Mendonça, The iron gates groaned open like a wounded beast revealing a cobblestone path that disappeared into the mist ahead Isabella Carvalho clutched the brass key in her trembling hand its weight far heavier than its size should have allowed The mansion loomed before her a Gothic monstrosity of dark stone and twisted spires that seemed to claw at the overcast sky She had never expected to inherit anything from her great aunt Constan a a woman she had met only once as a child The memory was hazy a stern woman in black lace who had spoken in hushed tones with Isabella s mother their conversation ending in tears and angry whispers Yet here she stood twenty three years old and suddenly the owner of the Quinta das Sombras the Estate of Shadows The lawyer s letter had been cryptic Miss Carvalho your great aunt has bequeathed to you her entire estate including the mansion and grounds She has left specific instructions that you must reside in the property for one full year to claim your inheritance Should you choose to accept please find enclosed the key and directions Isabella had been desperate Her small apartment in Lisbon had become unaffordable after losing her job at the publishing house and her savings had dwindled to almost nothing The inheritance seemed like a miracle even if it came with the strange stipulation of living in this remote place for a year As she approached the front door her footsteps echoed hollow against the stone The mansion s windows stared down at her like vacant eyes most of them dark though she could have sworn she saw a flicker of light in one of the upper floors The thought sent a chill down her spine The front door was massive carved with intricate patterns that seemed to shift in her peripheral vision Isabella inserted the key surprised when it turned easily The door

swung open with a prolonged creak that echoed through what appeared to be a grand foyer **The Soul Enchanted**

Unleashing Your Inner Goddess is about understanding and acknowledging that her divinity exists Your Inner Goddess is the purest form of you She is everything love and never concerns herself with trivial things She s been around for a LONG time and knows the ways of the Universe She also knows why you re here She is your Divine spark We often make the mistake of thinking our history begins with our birth in this life and that our memories extend only from the moment of our birth Our physical body is just the tip of the iceberg when it comes to who we are and what makes us us We have memories and knowledge from our life before this one Your Inner Goddess is your soul your true essence who always wants the best for you She s the part of you who truly remembers who you were before you came to this world She s free and wild and really doesn t care about other people s opinions She s the part of you who s at peace with what you ve been through and where you re headed It s You who set the course of your life and the things you want to accomplish and learn before you even came to this earth It s You whispering guidance to yourself about your highest path and purpose Your Inner Goddess invariably involves how you can best serve others while being true to yourself This part of You helps you to keep on track with your life s purpose and in touch with your passions and joy Your Inner Goddess has brought with her your feminine energy She s that part of your soul who is fully connected with the Divine Feminine Your Inner Goddess manifests as your higher self your soul your spirit your intuition the essence of who you truly are You might frequently hear the phrase finding yourself but finding yourself is really returning to yourself and to your Inner Goddess Tapping into this divine feminine energy allows you to live life guided by your true essence and be in perfect flow with the magic of the universe Every woman has an Inner Goddess whether you realize it or not Connecting with your Inner Goddess will automatically make you feel happier radiant healthier and sexier Your higher vibration will make you naturally glow from the inside out You don t need to contact your Higher Self as an entity outside of yourself she is You Wisdom and memories are inside of you if you will access them Pay attention to your desires and passions Your truest heartfelt desires are feedback from your Inner Goddess about what you want to do now Living from your Inner Goddess means not sacrificing or ignoring those desires it also means listening to those desires on a daily basis You know you are stepping into your Goddess self and awakening your true eternal nature when you become more concerned about you inner journey than your outward one
