Sidekicks J. Torres, 2003-10-01 Terry Highland unwillingly transfers to Shuster Academy a school for apprentice superheroes and their sidekicks where they get special training in their powers in gym class but may not use them anywhere else but where three vigilantes seem to be break
Sidekicks J. Torres, 2002 Terry Highland transfers to Shuster Academy where all of the students have superpowers but are not allowed to use their powers to get grades Are some students breaking this rule
Sidekicks J. Torres, 2003-11-02 Terry Highland isn't like other kids Or is she Sure Terry is the daughter of an ex superhero sidekick and yeah she has powers of her own too but when you're a new student at a school like Shuster Academy that's hardly out of the ordinary Terry has a pyromaniac firestarter in homeroom a werewolf in Geometry killer robots in gym and that's just before lunch Sounds like a superteen's dream come true doesn't it There's just one catch In order to make the grade at this school you can't use your powers So when three new vigilantes burst on to the scene calling themselves Biff Bam and Pow it has the whole student body buzzing and the administration on the lookout for the kids that would dare to break the Academy's most essential rule Can Terry and her friends solve the mystery without getting caught in the middle SIDEKICKS turns the superhero genre on its head following powered kids who would rather start food fights than fist fights and are more worried about what to do on a Friday night than the next contrived evil plot
