Sickle Side Of The Moon:

The Sickle Side of the Moon Virginia Woolf, 1979 **The Cambridge Companion to Virginia Woolf** Susan Sellers, 2010-02-18 A revised and fully updated edition featuring five new chapters reflecting recent scholarship on Woolf

Uses of Austen Gillian Dow, 2012-08-21 This book focuses on how Austen's life and work is being re framed and re imagined in 20th and 21st century literature and culture Tracing the connections between Modernist Austen in the early C20th and feminist and post feminist appropriations in the later C20th it examines how Austen emerged as a complex point of reference on the global stage Ireland, Revolution, and the English Modernist Imagination Eve Patten, 2022-06-23 This book asks how English authors of the early to mid twentieth century responded to the nationalist revolution in neighbouring Ireland in their work and explores this response as an expression of anxieties about and aspirations within England itself Drawing predominantly on novels of this period but also on letters travelogues literary criticism and memoir it illustrates how Irish affairs provided a marginal but pervasive point of reference for a wide range of canonical authors in England including Wyndham Lewis Virginia Woolf D H Lawrence Graham Greene and Evelyn Waugh and also for many lesser known figures such as Ethel Mannin George Thomson and T H White The book surveys these and other incidental writers within the broad framework of literary modernism an arc seen to run in temporal parallel to Ireland's revolutionary trajectory from rebellion to independence In this context it addresses two distinct aspects of the Irish English relationship as it features in the literature of the time first the uneasy recognition of a fundamental similarity between the two countries in terms of their potential for violent revolutionary instability and second the proleptic engagement of Irish events to prefigure imaginatively the potential course of England's evolution from the Armistice to the Second World War Tracing these effects this book offers a topical renegotiation of the connections between Irish and English literary culture nationalism and political ideology together with a new perspective on the Irish sources engaged by English literary modernism **Shakespeare in**

Bloomsbury Marjorie Garber, 2023-09-26 The untold story of Shakespeare's profound influence on Virginia Woolf and the rest of the Bloomsbury Group For the men and women of the Bloomsbury Group Shakespeare was a constant presence and a creative benchmark Not only the works they intended for publication the novels biographies economic and political writings stage designs and reviews but also their diaries and correspondence their gossip and small talk turned regularly on Shakespeare They read his plays for pleasure in the evenings and on sunny summer afternoons in the country They went to the theater discussed performances and speculated about Shakespeare's mind As poet as dramatist as model and icon as elusive life Shakespeare haunted their imaginations and made his way through phrase allusion and oblique reference into their own lives and art This is a book about Shakespeare in Bloomsbury about the role Shakespeare played in the lives of a charismatic and influential cast including Virginia and Leonard Woolf Vanessa Bell Clive Bell Roger Fry Duncan Grant Lytton Strachey John Maynard Keynes and Lydia Lopokova Keynes Desmond and Molly MacCarthy and James and Alix Strachey All

are brought to sparkling life in Marjorie Garber's intimate account of how Shakespeare provided them with a common language a set of reference points and a model for what they did not hesitate to call genius Among these brilliant friends Garber shows Shakespeare was in effect another if less fully acknowledged member of the Bloomsbury Group Priestley's England John Baxendale, 2007 Priestley's England is the first full length academic study of J B Priestley novelist playwright screen writer journalist and broadcaster political activist public intellectual and popular entertainer one of the makers of twentieth century Britain and one of its sharpest critics This book will appeal to all those interested in the culture and politics of twentieth century Britain in the continuing debates over Englishness to which Priestley made such a key contribution and in the life and work of one of the most remarkable and popular writers of the past century Jacket **Feminisms** Robyn R. Warhol, Diane Price Herndl, 1997 In the landmark 1991 edition of Feminisms Robyn Warhol and Diane Price Herndl assembled the most comprehensive collection of American and British feminist literary criticism ever to be published In this revised edition the editors have updated the volume in keeping with the expanded parameters of feminist literary discourse With the inclusion of more than two dozen new essays along with a major reorganization of the sections in which they appear Warhol and Price Herndl have again established the measure for representing the latest developments in the field of feminist literary theory Believing that the feminist movement can only move forward where difference commands attention not dismissal or negativism they have continued the original collection's mission of providing a multiplicity of perspectives and approaches This anthology contains three new sections Conflict Gaze and Practice and includes more selections by and about women of color and lesbians Aimed at academics and the general public alike this collection is an indispensable guide to the range of practice on campus today in the field of feminist literary criticism **The Tree of Life and the Holy Grail** Sylvia Francke, 2007 Recent works of fiction and popular history have promoted the idea that the Holy Grail symbolizes a physical bloodline that resulted from a union of Jesus Christ and Mary Magdalene It is claimed by some that this is the secret kept tirelessly by certain esoteric movements for the past two millennia Based on her groundbreaking research Sylvia Francke exposes this notion as a blatant misinterpretation of the mystery traditions that preceded and ran parallel to the birth of Christianity She traces the ancient spiritual paths of knowledge from the Cathars the Knights Templar and the enigmatic Rosicrucians to the work of Rudolf Steiner in the twentieth century Here she concludes is true Grail knowledge the Tree of Life and the Holy Grail itself explained in their metaphysical context She suggests a solution to the mystery of sudden wealth and the strange behavior of B renger Sauni re the mysterious priest of Rennes le Ch teau in southern France True Grail knowledge Francke concludes has nothing to do with bloodlines or worldly status rather it is an ancient lifeline to the spiritual origins of creation Its energetic forces radiate out from the Earth and in from the constellations and planets while interacting with human individuals It represents the key to fulfilling humanity's quest and the next step in human evolution The recent explosion of interest in revisionist Christianity history the shadow Grail prompted Sylvia Francke to revise The

Tree of Life and the Holy Grail first published in 1996 The result is a completely reworked and expanded book that offers a powerful and convincing refutation of distorted esoteric truths **The Story of the Moon** Garrett Putman Serviss,1928

The Politics of Penal Reform Anne Logan,2017-10-30 In the context of recent media scrutiny on the state of prisons in the UK the efficacy of incarcerating large numbers of offenders is an issue which is rising steadily up the political agenda In 2016 the Howard League for Penal Reform an organization that has energetically lobbied for improvements in the treatment of offenders throughout its lifetime celebrated its 150th anniversary This book considers the life and work of Margery Fry the woman who created the modern Howard League and dominated it from 1918 until her death in 1958 and places the UK s oldest surviving penal reform pressure group and its current work into their historical context It examines Fry s legacy as a campaigner for an international standard of prisoners minimum rights which resulted in a United Nations charter for the introduction of compensation for victims of criminal injuries and for the abolition of the death penalty and also considers her role in the establishment of criminology as an academic discipline and her organization of the first criminology lectures in Great Britain It is essential reading for all those engaged in prisons research penal reform and criminal justice history

The Piccolomini; or The first part of Wallenstein. The death of Wallenstein Samuel Taylor Coleridge,1844

Feminism, Aesthetics, and Subjectivity Manuel Barbeito,2001 Conjunto de ensayos con un gran contenido tico y pol tico que analizan los aspectos de las perspectivas cr tica y te rica en la literatura brit nica y que se incluyen dentro de un proyecto de feminismo Todos ellos coinciden con la escena de formaci n del feminismo el momento en el que el movimiento feminista responde a los cambios hist ricos para articular energias enriquecer voces y producir discurso El feminismo surge como oposici n al patriarcado de la poca victoriana y evoluciona hasta que hombres y mujeres experimentan una transformaci n como resultado de la aparici n de nuevas identidades sociales *Mrs. Keppel and Her Daughter* Diana Souhami,2014-10-14 An electrifying study of Mrs Keppel famously King Edward VII s mistress and of her daughter notoriously Vita Sackville West s lover Daily Telegraph UK A New York Times Notable Book Alice Keppel the married lover of Queen Victoria s eldest son and great grandmother to Camilla Parker Bowles was a key figure in Edwardian society With impeccable discretion she carried on as the king s mistress while lauding the Royal Family and the institution of marriage Hers was the acceptable face of adultery It brought her wealth power and status Alice s daughter Violet Trefusis had her own long and tempestuous affair with the author and aristocrat Vita Sackville West but it brought very different consequences Vita left her husband and family to travel abroad with Violet and their scandalous liaison threatened Violet s social standing and pitted her against her mother From memoirs diaries and letters Diana Souhami portrays this fascinating and intense mother daughter relationship Her story of these women their lovers and their lovers mothers highlights Edwardian and contemporary duplicity and double standards and goes to the heart of questions about sexual freedoms **The Moon** Garrett Putman Serviss,1907 **A System of Astronomy on the Copernican Or True Principle** J. P. Felt,1845

Giving Voice to Bear David Rockwell,2003-04-21 In this new edition of a classic David Rockwell describes the captivating and awe inspiring presence of the bear in Native American rituals The bear played a central role in shamanic rights initiation healing and hunting ceremonies and new year celebrations Considered together these traditions are another way of looking at the world one in which the mysteries of the universe are revealed through animals Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1986 ,1995 **School Education** ,1906 **The Heavens Above** John Benson Sidgwick,1950 *The English Dialect Dictionary, Being the Complete Vocabulary of All Dialect Words Still in Use, Or Known to Have Been in Use During the Last Two Hundred Years: R-S* Joseph Wright,1904
