CHAPTER XI EXILE BY ADMINISTRATIVE PROCESS THE colony of political exiles in Ust Kamenogorsk was the last one that we saw in the steppe territories and it seems to me desirable before proceeding with the narrative of our Siberian journey to describe more fully and carefully the particular form of punishment that these offenders were undergoing a form of punishment that is known in Russia as exile by administrative process Exile by administrative process means the banishment of an obnoxious person from one part of the empire to another without the observance of any of the legal formalities that in most civilized countries precede the deprivation of rights and the restriction of personal liberty The obnoxious person may not be guilty of any crime and may not have rendered himself amenable in any way to the laws of the state but if in the opinion of the local authorities his presence in a particular place is prejudicial to public order or incompatible with public tranquillity he may be arrested without a warrant may be held from two weeks to two years in prison and may then be removed by force to any other place within the limits of the empire and there be put under police surveillance for a period of from one year to ten years He may or may not be informed of the reasons for this summary proceeding but in either case he is perfectly helpless He cannot examine the witnesses upon whose testimony his presence is declared to be prejudicial to public order He cannot summon friends to prove his loyalty and good character without great risk of bringing upon them the same calamity that has befallen him He has no right to demand a trial or even a hearing He cannot sue out a writ of habeas corpus He cannot appeal *Siberia and the Exile System* ,1958 [Siberia and the Exile System](#) ,1891 **Siberia and the Exile System** George Kennan,HardPress,2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **Siberia and the Exile System** George Kennan (Reisender, Journalist),1891 **Siberia and the Exile System, Vol. 2 (Classic Reprint)** George Kennan,2017-10-28 Excerpt from *Siberia and the Exile System* Vol 2 I was so nearly paralyzed with astonishment at this wholly unexpected greeting that for a moment I could hardly re ply but I managed to thank him and ask him to take a seat We had a pleasant chat of ten minutes with regard to the roads the weather our Siberian experiences the changed appearance of Irkutsk etc and then Captain makofski said I understand that you are interested among other things in prisons and the exile system I think you will find the city prison here in good condition I will send some one to show you through it and I will not forewarn the prison officers that you are coming you Shall see it just as it is every day About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important
