**Law's Dominion** Jay R. Berkovitz, 2019-11-26 In Law s Dominion Jay Berkovitz offers a novel approach to the history of early modern Jewry Set in the city of Metz on the Moselle river this study of a vibrant prerevolutionary community draws on a wide spectrum of legal sources that tell a story about community religion and family that has not been told before Focusing on the community s leadership public institutions and judiciary this study challenges the assumption that Jewish life was in a steady state of decline before the French Revolution To the contrary the evidence reveals a robust community that integrated religious values and civic consciousness interacted with French society and showed remarkable signs of collaboration between Jewish law and the French judicial system In Law s Dominion Jay Berkovitz has gathered and meticulously mined a dazzling array of rich and complex rabbinic texts and records from Western Europe during the early modern period including the pinkas of the rabbinic court of Metz that he previously rescued from oblivion What emerges is a remarkably fresh depiction and incisive comparative treatment of central aspects of Jewish law religion and family which will have far reaching ramifications for all future studies in these disciplines Ephraim Kanarfogel E Billi Ivry University Professor of Jewish History Literature and Law at Yeshiva University     The Oxford Handbook of the Jewish Diaspora Hasia R. Diner, 2021-11-05 For as

long as historians have contemplated the Jewish past they have engaged with the idea of diaspora Dedicated to the study of transnational peoples and the linkages these people forged among themselves over the course of their wanderings and in the multiple places to which they went the term diaspora reflects the increasing interest in migrations trauma globalism and community formations The Oxford Handbook of the Jewish Diaspora acts as a comprehensive collection of scholarship that reflects the multifaceted nature of diaspora studies Persecuted and exiled throughout their history the Jewish people have also left familiar places to find better opportunities in new ones But their history has consistently been defined by their permanent lack of belonging This Oxford Handbook explores the complicated nature of diasporic Jewish life as something both destructive and generative Contributors explore subjects as diverse as biblical and medieval representations of diaspora the various diaspora communities that emerged across the globe the contradictory relationship the diaspora bears to Israel and how the diaspora is celebrated and debated within modern Jewish thought What these essays share is a commitment to untangling the legacy of the diaspora on Jewish life and culture This volume portrays the Jewish diaspora not as a simple unified front but as a population characterized by conflicting impulses and ideas The Oxford Handbook of the Jewish Diaspora captures the complexity of the Jewish diaspora by acknowledging the tensions inherent in a group of people defined by trauma and exile as well as by voluntary migrations to places with greater opportunity

Handbook of Economic Growth Philippe Aghion, Steven Durlauf, 2013-12-20 Volumes 2A and 2B of The Handbook of Economic Growth summarize recent advances in theoretical and empirical work while offering new perspectives on a range of growth mechanisms from the roles played by institutions and organizations to the ways factors beyond capital accumulation and technological change can affect growth Written by research leaders the chapters summarize and evaluate recent advances while explaining where further research might be profitable With analyses that are provocative and controversial because they are so directly relevant to public policy and private decision making these two volumes uphold the standard for excellence in applied economics set by Volumes 1A and 1B 2005 Offers definitive theoretical and empirical scholarship about growth economics Empowers readers to evaluate the work of other economists and to plan their own research projects Demonstrates the value of empirical testing with its implicit conclusion that our understanding of economic growth will help everyone make better decisions **New**

**Perspectives on Jewish-Christian Relations** Elisheva Carlebach, Jacob J. Schacter, 2011-11-25 The delicate balance between toleration and repulsion of the Jews a tiny minority living within the Christian world stands at the center of studies of religion and society The development of this difficult relationship on many levels theological institutional and individual is a matter of continuing relevance in religious history from ancient to contemporary contexts This volume written by the leading scholars of Jewish Christian engagement seeks to revisit the question in light of new sources and re readings of older sources The old view of two implacable enemies battling for their version of truth of Jews living as insular pariahs within a hostile world the tale of persecution by the mighty of the weak has given way to a much more nuanced understanding of

areas of congruence of cultural economic and social interchange The volume examines changes in the Christian posture toward the Jews occurring in a time and place of tremendous cultural and religious creativity in Western European society It seeks to understand how Jews integrated elements of Christian culture into their own The volume spans some of the key turning points in the Jewish Christian relationship and re examines critical texts religious disputations and cultural interactions

**Body, Self and Melancholy** Siglinde Clementi, 2023-09-01 This book addresses early modern concepts of the body and the self focussing on three self narratives authored by the nobleman Osvaldo Ercole Trapp 1634 1710 a body description from head to foot autobiographical writings and a brief chronicle of the House of Trapp Caldonazzo Approaching the complex theme of the question of the early modern self and the historical body this book intertwines consistent contextualisation and historicisation of self interpretation and biography This is done in three steps first the content and function of these self narratives are analysed with reference to current research on early modern self narratives In a second step the life and family history of Osvaldo Ercole Trapp are examined from a microhistorical perspective and placed within the context of the early modern history of Tyrol s nobility A third step then goes into detail on individual contexts and discourses that refine one s comprehension of these self narratives noble masculinity family house and line theories of procreation and education body experience and body images It combines textual analysis historical anthropology with a strong gender historical perspective microhistory and the history of the body as a history of experience and discourse With this approach the study makes an innovative contribution to early modern studies on self narratives social history of early modern nobility and the history of the body as the history of experience and discourse This volume will be of interest to students and scholars alike interested in intellectual social and cultural history

**On the Word of a Jew** Nina Caputo, Mitchell B. Hart, 2019-01-14 Fourteen essays examining the dynamics of trust and mistrust in Jewish history from biblical times to today What if anything does religion have to do with how reliable we perceive one another to be When and how did religious difference matter in the past when it came to trusting the word of another In today s world we take for granted that being Jewish should not matter when it comes to acting or engaging in the public realm but this was not always the case The essays in this volume look at how and when Jews were recognized as reliable and trustworthy in the areas of jurisprudence medicine politics academia culture business and finance As they explore issues of trust and mistrust the authors reveal how caricatures of Jews move through religious political and legal systems While the volume is framed as an exploration of Jewish and Christian relations it grapples with perceptions of Jews and Jewishness from the biblical period to today from the Middle East to North America and in Ashkenazi and Sephardi traditions Taken together these essays reflect on the mechanics of trust and sometimes mistrust in everyday interactions involving Jews Highly readable and compelling this volume marks a broadly significant contribution to Jewish studies through the underexplored dynamic of trust Rebekah Klein Pej ov author of Mapping Jewish Loyalties in Interwar Slovakia An exemplary compendium on how to engage with a

major concept trust while providing load of gripping new information new theorization of otherwise well covered material and meticulous attention to textual and sociological sources Gil Anidjar author of Blood A Critique of Christianity

**Administrating Kinship: Marriage Impediments and Dispensation Policies in the 18th and 19th Centuries**

Margareth Lanzinger,2023-05-08 From the late eighteenth century more and more men and women wished to marry their cousins or in laws This aim was primarily linked to changes in marriage concepts which were increasingly based on familiarity Wealthy as well as economically precarious households counted on related marriage partners Such unions however faced centuries old marriage impediments Bridal couples had to apply for a papal dispensation This meant a hurdled lengthy and also expensive procedure This book shows that applicants in four dioceses Brixen Chur Salzburg and Trent took very different paths through the thicket of bureaucracy to achieve their goal How did they argue their marriage projects How did they succeed and why did so many fail Tenacity often proved decisive in the end
