A New Vibration Kiran Shashi, 2020-05-05 For so long we have all been living from our perspective in a vibrational energy field that is predominately driven by fear Only some of us manage to rise above it while others continue to stay anchored A new Vibration is present now Only some seem sensitive to it it is a pure vibration of infinite love This vibration has no place for fear I always remember an old quote Whoever fears will die so true for the ones that give their power away Our belief system has been programmed into us from day one through our family and society We let ourselves be bombarded daily by what we are led to believe is news or essential We need to create our own beliefs and cut ties to the controlled perception A new vibration awaits the person seeking the truth and who walks their unique path We are all individual droplets in this ocean of love When we all connect we become the whole ocean but each one of us has a path to follow Lessons need to be learned and that can t happen when you are living a lie It s essential if working with a teacher that you are not misled by do as I say and you will get the same results it does not apply from a spiritual perspective We are all spiritual beings living a human existence and there are differences in each one of us Although our 3D dimension

has basic rules the spirit will get in the way of those rules Our differences are unique and they are the key to the rising The choice is simple Fear or Love Move away from the things that cause fear and move towards those that create love Fear will keep you attached to one level of perception and love will raise you to another Where do you really want to be What do you want your world to look like Choose between the two parallels and remember you create your reality By always acting for the good of the universe and in line with the higher vibration you will see that the Universe will always have your back **“Love not the World.” Two sermons [on 1 John ii. 15-17] preached before the University of Cambridge, in February 1842. To which is added “The Powers that be.” A sermon [on Rom. xiii. 1] preached before the same University, in September 1847**
