Feldman,2024-03-15 Judaism in the twenty first century has seen the rise of the messianic Third Temple movement as religious activists based in Israel have worked to realize biblical prophecies including the restoration of a Jewish theocracy and the construction of the third and final Temple on Jerusalem s Temple Mount Through groundbreaking ethnographic research Messianic Zionism in the Digital Age details how Third Temple visions have gained considerable momentum and political support in Israel and abroad The role of technology in this movement s globalization has been critical Feldman skillfully highlights the ways in which the internet and social media have contributed to the movement s growth beyond the streets of Jerusalem into communities of former Christians around the world who now identify as the Children of Noah Bnei Noah She charts a path for future research while documenting the intimate effects of political theologies in motion and the birth of a new transnational Judaic faith Centers of Power Joseph H. Berke,Stanley R. Schneider,2008-01-22 Kabbalah and psychoanalysis are conceptions about the nature of reality The former is over two thousand years old The latter has been formalized less than a hundred years ago Nonetheless they are parallel journeys of discovery that have forever altered not only what we see but the very nature of seeing itself The domain of Kabbalah is the spiritual and material macrocosm In contrast the concern of psychoanalysis is the microcosm the innermost recesses of the human mind However both are convergent and complementary theories Kabbalah asserts as above so below meaning the Godhead the source of everything is reflected in the smallest details of existence Similarly psychoanalysis traces the evolution from inner objects to family feuds and social fields More than theories however Kabbalah and psychoanalysis test the limits of direct experience They are contemplative meditative and introspective methods for restoring shattered worlds and fragmented lives These are material as well as spiritual entities which have been separated from their source on one hand the Godhead and on the other personal praxis The purpose of this study is to explore how Kabbalah and psychoanalysis converge and diverge complement and conflict with each other in order to amplify their impact and enable mankind to gain a greater understanding of reality **Le-’ela** ,1999 *To Love a Fellow Jew* Nissan Dovid Dubov,1999 Subject Guide to Books in Print ,1991
