Edward F. Mooney

Loves Grateful Striving A Commentary On Kierkegaards Works Of Love:

Love's Grateful Striving M. Jamie Ferreira, 2001-06-07 Soren Kierkegaard's Works of Love 1847 a series of deliberations on the commandment to love one's neighbor has often been condemned by critics Here Ferreira seeks to rehabilitate Works of Love as one of Kierkegaard's most important works He shows that Kierkegaard's deliberations on love are highly relevant to some important themes in contemporary ethics including impartiality duty equality mutuality reciprocity self love sympathy and sacrifice Ferreira also argues that Works of Love bears on issues peculiar to a religious ethic such as the role of God as middle term and the possibility of preserving the aesthetic dimensions of love in a religious ethic of relation [Love's Grateful Striving](#) M. Jamie Ferreira, 2001

Love's Grateful Striving M. Jamie Ferreira, 2001-06-07 Soren Kierkegaard's Works of Love 1847 a series of deliberations on the commandment to love one's neighbor has often been condemned by critics Here Ferreira seeks to rehabilitate Works of Love as one of Kierkegaard's most important works He shows that Kierkegaard's deliberations on love are highly relevant to some important themes in contemporary ethics including impartiality duty equality mutuality reciprocity self love sympathy and sacrifice Ferreira also argues that Works of Love bears on issues peculiar to a religious ethic such as the role of God as middle term and the possibility of preserving the aesthetic dimensions of love in a religious ethic of relation

Dying to Self and Detachment James Kellenberger, 2016-04-29 Exploring the religious category of dying to self this book aims to resolve contemporary issues that relate to detachment Beginning with an examination of humility in its general notion and as a religious virtue that detachment presupposes Kellenberger draws on a range of ancient medieval modern and contemporary sources that address the main characteristics of detachment including the work of Meister Eckhart St Teresa and Simone Weil as well as writers as varied as Gregory of Nyssa Rabi al Adawiyya Soren Kierkegaard Andrew Newberg John Hick and Keiji Nishitani Kellenberger explores the key issues that arise for detachment including the place of the individual's will in detachment the relationship of detachment to desire to attachment to persons and to self love and self respect and issues of contemporary secular detachment such as inducement via chemicals This book heeds the relevance of the religious virtue of detachment for those living in the twenty first century *The God Who Loves and Is Loved* Christian D. Kettler, 2019-11-12 Can there be a greater folly than writing a book about love But how can we avoid that most basic of all desires and commands Yet we are very poor lovers as our history demonstrates If God is love though can we find help in considering the love of Jesus Christ and the love of Jesus thought of in terms of what T F Torrance called the vicarious humanity of Christ This would mean that we realize our inability and the Son of God's ability to love on our behalf and in our place Such a love mirrors the love of the Son for the Father in the Spirit a love that reflects his eternal triune love Therefore could we have new perspectives on our relationships the love of ourselves of God and the neighbor How essential is love to being human and what kind of love What does it mean to love your enemies What is the relationship between justice and love And what are the fruits of love the

evidence of genuine love Christian D Kettler explores these issues in the context of the living reality of the vicarious humanity of Christ *The Oxford Handbook of the Philosophy of Love* Christopher Grau, Aaron Smuts, 2024 The Oxford Handbook of the Philosophy of Love offers a wide array of original essays from leading philosophers on the nature and value of love Kierkegaard and Political Theology Roberto Sirvent, Silas Morgan, 2018-03-06 The nature of Kierkegaard's political legacy is complicated by the religious character of his writings Exploring Kierkegaard's relevancy for this political theological moment this volume offers trans disciplinary and multi religious perspectives on Kierkegaard studies and political theology Privileging contemporary philosophical and political theological work that is based on Kierkegaard this volume is an indispensable resource for Kierkegaard scholars theologians philosophers of religion ethicists and critical researchers in religion looking to make sense of current debates in the field While this volume shows that Kierkegaard's theological legacy is a thoroughly political one we are left with a series of open questions as to what a Kierkegaardian interjection into contemporary political theology might look like And so like Kierkegaard's writings this collection of essays is an argument with itself and as such will leave readers both edified and scratching their heads for all the right reasons *The Point of View* Robert L. Perkins, 2010 Kierkegaard wrote four reflections on his literary production On My Work as an Author The Point of View for My Work as an Author The Single Individual and Armed Neutrality but he published only the first The essays in this volume of International Kierkegaard Commentary examine these writings not just as a public report to history but also as a revelation of Kierkegaard's deepest understanding of himself as an author Works of Love in a World of Violence Deidre Nicole Green, 2016-11-10 As she constructively engages feminist critiques of Christianity's complicity in violence Deidre Nicole Green challenges traditional beliefs that self sacrifice amounts to love and that suffering is inherently redemptive by arguing for a Kierkegaardian conceptions of Christian love that limits self sacrifice Back cover

Kierkegaard and Issues in Contemporary Ethics Méliissa Fox-Muratton, 2020-10-26 While Kierkegaard's philosophy focuses on concrete human existence his thought has rarely been challenged regarding concrete and contemporary moral issues This volume offers an overview of contemporary ethical issues from a Kierkegaardian perspective deliberately taking him out of the sphere of Theology and Christian Ethics and examining the ways in which his works can provide fruitful insight into questions which Kierkegaard certainly never himself envisaged such as accepting refugees into our communities understanding how we relate to social media issues of identity with regard to bioengineering or transgender identity or problems of interreligious dialogue The contributions in this volume by international scholars seek to address both the challenges and insights of Kierkegaard's existential ethics for our contemporary societies and its relation to topics of current interest in the field of moral philosophy The volume is organized into three major sections the first focusing on the relation between ethics and religion a topic of primary importance with regard to the development of religious foundationalism and the challenges of dealing with diverse belief systems within our communities the second on our understandings of ourselves

and our relations to others with regard to issues of media and community and the third targeting more specifically questions of identity and the ways in which the developments of modern science impact identity construction This work offers new paths for critically engaging with the moral issues of our times from an existential perspective **Kierkegaard's Theology of Encounter** David James Lappano, 2017 This study considers the social and political aspects of Kierkegaard's authorship building upon work over the last couple of decades Dr Lappano focuses on Kierkegaard's writing between 1846 and 1852 the period of Kierkegaard's more explicitly politicized writing *Ethics, Love, and Faith in Kierkegaard* Edward F. Mooney, 2008-07-17 *Ethics Love and Faith in Kierkegaard* collects essays from 13 leading scholars that center on key themes that characterize Kierkegaard's philosophy of religion With their unique focus on notions of the self views on the command to love one's neighbor thoughts on melancholy and despair and the articulation of religious vision the essays in this volume cover the breadth and depth of Kierkegaard's philosophical and religious writings Poised at the intersection of Kierkegaard's moral psychology and its religious significance they offer vivid testimony to the ongoing power of his unique and fervent religious spirit Students and scholars alike will find new light shed on questions that define Kierkegaard's philosophy and religion today Love and Christian Ethics Frederick V. Simmons, 2016-12-15 At the heart of Christian ethics is the biblical commandment to love God and to love one's neighbor as oneself But what is the meaning of love Scholars have wrestled with this question since the recording of the Christian gospels and in recent decades teachers and students of Christian ethics have engaged in vigorous debates about appropriate interpretations and implications of this critical norm In *Love and Christian Ethics* nearly two dozen leading experts analyze and assess the meaning of love from a wide range of perspectives Chapters are organized into three areas influential sources and exponents of Western Christian thought about the ethical significance of love perennial theoretical questions attending that consideration and the implications of Christian love for important social realities Contributors bring a richness of thought and experience to deliver unprecedentedly broad and rigorous analysis of this central tenet of Christian ethics and faith William Werpehowski provides an afterword on future trajectories for this research *Love and Christian Ethics* is sure to become a benchmark resource in the field **Living Christianly** Sylvia Walsh, 2005 The pseudonymous works Kierkegaard wrote during the period 1843-46 have been responsible for establishing his reputation as an important philosophical thinker but for Kierkegaard himself they were merely preparatory for what he saw as the primary task of his authorship to elucidate the meaning of what it is to live as a Christian and thus to show his readers how they could become truly Christian The more overtly religious and specifically Christian works Kierkegaard produced in the period 1847-51 were devoted to this task In this book Sylvia Walsh focuses on the writings of this later period and locates the key to Kierkegaard's understanding of Christianity in the inverse dialectic that is involved in living Christianly In the book's four main chapters Walsh examines in detail how this inverse dialectic operates in the complementary relationship of the negative qualifications of Christian existence and the possibility of offense

self denial and suffering to the positive qualifications faith forgiveness new life love hope and joy and consolation It was Kierkegaard s aim she argues to bring the negative qualifications which he believed had been virtually eliminated in Christendom once again into view to provide them with conceptual clarity and to show their essential relation to and necessity in securing a correct understanding and expression of the positive qualifications of Christian existence

Kierkegaard on Faith and Love Sharon Krishek,2009-07-23 Explores Kierkegaard s belief that earthly love and religious life do not conflict but rather enhance and perfect one another **Volume 1, Tome II: Kierkegaard and the Bible - The New Testament** Lee C. Barrett,2016-12-05 Exploring Kierkegaard s complex use of the Bible the essays in this volume use source critical research and tools ranging from literary criticism to theology and biblical studies to situate Kierkegaard s appropriation of the biblical material in his cultural and intellectual context The contributors seek to identify the possible sources that may have influenced Kierkegaard s understanding and employment of Scripture and to describe the debates about the Bible that may have shaped perhaps indirectly his attitudes toward Scripture They also pay close attention to Kierkegaard s actual hermeneutic practice analyzing the implicit interpretive moves that he makes as well as his more explicit statements about the significance of various biblical passages This close reading of Kierkegaard s texts elucidates the unique and sometimes odd features of his frequent appeals to Scripture This volume in the series devotes one tome to the Old Testament and a second tome to the New Testament As with the Old Testament Kierkegaard was aware of new developments in New Testament scholarship and troubled by them Because these scholarly projects generated alternative understandings of the significance of Jesus they impinged directly on his own work It was crucial for Kierkegaard that Jesus is presented as both the enactment of God s reconciliation with humanity and as the prototype for humanity to emulate Consequently Kierkegaard had to struggle with the proper way to explicate persuasively the significance of Jesus in a situation of decreasing academic consensus about Jesus He also had to contend with contested interpretations of James and Paul two biblical authors vital for his work As a result Kierkegaard ruminated about the proper way to appropriate the New Testament and used material from it carefully and deliberately The authors in the present New Testament tome seek to clarify different dimensions of Kierkegaard s interpretive theory and practice as he sought to avoid the twin pitfalls of academic skepticism and passionless biblical traditionalism **Heidegger on Death** George Pattison,2016-04-22 This book examines the question of death in the light of Heidegger s paradigmatic discussion in *Being and Time* Although Heidegger s own treatment deliberately refrains from engaging theological perspectives George Pattison suggests that these not only serve to bring out problematic elements in his own approach but also point to the larger human or anthropological issues in play Pattison reveals where and how Heidegger and theology part ways but also how Heidegger can helpfully challenge theology to rethink one of its own fundamental questions human beings relation to their death and the meaning of death in their religious lives *Kierkegaard for the Church* Ronald F. Marshall,2013-08-30 Most of what is written on Kierkegaard

today is for the college classroom and academic conferences The guiding question of this book is that if Kierkegaard's words about Christianity are true how do they change the way we learn and practice the Christian faith today This book is an answer to that question It does not enter into an extended critical discussion over the truth of Kierkegaard's ideas Instead it just believes what Kierkegaard said and runs with it It does that by showing how his ideas change our understanding of Christian identity suffering and illness worship and preaching the Bible baptism prayer marriage and divorce criticism and the Christian minister Interspersed are many quotations from Martin Luther whose thought significantly shaped Kierkegaard's At the end of the book is a hefty collection of sermons to show how all of this can be preached in the church What Kierkegaard for the Church adds to our understanding of Kierkegaard is the place of the church in his thought Because of his criticisms of the Danish state church and his stress on the need for the single individual to appropriate Christian teachings it could be imagined that he rejected the church But that would be to throw the baby out with the bath The fact is that Kierkegaard remained a loyal son of the church even while he attacked it And he did this only so he could strengthen what he loved

The Gospel in the Dock Bryan M. Christman, 2021-08-10 C S Lewis famously penned the phrase God in the Dock and proposed that there was a great divide between ancient and modern humans in that our ancestors would have rightly seen themselves in the dock before God while we moderns have placed God there before us But what if what God's love most desires for us the gospel or good news of the only way of life for humanity has been in the dock before us from the time of Adam and Eve And what if it is also the case that the gospel is often in the dock as though it is not good even for the church This book builds upon and expands the life and death stakes Lewis proposed by demonstrating that the gospel way of faith itself has been placed in the dock by us and in many ways ruined our relationships with God with our own selves with one another and even with the natural world itself which we are meant to steward for its good In these pages the reader will discover why the gospel that requires faith is good news but why we so tragically default to our divisive and self-destructive ways

A Theology of Love Werner G. Jeanrond, 2010-01-21 This book explores the different dimensions of Christian love It argues that all expressions of love are wrestling with the challenge of otherness

Loves Grateful Striving A Commentary On Kierkegaards Works Of Love Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Loves Grateful Striving A Commentary On Kierkegaards Works Of Love PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Loves Grateful Striving A Commentary On Kierkegaards Works Of Love PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and

intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Loves Grateful Striving A Commentary On Kierkegaards Works Of Love free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Loves Grateful Striving A Commentary On Kierkegaards Works Of Love Books

1. Where can I buy Loves Grateful Striving A Commentary On Kierkegaards Works Of Love books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
