*Sidewalks of Philadelphia to the Jersey Shore* Michael F. Stafford, 2002      *Living with the New Jersey Shore* Karl F. Nordstrom, 1986 This volume in the Living with the Shore series provides practical and specific information on the status of the nation's coast and useful guidelines that enable residents, visitors and investors to live with and enjoy the shore without costly and futile struggles against the forces of nature      *Official Documents, Comprising the Department and Other Reports Made to the Governor, Senate, and House of Representatives of Pennsylvania* Pennsylvania, 1891      *New Jersey Shore Protection Study* United States. Office of the Assistant Secretary of the Army (Civil Works), 1997      *Record of the Great Council of the United States of the Improved Order of Red Men* Improved Order of Red Men. Great Council of the United States, 1902      *National Park Service Guide to the Historic Places of the American Revolution* James V. Murfin, 1974

**Guide to the Historic Places of the American Revolution** United States. National Park Service, 1973      *Iron Age*, 1912      *Iron Age and Hardware, Iron and Industrial Reporter*, 1918      **Municipal Journal and Engineer**, 1909      **The Iron Age**, 1918      *New York In Bygone Days - Its Story, Streets And Landmarks* Rufus Rockwell Wilson, 2023-01-10 Verily this Island of Manhattan is exposed to the danger of being snowed under by the showers of works scattered broadcast by her chroniclers, her eulogists and her critics. Plentiful has been the crop of local commentaries. New York in bygone days is a fair type of one species of these city histories. In the main it is composed of gleanings from more ponderous and elaborate works. Mr Wilson devotes the first volume to the civic development of the city from the first settlements around the fort to the end of the Civil War. The story is fairly well told without a single touch of originality. Nor is there evidence that the values of the secondary sources were weighed. Extracts are given from Mrs Lamb who certainly permitted her pen to wander into pleasant details where verification is impossible. The excuse for being of this New York is that the whole story is thrown together and the reader can follow the growth of modern Gotham from its Dutch origins. In the second volume the localities are described. Still some of the personal touches tacked on to places are fresh. For instance a letter from Margaret Fuller when she was the guest of Horace Greeley. Of her host she says: His abilities in his own way are great. He believes in mine to a surprising extent. We are true friends, a sequence delightfully suggestive of a select mutual admiration society. This edition contains both original volumes      *Report of the Federal Security Agency* United States. *Report of the Commissioner of Education [with Accompanying Papers]*. United States. Bureau of Education, 1880      **The Jersey Shore** Dominick Mazzagetti, 2018-06-20 In *The Jersey Shore* Dominick Mazzagetti provides a modern re-telling of the

history culture and landscapes of this famous region from the 1600s to the present The Shore from Sandy Hook to Cape May became a national resort in the late 1800s and contributes enormously to New Jersey s economy today The devastation of Hurricane Sandy in 2012 underscored the area s central place in the state s identity and the rebuilding efforts after the storm restored its economic health Divided into chronological and thematic sections this book will attract general readers interested in the history of the Shore how it appeared to early European explorers how the earliest settlers came to the beaches for the whaling trade the first attractions for tourists in the nineteenth century and how the coming of railroads and ultimately automobiles transformed the Shore into a major vacation destination over a century later Mazzagetti also explores how the impact of changing national mores on development race relations and the environment impacted the Shore in recent decades and will into the future Ultimately this book is an enthusiastic and comprehensive portrait by a native son whose passion for the region is shared by millions of beachgoers throughout the Northeast     Railway World ,1883
