Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies      *Merleau-Ponty's Existential Phenomenology and the Realization of Philosophy* Bryan A. Smyth, 2013-12-19 Bringing to light the essential philosophical role of Marxism within Merleau Ponty s reinterpretation of transcendental phenomenology this book shows that the realization of this project hinges methodologically upon a renewed conception of the proletariat qua universal class specifically that it rests upon a humanist myth of incarnation which substantiated by Merleau Ponty s notion of heroism locates an objective historical purposiveness in the habituated organism of the modern subject Foregrounding the phenomenological priority of history over corporeality in this way Smyth s analysis recovers the militant character of Merleau Ponty s existential phenomenology It thus sheds critical new light on his early thought and challenges some of the main parameters of existing scholarship by disclosing the intrinsic normativity of his basic methodological commitments      *The Christian's Complete Family Bible ... *The Ma'asé-Ester. A Judeo-Provençal poem about Queen Esther* Erica Baricci,2022-04-19 The Ma as Ester Esther s affairs is a 14th century Judeo Proven al poem on the story of Esther intended for a recital during the banquet for Purim The short poem recently discovered in the single manuscript that preserves it is a new precious document that enriches a small corpus of medieval Judeo Proven al texts This book offers the first critical edition of the complete text accompanied by a detailed study of the sources and the language It guides us in understanding why the story of Esther became such a popular theme in 14th century Provence and in what way the Avignon Papacy and the studies on Moses Maimonides influenced this literary novelty
