Jackson-Houlston, 2016-12-05 As a book on allusion this has interest for both the traditional literary or cultural historian and for the modern student of textuality and readership positions It focuses on allusion to folksong and more tangentially to popular culture areas which have so far been slighted by literary critics In the nineteenth century many authors attempted to mediate the culture's of the working classes for the enjoyment of their predominantly middle class audiences In so doing they took songs out of their original social and musical contexts and employed a variety of strategies which consciously or unconsciously romanticised falsified or denigrated what the novels or stories claimed to represent In addition some writers

who were well informed about the cultures they described used allusion to song as a covert system of reference to topics such as sexuality and the criticism of class and gender relations which it was difficult to discuss directly *Artificial Intelligence and Optimization Techniques for Smart Information System Generations* Aleem Ali,Rajdeep Chakraborty,Nawaf Alharbe,2025-03-28 The text comprehensively focusses on the use of artificial intelligence and optimization techniques for creating smart information systems Focuses on extracting information from blockchain repository using artificial intelligence and machine learning algorithms Presents deep learning models to identify and locate objects within images and videos making it possible for machines to perform tasks such as self driving cars surveillance and robotics Discusses artificial intelligence and optimization techniques for geographic information system GIS generation such as spatial data processing Covers artificial intelligence algorithms such as dimensionality distance metrics clustering error calculation hill climbing and linear regression Illustrates topics such as image recognition natural language processing fraud detection information system security and intrusion detection system **Broadcasting** ,1975-04 Battle of France Philip Warner,2011-08-04 Provocative look at the battle for France in May and June 1940 Explains how the French were caught off guard how the Germans swept into the country and how the British battled the blitzkrieg Recounts the evacuation at Dunkirk Shows how the fall of France changed the course of World War II *The Cambridge Paperback Guide to Literature in English* Ian Ousby,1996-02-23 Derived from the parent Guide to Literature in English this volume offers in concise form over 4 000 entries on literature in English from cultures throughout the world Writers and major works from the UK and the USA are represented as are those from Canada the Caribbean Australia India and Africa The coverage is broad from the classics of English literature to the best of modern writing Additionally the Guide has a wealth of entries on literary movements groups or schools in literature and criticism literary magazines genres and sub genres critical concepts and rhetorical terms
