*Amandla! Poems of Love and Struggle* Gerald Lenoir, 2018-01-28 *Amandla Poems of Love and Struggle* is Gerald Lenoir's first book of poetry containing poems written over the past 34 years. His poems are often militant, occasionally despairing, sometimes hopeful, and always engaging. Reflecting his 40 years as a social justice activist and his 69 years of being a compassionate Black child man and a caring human being, Gerald writes with head, heart, and hand about the struggle against racism and police brutality, international solidarity, love in the times of HIV/AIDS, and more.

*Escape from Namka Chu: A Love Story Based on India-China War 1962*, 2015-07-15 This book is a fiction love story focussing on the privations suffered by the protagonists as a fall out of the India-China conflict of 1962. All characters and names are fictitious and imaginary, and any semblance to the living or dead is purely incidental. **Peace - Volume Three** Betty Hibod, 2025-01-20 Many books have been written as histories recounting events that shaped the life of a group society nation or civilization or as biographies recounting events and achievements relating to one person's life and work Many books have been written putting forth ideas philosophies and words of wisdom to live by Some of these we call holy books or scripture Fewer books have been written like this one which go behind the scenes of history lay bare the feelings behind the philosophies and document the painful and joyful inner path along which historical events and philosophical ideas emerge This book is intensely even shockingly personal not clinical or abstract or detached It is an intimate detailed sensual and sometimes disturbing account of a life lived on the cusp that bridges time and eternity Its focus is narrow it does not reveal much at all about anyone's visible public life or accomplishments but it explores in great depth the invisible contents of minds hearts and souls The scriptures and scriptural commentaries of most religions describe a path to salvation or bliss and provide instructions or guideposts for moving along the path but they are still only theoretical hypothetical mythical or metaphorical accounts This book seeks to show how the theories and hypotheses play out pragmatically in real time and space how the myths come alive in flesh and spirit how the metaphors become the very things they symbolize How does daily life look from inside someone in the throes of awakening How does she know who or what she is How is her destiny revealed How do seemingly ordinary mundane events become miracles This book begins to answer those questions
