Sicily An Informal History:

Sicily Peter Sammartino, William Roberts, 2001 This work covers the extensive and varied history of the island of Sicily from the pre historic period to the present Sicily is a microcosm of the whole of Western and Mediterranean history a place where more than five thousand years of history can be seen in a concentrated and accessible area There are vivid descriptions of the island s varied historic sites such as the prehistoric remains of the Neolithic age the dramatic ruins of the Greek temples and theaters the Roman villas and amphitheaters and more Finally the dramatic periods of the Napoleonic Wars and the Risorgimento the birth of the modern Italian nation are described here in relation to the island s history as are the events that led to Sicily s emergence into the modern industrial world The book includes two appendices comprising a timeline of the long and varied course of Sicilian history and a travel itinerary covering the full extent of the island and noting the many historic cities and sites described in each chapter BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Crossroads Of The Mediterranean Dick Rosano, 2021-12-23 To Luca the story of Sicily was like an old movie made modern From black and white to sepia and then to color the old man Vito s narration of the island s ancient history kept Luca spellbound Originally a trip to his parents homeland Luca s journey was now one of a deeper history in which the Roman dominion over the island was converted by invasions of Byzantines Muslims Normans French Aragonese Bourbons and even the forces of North America From the time of Julius Caesar to the present day the history of Sicily is the history of Western Civilization Crossroads of the Mediterranean takes the reader on the journey with Luca in discovering the roots of this true melting pot the island in the Middle Sea Crossroads of the Mediterranean is preceded by Islands of Fire which chronicles the history of Sicily from its volcanic origins millions of years ago to the Slave Wars of the 1st century B C E

The Arab Uprisings Eberhard Kienle, Nadine Sika, 2015-06-22 The uprisings which spread across the Middle East and North Africa in late 2010 and 2011 irrevocably altered the way in which the region is now perceived But in spite of the numerous similarities in these protests from Tunisia and Egypt to Yemen and Bahrain their broader political effects display important differences This book analyses these popular uprisings as well as other forms of protest and the impact they had on each state Why were Mubarak and Bin Ali ousted relatively peacefully in Egypt and Tunisia while Qaddafi in Libya and Saleh in Yemen fought violent battles against their opponents Why do political transformations differ in countries that were able to shed their autocratic presidents And why have other regimes including Morocco and Saudi Arabia experienced only limited protests or managed to repress and circumvent them Looking at the aftermath and transitional processes across the region this book is a vital retrospective examination of the uprisings and how they can be understood in the light of state formation and governmental dynamics

The Sicily Chronicles Dick Rosano, 2023-04-03 Both books in Dick Rosano s Sicily Chronicles a series of historical fiction set in Italy now in one volume Islands Of Fire Luca travels to Sicily in search of his family roots and meets Vito who takes him back in time to when the island was settled by seafaring

people fought over by warring tribes and invaders From Anu and Baia s arrival 11 000 years ago to Telia and Sapira s agricultural revolution Sicily s history is rich and diverse with the Sicani Elymi and Siculi tribes settling the island 3 000 years ago Through invasions by Arabs Greeks Carthaginians and Romans the reader journeys through the volcanic origins of the island to the era of the Roman Empire Islands of Fire explores the role of Sicily a waystation in the Middle Sea at the heart of western history Crossroads Of The Mediterranean Luca s journey to his parents homeland in Sicily becomes a deep exploration of the island s rich and diverse history from Roman dominion to invasions by Byzantines Muslims Normans French Aragonese Bourbons and even the forces of North America Crossroads of the Mediterranean takes the reader on this journey chronicling the roots of this true melting pot the island in the Middle Sea from the time of Julius Caesar to the present day

Under the Southern Sun Paul Paolicelli,2014-04-22 Recently there has been a seemingly endless stream of books praising the glories of ancient and modern Rome fretting over Venice s rising tides and moldering galleries celebrating the Tuscan countryside wines and cuisine But there have been curiously few writings that deal directly with Italy as the country of origin for the grand and great grandparents of nearly twenty six million Americans The greatest majority more than eight out of ten of those American descendants of immigrant Italians aren t the progeny of Venetian doges or Tuscan wealth but are the diaspora of

Southern Italians people from a place very different than Renaissance Florence or the modern political entity of Rome Southern Italians mostly from villages and towns sprinkled about the dramatic and remote countryside of Italian provinces even now tourists find only with determination and rental cars In Under the Southern Sun Stories of the Real Italy and the Americans It Created journalist Paul Paolicelli takes us on a grand tour of the Southern Italy of most Italian American immigrants including Calabria Basilicata Puglia Sicily Abruzzo and Molise and explores the many fascinating elements of Southern Italian society history and culture Along the way he explores the concept of heritage and of going back to one's roots the theory of a cultural subconscious and most importantly the idea of a Southern Italian sensibility where it comes from how it has been cultivated and how it has been passed on from generation to generation Amidst the delightful blend of travelogue and journalism are wonderful stories about famous Southern Italian Americans most notably Frank Capra and Rudolph Valentino who were forced to leave their homeland and to adjust adapt and survive in America He tells the story of the only large concentration camp built and run by the Fascists during World War II and of the humanity of the Southerners who ran the place He visits ancient seaside communities once dominated by castles and watchtowers and now bathed in tanning oil and tourists muses over Matera what is probably Europe's oldest and most unknown city and culminates in a fascinating exploration of how one's familial memory can influence his or her internal value system This book is a celebration of Southern Italy its people and what it has given to its American descendants An Informal History of the Chinese Revolution Ikki Kita ,2025-08-25 This is the inaugural English translation of the seminal work of the democratic socialist revolutionary of Japan Ikki Kita entitled An Informal History of the Chinese Revolution Shina Kakumei Gaishi 1915 1916 The work is also known by the appellations Chinese Revolutionary Party and Revolutionary China Shina Kakumeitou oyobi Kakumei no Shina This text presents a chronicle of the initial Chinese revolution followed by the subsequent second and third Chinese revolutions which were observed by Ikki Kita during the years 1911 and 1916 Peter and Sally Sammartino Margherita Marchione,1994 The story of Peter and Sally can be described in three words innovation action accomplishments It took them only 25 years to make Fairleigh Dickinson University the eighth largest privately supported college in the country with an enrollment of 20 000 students FDU stands as a monument to the memory of its founders whose enthusiasm energy and purpose radiated everywhere and affected many lives This loving memorial by students and friends celebrates their untiring selfless devotion to the academic life of our nation Always ready to serve the cause of peace and international friendship Peter and Sally encouraged student exchanges in Europe Africa and Asia With vision and genius they were an unprecedented educational challenge to the world at large Peter and Sally Sammartino contributed to all aspects of education including music art literature nutrition research Whether publishing books to guide college presidents or writing books on William Shakespeare or Christopher Columbus Peter's literary style succeeds in maintaining one's interest Not only did he start the International Association of University Presidents but with Sally he was responsible for initiating the

Borgata Louis Ferrante,2024-01-02 A riveting history of the Mafia from 1860s Sicily to 1960s America as narrated by a former heist expert and Gambino family mobster The mafia has long held a powerful sway over our collective cultural imagination But how many of us truly understand how a clandestine Sicilian criminal organization came to exert its influence over nearly every level of American society In *Borgata Rise of Empire* former mobster Louis Ferrante pulls back the curtain on the criminal organization that transformed America From the potent political cauldron of nineteenth century Sicily to New Orleans New York and the gangster paradise of Las Vegas Ferrante traces the social economic and political forces that powered the mafia s unstoppable rise Ferrante s vivid portrayal of early American mobsters Lucky Luciano Vito Genovese Frank Costello and Meyer Lansky fills in crucial gaps of the mafia narrative to deliver the most comprehensive account yet of the world s most famous criminal fraternity *Borgata Rise of Empire* the first in a three volume epic history is a groundbreaking achievement from a man who has seen it all from the inside In this masterful accomplishment Ferrante takes the reader from the mafia s inauspicious beginnings to the height of their power as the most influential criminal network in the country **Sicily to New Orleans and Beyond** Frank J. III Palisi, Frank Joseph Palisi,2009 The incidents described in this book include the 1890 assassination of the New Orleans Chief of Police David Hennessey the resulting Italian lynchings and the 1906 murder of the seven year old child Walter Lamana The first two incidents were the impetus for the 1999 HBO movie *Vendetta* and the book *The Crescent City Lynchings* by Tom Smith The third incident had the most impact on many of

the families documented in this book The Walter Lamana child killing story has not resurfaced for over a hundred years until now The high profile crimes of the late 1800s and early 1900s typically do not mention the places of origin of the families involved The majority of those involved came from a small town in Sicily named Chiusa Sclafani which is near Corleone situated in the province of Palermo Chiusa Sclafani is not mentioned in the movie Vendetta nor the books covering the incidents and families involved Fifteen years and roughly 60 000 hours of research are included in this book This is one of most uniquely written books seen in centuries and embodies a far reaching and massive amount of documentation For the most part this book is a reference material Included are details of ancestor voyages accounts of major incidents the impacts those incidents had on these families and more There are steamer ship voyages documented for 27 families and for 795 individuals There are 32 family trees presented The Index includes 731 unique surnames and 2948 individuals documented in the family trees presented The early chapters of this book describe the experience of the voyage and American citizenship process for our Sicilian immigrant ancestors the incidents which occurred in New Orleans which caused the massive family dispersions as well as a short description of Chiusa Sclafani and New Orleans The middle chapters contain the steamer ship voyages for many of those who left the island of Sicily and entered America This is the main artery of this book which connects the present to the past and vice versa This chapter will help many people in their research by jumping the ocean a peculiar and meaningful genealogy term The latter chapters of this book include the family descendant trees which span from the earliest ancestors researched in Sicily to the present The first page sometimes more than one page of most of the family chapters includes a short dialogue explaining the familys entrance to America detailing who migrated from Sicily to America migrations from New Orleans to other places many surname spelling changes and more Because the original research focused on the authors own family the Palisi family documentation includes 400 years and 12 complete generations Further the Palisi chapter contains a heraldry entry found in a document dated from the 1500s placenames around the globe where the name Palisi is used and genetic DNA testing results of the Palisi line Frank Palisi chose to include his own familys genetic DNA testing and results in this book since he was inspired by National Geographics and their partner IBM efforts to genetically test the DNA of a sampling of the worlds population to determine how the earth was repopulated after the last Ice Age As a result of this book first second and third cousins can now find out who and where their relatives are after being separated over a hundred years ago This book has attracted and will continue to attract historians genealogists mafia enthusiasts university professors students and more

The Social History of Crime and Punishment in America Wilbur R. Miller, 2012-07-20 Several encyclopedias overview the contemporary system of criminal justice in America but full understanding of current social problems and contemporary strategies to deal with them can come only with clear appreciation of the historical underpinnings of those problems Thus this five volume work surveys the history and philosophy of crime punishment and criminal justice institutions in America from colonial times to the present It covers the whole of the

criminal justice system from crimes law enforcement and policing to courts corrections and human services Among other things this encyclopedia explicates philosophical foundations underpinning our system of justice charts changing patterns in criminal activity and subsequent effects on legal responses identifies major periods in the development of our system of criminal justice and explores in the first four volumes supplemented by a fifth volume containing annotated primary documents evolving debates and conflicts on how best to address issues of crime and punishment Its signed entries in the first four volumes supplemented by a fifth volume containing annotated primary documents provide the historical context for students to better understand contemporary criminological debates and the contemporary shape of the U S system of law and justice

Cosa Nostra: A History of the Sicilian Mafia John Dickie,2015-03-31 The Italian American mafia has its roots in a mysterious and powerful criminal network in Sicily While the mythology of the mafia has been widely celebrated in American culture the true origins of its rituals laws and methods have never actually been revealed John Dickie uses startling new research to expose the secrets of the Sicilian mafia providing a fascinating account that is more violent frightening and darkly comic than anything conceived in popular movies and novels How did the Sicilian mafia begin How did it achieve its powerful grip in Italy and America How does it operate today From the mafia s origins in the 1860s to its current tense relationship with the Berlusconi government Cosa Nostra takes us to the inner sanctum where few have dared to go before This is an important work of history and a revelation for anyone who ever wondered what it means to be made in the mob
