Siege of Washington, F. Colburn Adams, 2015-01-23 YOU my son have heard and perhaps read how Rome was once saved by a goose There were as you know my son a great many geese abroad during the siege of Washington but it was not through any act of theirs that the city was saved As I love you dearly my son so is it my first desire to instruct you correctly on all subjects in which the good of our great country is concerned Before concluding my history of this remarkable siege I shall prove to your satisfaction that Washington was saved and the fate of the nation determined by a barrel of whisky *Siege of Washington, D.C.* Francis Colburn Adams, 1867

Siege of Washington F. Colburn Adams, 2019-03-12 YOU my son have heard and perhaps read how Rome was once saved by a goose There were as you know my son a great many geese abroad during the siege of Washington but it was not through any act of theirs that the city was saved As I love you dearly my son so is it my first desire to instruct you correctly on all subjects in which the good of our great country is concerned Before concluding my history of this remarkable siege I shall prove to your satisfaction that Washington was saved and the fate of the nation determined by a barrel of whisky Let me say to you my son that the siege of Washington however much people abroad may laugh at it was one of the most extraordinary events in the history of modern warfare It took place in the year of our Lord 1864 and there is no other event in the war of the great rebellion to compare with it You will therefore my son understand why it is that the history of an event of so much importance should be written only by an impartial historian one who has courage enough to tell the truth and no official friends to serve at the expense of honor *Siege Of Washington D.C. honor I must tell you also my son that the great military problem of this siege has afforded a subject of deep study for our engineers from General Delafield downward who have puzzled their wits over it without finding a solution **The Siege of Washington** John Lockwood, Charles Lockwood, 2011-04-11 On April 14 1861 following the surrender of Fort Sumter Washington was put into the condition of a siege declared Abraham Lincoln Located sixty miles south of the Mason Dixon Line the nation's capital was surrounded by the slave states of Maryland and Virginia With no fortifications and only a handful of trained soldiers Washington was an ideal target for the Confederacy The South echoed with cries of On to Washington and Jefferson Davis's wife sent out cards inviting her friends to a reception at the White House on May 1 Lincoln issued an emergency proclamation on April 15 calling for 75 000 troops to suppress the rebellion and protect the capital One question now transfixed the nation whose forces would reach Washington first Northern defenders or Southern attackers For 12 days the city's fate hung in the balance Washington was entirely isolated from the North without trains telegraph or mail Sandbags were stacked around major landmarks and the unfinished Capitol was transformed into a barracks with volunteer troops camping out in the House and Senate chambers Meanwhile Maryland secessionists blocked the passage of Union reinforcements trying to reach Washington and a rumored force of 20 000 Confederate soldiers lay in wait just across the Potomac River Drawing on firsthand accounts The Siege of Washington tells this story from the perspective of leading officials residents trapped inside the city Confederates plotting to seize it and Union troops racing to save it capturing with brilliance and immediacy the precarious first days of the Civil War Siege of Washington, D.C. Lincoln's Citadel: The Civil War in Washington, DC Kenneth J. Winkle, 2013-08-19 The stirring history of a president and a capital city on the front lines of war and freedom In the late 1840s Representative Abraham Lincoln resided at Mrs Sprigg s boardinghouse on Capitol Hill Known as Abolition House Mrs Sprigg s hosted lively dinner table debates of antislavery politics by the congressional boarders The unusually rapid turnover in the enslaved staff suggested that there were frequent escapes north to freedom from Abolition House likely a cog in the underground railroad These early years in Washington proved formative for Lincoln In 1861 now in the White House Lincoln could gaze out his office window and see the Confederate flag flying across the Potomac Washington DC sat on the front lines of the Civil War Vulnerable and insecure the capital was rife with Confederate sympathizers On the crossroads of slavery and freedom the city was a refuge for thousands of contraband and fugitive slaves The Lincoln administration took strict measures to tighten security and established camps to provide food shelter and medical care for contrabands In 1863 a Freedman s Village rose on the grounds of the Lee estate where the Confederate flag once flew The president and Mrs Lincoln personally comforted the wounded troops who flooded wartime Washington In 1862 Lincoln spent July 4 riding in a train of ambulances carrying casualties from the Peninsula Campaign to Washington hospitals He saluted the One Legged Brigade assembled outside the White House as orators their wounds eloquent expressions of sacrifice and dedication The administration built more than one hundred military hospitals to care for Union casualties These are among the unforgettable scenes in Lincoln s Citadel a fresh absorbing narrative history of Lincoln s leadership in Civil War Washington Here is the vivid story of how the Lincoln
