Relentless Progress Jack Zipes,2013-02-01 Can fairy tales subvert consumerism Can fantasy and children s literature counter the homogenizing influence of globalization Can storytellers retain their authenticity in the age of consumerism These are some of the critical questions raised by Jack Zipes the celebrated scholar of fairy tales and children s literature In this book Zipes argues that despite a dangerous reconfiguration of children as consumers in the civilizing process children s literature fairy tales and storytelling possess a uniquely powerful even fantastic capacity to resist the relentless progress of negative trends in culture He also argues that these tales and stories may lose their power if they are too diluted by commercialism and merchandising Stories have been used for centuries as a way to teach children and adults how to see the world as well as their place within it In Relentless Progress Zipes looks at the surprising ways that stories have influenced people within contemporary culture and vice versa Among the many topics explored here are the dumbing down of books for children the marketing of childhood the changing shape of feminist fairy tales and why American and British children aren t exposed to more non western fairy tales From picture books to graphic novels from children s films to video games from Grimm s fairy tales to the multimedia Harry Potter phenomenon Zipes demonstrates that while children s stories have changed greatly in recent years much about these stories have remained the same despite their contemporary high tech repackaging Relentless Progress offers remarkable insight into why classic folklore and fairy tales should remain an important part of the lives of children in today s digital culture **The Children's Buyer's Guide** ,2007 The Publishers Weekly ,2008

Forecast Veronis Suhler Stevenson,2005 *School Library Journal* ,2005 *Steven Spielberg* Joseph McBride,2011-01-04
 Until the first edition of *Steven Spielberg A Biography* was published in 1997 much about Spielberg s personality and the forces that shaped it had remained enigmatic in large part because of his tendency to obscure and mythologize his own past But in this first full scale in depth biography of Spielberg Joseph McBride reveals hidden dimensions of the filmmaker s personality and shows how deeply personal even his most commercial work has been This new edition adds four chapters to Spielberg s life story chronicling his extraordinarily active and creative period from 1997 to the present a period in which he has balanced his executive duties as one of the partners in the film studio DreamWorks SKG with a remarkable string of films as a director Spielberg s ambitious recent work including *Amistad* *Saving Private Ryan* *A.I. Artificial Intelligence* *Minority Report* *The Terminal* and *Munich* has continually expanded his range both stylistically and in terms of adventurous often controversial subject matter *Steven Spielberg A Biography* brought about a reevaluation of the great filmmaker s life and work by those who viewed him as merely a facile entertainer This new edition guides readers through the mature artistry of Spielberg s later period in which he manages against considerable odds to run a successful studio while maintaining and enlarging his high artistic standards as one of America s most thoughtful sophisticated and popular filmmakers **The New Yorker** Harold Wallace Ross,William Shawn,Tina Brown,David Remnick,Katharine Sergeant Angell White,Rea Irvin,Roger Angell,2004-05 *The Horn Book Guide to Children's and Young Adult Books* ,2007 Houghton Mifflin Reading Series Houghton Mifflin Company,2003 The Houghton Mifflin Reading Series models a progressive unified approach to improving reading comprehension and critical thinking skills By pairing skills and strategies with paragraphs and short selections the series introduces each new concept in context The readings represent a diverse range of sources including textbooks magazines and literature a sound framework for students to practice applying new skills and strategies Eduspace is Houghton Mifflin s online learning tool Powered by Blackboard Eduspace is a customizable powerful and interactive platform that provides instructors with text specific online courses and content in multiple disciplines HM Reading Series features include homework and cumulative pre and post tests
