Rethinking Knife Crime Elaine Williams, Peter Squires, 2021-10-01 This critical textbook looks beyond the immediate data on knife crime to try and make sense of what is a global phenomenon Yet it especially explores why the UK in particular has become so preoccupied by this form of interpersonal often youthful violence The book explores knife crime in its global and historical context and examines crime patterns including the second wave of knife crime in Britain It then incorporates new empirical data to explore key themes including police responses popular narratives and the various interests benefiting from the knife crime industry It captures the voices of those impacted by knife crime including young people community leaders and youth work practitioners Drawing on criminology sociology cultural studies and history the book argues that the problem is firmly located at the intersection of a series of concerns about class race gender and generation that are a product

of British history and its global past It seeks to trace the several roots of the contemporary knife crime epidemic ultimately to propose newer and alternative strategies for responding to it It encourages a critical engagement with this subject with the inclusion of some learning exercises for undergraduate students and above in the the social sciences whilst also speaking to researchers policy makers and practitioners

The Doom of Odin Scott Oden,2023-12-19 As the Black Death rampages across Europe two creatures of the Elder World clash over the rotting corpse of Christendom in Scott Oden s third book in the Grimnir Series Skr lingr Orcn as Fomoraig He is Grimnir For over a century he has tracked the dragon N h ggr the Malice Striker from the shores of Lake V nern across the Baltic Sea through Russia and down into the Mediterranean he has hounded the wyrm from Old Muscovy to Messina And finally to the Eternal City to Rome itself And in Rome on a cold November night in 1347 AD on the ruined steps of Old St Peter s basilica Grimnir s saga comes crashing to an end A crossbow bolt loosed in terror slays him out of hand It is a mundane finale to a life spent hip deep in bloodshed and slaughter surrounded by steel and savagery and the sorcery of the Elder World But Death is just the beginning Now on the grim and misty isle of N strond under the shadows of Ygg rasil Grimnir is plunged headlong into the twisted Valhalla that is the afterlife of his people Here bloody in fighting schemes and betrayals are the order of the day Grimnir is forced to contend with a cabal of witches with giants and trolls who have never felt the light of Mi gar r s moon and with his own rapacious kin as he journeys beyond the shores of N strond to find answers

Brand, Jr.** Eva Fischer-Dixon,2017-12-30 Marion Brand Jr was a twenty year old preacher who inherited his fathers revival ministry after a horrific childhood that left him psychologically scarred for life He was an incredibly handsome and charismatic young man who had a great effect on people who surrounded him and who attended his revival sessions primarily young women and girls When a young woman Helen McCarthy was brought to his luxurious trailer for the first time in his life Marion fell head over heels in love and would do anything to keep her to himself After moving to a new location in Oklahoma and setting up his large tent to conduct revival sermons some of his staff members who were former convicts attracted the polices attention as on several locations where the revival personnel stayed for a month at a time young girls began to disappear never to be seen again His life was

entangled with two families own tragedies his caravans cook once a famous chef Sara Weinstein and a former mob hitman Giovanni Mano Rossa who was investigating the disappearance of his two youngest daughters Preacher Brand Jr soon began to question his own sanity and the loyalty of the people with whom he surrounded himself and who would cover up all his horrific secrets Just how far would a grieving father go to find out the truth about his daughters If only Preacher Brand could figure out if his nightmares were real or just bad dreams he would not have to worry about his future but things are not as they may have seemed *St. Nicholas* Mary Mapes Dodge,1882 **Inland Printer, American Lithographer** ,1914
