Rosse,2007-10-12 Love is one of the most exhilarating emotions we experience unfortunately it is also one of the most painful and sometimes traumatic The unresolved emotional scars from a broken heart can manifest as a love trauma syndrome Until now a love trauma was thought to precipitate other common psychiatric conditions such as depression or adjustment disorders but these generic psychiatric ailments are not adequate for articulating the full and unique character of the condition following love trauma The Love Trauma Syndrome Free Yourself from the Pain of a Broken Heart fills the need of patients feeling isolated ashamed or alone in their anguish Dr Richard Rosse a psychiatrist with expertise in the area of emotional breakdown provides a concrete path to help people understand this condition At times the syndrome can seriously diminish the sufferer s quality of life and dramatically impair social academic and occupational activities Dr Rosse warns that there can also be bouts of severe manifestations things go horribly wrong Patients may end up committing suicide A few become so obsessed by their lost loves that they are driven to stalk attack or murder these persons and then ultimately commit suicide However most patients suffer alone and in silence without ever resorting to an act of

physical violence Dr Rosse clearly explains that Love Trauma Syndrome is a clinical disorder of too much memory in which the past intrudes upon the present to influence thoughts feelings and behaviors to a much greater extent than is expected It can also be associated with a variety of other behavioral problems the avoidance of future loving relationships nervousness feeling unreal or out of place anger and sleep disturbances The book will educate mental health clinicians on how to recognize and treat people with the syndrome and Dr Rosse discusses a variety of psychotherapeutic and pharmacological treatment options and their rationale The Love Trauma Syndrome is the first book to describe the condition and to present a full array of self help strategies and specific techniques tailored to help those suffering from a love trauma Designed for both lay and professional audiences it is the ideal resource for anyone male or female young or old gay or straight hurt by love to understand what to do to escape the bleak prison of misery Love Retake Sabharwal Shivnay (author),2018-10-18 Truth is stranger than fiction There s something even stranger Love Being an Assistant Director and scriptwriter Karan never knew that fate would make him fall in love with his most unpredictable script in the form of a woman Kashish And just like a riveting script this one too had plenty of drama passion twists and turns and yes plenty of surprises till the very end The only question remained whether this script would be a perfect The End **The Love Shack** Don Nori,2011-07-28 What makes a best selling Christian book The author touches your spirit tingles your soul and disturbs your confortableness Author and publisher Don Nori examines current and past runaway sales books and discovers a common thread that leads to the Love Shack a place where all people are welcome and cherished Books such as The Shack The Purpose Driven Life and The Love Dare stir spiritual hunger But do they truly lead to the totally satisfying destination and real fellowship with the living God How do you get from excitement and encouragement to the experimental reality we all want Take a step by step journey toward finding ultimate peace and joy at the Love Shack where you will experience God s Ultimate best **All About Me (Love & Hate Series #2)** Joanna Mazurkiewicz,2020-08-15 All About Me Love forget about anger other birds and parties India is the only person that I want I love her and only her but the problem is that she hates my guts so I m the last person that she wants I must prove to India that I m worthy of her love **Does God Love All or Some?** Ronnie W.
