

An aerial photograph of a city at sunset. The sun is low on the horizon, creating a warm, orange glow that filters through the air. The city below is a dense grid of buildings and streets, with a prominent highway interchange visible on the left side. The overall mood is contemplative and romantic.

So it was possible to

The Holy Intimacy of Strangers Sarah York, 2002-11-08 In The Holy Intimacy of Strangers Sarah York explores our common yearning for deeper and more meaningful connection with one another The book presents the paradox we often observe how our seemingly casual interactions with strangers can unlock the door to our hearts and help us discover how we need and yet often resist true intimacy in our relationships This provocative book gives us a new way to look at the qualities of our exchanges with strangers Once we begin this journey we can trace the outlines of our lives together in community our expressions of caring and hospitality the costs of prejudice and judgment our fears and defensiveness the tension between being inclusive or exclusive our expectations and assumptions about one another

Christian life Mothers' Journal, 1858 Love in the Hebrew Bible Song-Mi Suzie Park, 2023-05-30 Christians insist that love stands at the heart of who God is Yet when we talk about love in the Hebrew Bible how much do we really know

Possessing such a belief alone does not mean that we possess a clear understanding of what love is Are we aware of how often divine and human love are tied up with the idea of preference for one individual or group over another Do we know how often descriptions of love involve questions of power authority and gender Do we see that love is connected to suffering betrayal and sometimes death in the Hebrew Scriptures In *Love in the Hebrew Bible* one of the first book length studies of its kind Suzie Park provides fascinating and essential insights into these questions refreshing our understanding of the meaning of love in the Hebrew Bible Pushing against characterizations of the loving God of the New Testament narrative universe versus the wrathful God of the Old Testament Park shows that love is integral to the ways in which relationships both among people and also between humanity and God are imagined in the Hebrew text Reflecting matrices of meaning and associations love thus is a vital component of the ideology and theology of the Hebrew Scriptures and an understanding of it remains fundamental to our knowledge of the biblical text *The Greatest of These* John Indermark,2011-09-01 God is love Love one another We teach these to children and new Christians but what exactly do we mean and do they hear by love Our culture offers a multitude of understandings and experiences through which the meaning of love can be filtered We in the church can become sloppy in our proclamation and embodiment of love as a result of those filterings unless we remain grounded in the Biblical moorings of love revealed in the narratives of both the Old and New Testaments *The Greatest of These* offers an extended exploration of love s qualities in scripture Each of the six chapters begins with a single page introduction to the chapter theme The bulk of each chapter consists of six individual readings 2 5 to 3 pages each that reflect on a Biblical passage related to the chapter s theme on love The book is written for use by individuals or groups and a leader s guide which is written into the book provides for six suggested sessions Chapter One Love as Gift Chapter Two Love as Invitation Chapter Three Love as Loyalty Chapter Four Love as Ethic Chapter Five Love as Compassion Chapter Six Love as Wonder The written in leader s guide provides a basic template that can be used for each session along with specific suggestions for six sessions to plug into the template in order to explore each of the book s chapters Munsey's Magazine ,1896

Ethnic Identity from the Margins Dewi Hughes, 2012-06-27 In most people's minds ethnic or ethnicity are terms associated with conflict cleansing or even genocide This book explores from three perspectives the significance of ethnic communities beyond these popular conceptions The first perspective is the reality of the author's own experience as a member of the Welsh ethnic identity The Welsh are a small people whose whole existence has been overshadowed by the more powerful English This is the margin from which the author speaks The second perspective is the Bible and evangelical mission and the third is the unprecedented movement and mixing of ethnic identities in our globalizing world The book ends with the section on ethnicity in the Lausanne Commitment that hopefully marks the beginning of serious consideration by the evangelical missions community of this issue that deeply impacts the lives of many millions
