The War Cry in the Graeco-Roman World James Gersbach,2022-12-23 This book aims to reconceptualise the Graeco Roman military phenomenon of the war cry the term itself is inadequate for defining an ancient military practice that has been misrepresented in modern media and understudied by contemporary scholars Gersbach introduces the term and paradigm battle expression to replace war cry which acknowledges the variety of undertakings visual and sonic that military forces from the Graeco Roman world presented on the battlefield before during or after battle The battle expression was sophisticated in nature it could include significant cultural song or dance that required high levels of rehearsal and execution Conversely battle expression types demonstrated spontaneous wit and humour on the part of a military force that aimed to capitalise on the experiences of a battle These performances served a variety of purposes outside of instilling group cohesion among the participants and to intimidate the onlooking enemy This book associates the psychological dimension of warfare religious identity and military strategy supported by the High Command to this practice In addition the author draws comparisons with later historical periods as well as the actions of modern day European football supporters in stadiums to reconstruct the atmosphere created by ancient military forces on the battlefield *The War Cry in the Graeco Roman World* is suitable for students and scholars of Classical Studies particularly those interested in ancient warfare and military history as well as those studying the history of warfare more broadly

Cosmic Visa Jamal M. Hasan,2025-07-24 *Cosmic Visa* written by Jamal M Hasan is a profound and captivating novel that masterfully blends historical realism with imaginative science fiction It invites the reader on a journey through time memory and space where personal loss intellectual curiosity and the longing to transcend the boundaries of reality converge The story begins in rural England during World War I focusing on young Hugh a sensitive and thoughtful boy raised solely by his devoted mother after the mysterious disappearance of his father during military service Surrounded by the tranquility of farm life and the warmth of maternal love Hugh grows up with a deep appreciation for nature beauty and science especially physics which becomes his passion thanks to the guidance of his mentor Mr William Fleming As the narrative unfolds Hugh s world expands from the familiar to the cosmic The sudden disappearance of his cousin Laura on a school trip across the Atlantic ignites a burning desire in him to understand the unknown This search leads him into philosophical and scientific conversations with eccentric characters like Father Jack a mystic priest well versed in theology ancient civilizations and the paranormal These encounters raise questions about the existence of invisible beings parallel realities and the possibility of observing the past through

advanced space travel The novel is rich in symbolism and reflection delving into themes such as grief destiny knowledge the nature of time and the relationship between science and faith Through vivid imagery and introspective dialogue it challenges the reader to consider whether imagination could one day become reality and whether humanity is ready to unlock the deeper mysteries of the universe Cosmic Visa is more than a science fiction tale it is a philosophical meditation on human potential the power of dreams and the eternal quest to make sense of what lies beyond the stars Sevenfold Sword: Unity Jonathan Moeller,2018-04-30 The quest of the Seven Swords will destroy kingdoms Ridmark Arban is the Shield Knight questing to stop the rise of the evil New God But Ridmark and his companions are caught in the war between the final remnant of the dying gray elves and the brutal muridach horde Unless Ridmark can save the gray elves he and his friends will die and the New God will rise in power to enslave the world The Life of Clara Barton Percy Harold Epler,1915 A biography made more interesting through the free use of unpublished war diaries and letters and personal recollections
