chapters to Spielberg's life story, chronicling his extraordinarily active and creative period from 1997 to the present, a period in which he has balanced his executive duties as one of the partners in the film studio DreamWorks SKG with a remarkable string of films as a director. Spielberg's ambitious recent work, including *Amistad*, *Saving Private Ryan*, *A.I. Artificial Intelligence*, *Minority Report*, *The Terminal*, and *Munich*, has continually expanded his range, both stylistically and in terms of adventurous, often controversial subject matter. *Steven Spielberg: A Biography* brought about a reevaluation of the great filmmaker's life and work by those who viewed him as merely a facile entertainer. This new edition guides readers through the mature artistry of Spielberg's later period, in which he manages, against considerable odds, to run a successful studio while maintaining and enlarging his high artistic standards as one of America's most thoughtful, sophisticated, and popular filmmakers.
