people unless they have inherited depraved or diseased tendencies the old desire of our race springs up afresh in its pristine beauty With the dreams and bodily changes of adolescence come to the youth and maiden the strange and powerful impulses of sex The bodily differences of the two now accentuated become mystical alluring enchanting in their promise Their differences unite and hold together the man and the woman so that their bodily union is the solid nucleus of an immense fabric of interwoven strands reaching to the uttermost ends of the earth some lighter than the filmiest cobweb or than the softest wave of music iridescent with the colors not only of the visible rainbow but of all the invisible glories of the wave lengths of the soul However much he may conceal it under assumed cynicism worldliness or self seeking the heart of every young man yearns with a great longing for the fulfilment of the beautiful dream of a life long union with a mate Each heart knows instinctively that it is only one s mate who can give full comprehension of all the potential greatness in one s soul and have tender laughter for all the child like wonder that lingers so enchantingly even in the white haired **Shadow Shapes**

Why Did the “Loving” Cross Turn into a Swastika Istvan Bodnar,2012-12-12 Judaism and Christianity differ from each other on the most fundamental issues Yet both use the same Jewish Bible as the foundation of their faiths Only one of these belief systems can be true Those who talk about Judeo Christian heritage have no idea that Judaism and Christianity are the most fundamentally conflicting principles in the history of humanity They inherently cannot co exist as light cannot co exist with darkness History since the beginning of the Common Era testifies that humanity cannot afford to regard Christianity as an innocent lie as a bad idea A real war is being waged around us between alien spirits and G ds angels People usually ignore this unintuitive and invisible reality but this ongoing celestial conflict often affects our everyday affairs as if no one is in control The Torah and the New Testament cannot co exist despite ongoing efforts of Christian preachers to prove the contrary This book is intended to be an encouragement to those who have already begun to see through the vicious veil of the Christian delusion The basic principle of Christianity is nonsense Any human being with the weakest sense of justice would reject the idea that someone else died for his or her sins The fake god came up with the death trick Death will be its everlasting reward Christians are desperate to support their faith with fabricated references from the Torah and Prophets while those who live on the Torah have never needed the New Testament to support their faith Everyone on this planet should have realized the issues presented in this book by now as theological qualifications or credentials are not necessary to understand them Mankind has been given more than 2 000 years to comprehend these ideas Humanity has paid a heavy price for false rationalizations motivated by a wicked desire to cast off the Torahs requirements Let us value and safeguard this wisdom acquired with difficulty with unspeakable gratefulness
