Sideways Look At Time:

A Sideways Look at Time Jay Griffiths, 2004-03-08 A brilliant and poetic exploration of the way that we experience time in our everyday lives Why does time seem so short How does women s time differ from men s Why does time seem to move slowly in the countryside and quickly in cities How do different cultures around the world see time In *A Sideways Look at Time* Jay Griffiths takes readers on an extraordinary tour of time as we have never seen it before With this dazzling and defiant work Griffiths introduces us to dimensions of time that are largely forgotten in our modern lives She presents an infectious argument for other more magical times the diverse cycles of nature of folktale or carnival when time is unlimited and on our side This is a book for those who suspect that there s more to time than clocks Irresistible and provocative *A Sideways Look at Time* could change the way we view time forever

Pip Pip Jay Griffiths, 1999 An enthusiastic piece of pop anthropology on the one subject that has ousted sex and money from the top of the obsessions league Jay Griffiths takes the subject of time in her teeth and chews at it until it s a far more palatable item Her exploration of the passage of time includes our obsession with speed with overtaking motorways and their link to fascism war Mercury god of flight and the mythology of time and speed Diana and Marilyn Monroe flawed women who through their violent deaths have become timeless icons history and the heritage industry the meanness of Greenwich Mean Time the fast language we now have to go with fast food Aborigine dreamtime the difference between festivals and pageants May Day and the New Year

Subjectivity In-Between Times Chenyang Wang, 2019-09-19 This book is the first to systematically investigate how the notion of time is conceptualised in Jacques Lacan s work Through a careful examination of Lacan s various presentations of time Chenyang Wang argues that this notion is key to a comprehension of Lacan s psychoanalytic thinking and in particular to the way in which he theorises subjectivity This book demonstrates that time is approached by Lacan not only as consciously experienced but also as pre reflectively embodied and symbolically generated In an analysis that begins with Lacan s Logical Time essay Chenyang Wang articulates three temporal registers that correspond to Lacan s Real Symbolic Imaginary triad and also demonstrates how Lacan s elaboration of other major themes including consciousness body language desire and sexuality is informed by his original perspectives on time Filling a significant gap in contemporary Lacanian studies this book will provide essential reading for students and scholars of psychoanalytic theory continental philosophy and critical theory

Time for Peace Luc Reyhler, 2015-10-01 For building sustainable peace and security the time is always now Violence in our world extends beyond armed conflicts it exists in our social and economic structures not to mention in our destruction of the environment How can we build more sustainable development and peace In this innovative ambitious book Dr Luc Reyhler argues that we must drastically change our temporament or the way we deal with time He surveys the vast temporal landscape and considers its many dimensions such as how time relates to emotions religion and conflict and how our time horizons affect the natural world Using examples such as Hurricane Katrina and regime change in Libya Reyhler shows how time is misused in conflicts be it the failure to

anticipate a disaster or the manipulation of time to create a false sense of urgency Ultimately he proposes a more adaptive attitude to time so that we can be proactive rather than reactive in our efforts at sustainable development and conflict resolution

The New Utopian Politics of Ursula K.
