Si Ca Sonne Ca Saigne:

Trésors de la bande dessinée Michel Béra, Michel Denni, Philippe Mellot, 1984 *Trésors de la bande dessinée* , 2001
 , **Si ça sonne, ça saigne** Violeff, 1982 *The Skin of Dreams* Raymond Queneau, 2024-01-30 In this delightful cinema inspired daydream of a novel an identity shifting protagonist uses the everyday inspirations of his life to catapult himself into the realm of imagination blurring the boundaries between reality and fantasy The Skin of Dreams is a novel of waking dreams Even as he lives his life Jacques L Aum ne its hero daydreams a hundred other possible lives A few lines on a page a chance encounter a remark overheard in passing any of these are enough to kick things into gear and send him off outside of himself to become a boxer a general a bishop or a lord He lives alongside his life with diligence and steadfastness and the passage from real to dream is so natural for him that he no longer knows precisely which him he is Eventually he becomes an actor in Hollywood and the basis of countless dreams for others This Jacques L Aum ne like the characters who surround him has the same sort of haunting and fluid consistency as someone that we might dream of in our beds at night And reverie here is born through the tale s humor which is as gentle as it is cruel as well as by way of a writing technique that is itself drawn from one of Queneau s great loves the cinema Si ça sonne, ça saigne Jacques Violeff, 1985
