The Voices of the Saints Bert Ghezzi,2002-09-24 The inspiring stories of 365 holy men and women from the best known to some of the most obscure come to life in an engaging collection of biographical profiles quotations from the saints themselves meditations and prayers Voices of the Saints opens with an instruction from Saint Philip Neri The best preparation for prayer is to read the lives of the saints not from mere curiosity but quietly and with recollection a little at a time And to pause whenever you feel your heart touched with devotion With these words of faith and wisdom as his guiding principle Bert Ghezzi presents the lives of such familiar and beloved saints as Saint Peter and Saint Catherine of Siena Saint Jerome and Saint Th r se of Lisieux of humble little known figures like Felix of Nola Pelagia the Penitent and Leonard of Port Maurice and of sainted men and women associated with a particular place including Margaret of Scotland Rose of Lima

Elizabeth Ann Seton and Jun pero Serra In lively profiles written for contemporary readers Ghezzi chronicles their journeys of faith and their contributions to the vitality of the Church The voices of the saints resound throughout the book in quotations drawn from their own writings the works of biographers and the recollections of witnesses Readers can use Voices of the Saints in several different ways Organized alphabetically it serves as a helpful easy to use dictionary It also features a day by day numbering system ideal for daily readings notations at the end of each entry enabling the exploration of the lives in historical order an index that highlights particular themes including the intriguing Porcupine Saints and a calendar of saints days A fascinating look at disparate and unusual lives each one a rich source of illumination inspiration encouragement and motivation along with prayers and meditations Voices of the Saints is a valuable companion for members of Catholic Episcopal and other traditional churches and an enlightening introduction to the saints for general readers

Works Righteousness Anna L. Peterson,2020-10-19 In Works Righteousness Anna L Peterson examines the place of practice in contemporary ethical theory Peterson argues that rather than assuming that pre established moral ideas guide action ethicists should acknowledge and explore the relationship between ideas actions and results Both an analysis of alternative models in which practice plays a stronger role and an argument for taking practice more seriously in broad questions of ethics as well as in concrete case studies Works Righteousness contends that what we do generates and alters our values just as often as expressed values motivate or guide the ways we act Peterson here challenges prevailing philosophical and religious theories that ideas are what truly matter underlining the value of attention to people s concrete experiences and highlighting the relevance of theoretical insights to contemporary social issues such as climate change euthanasia and hate speech Through examinations of pragmatism Marxism and religious pacifism all of which significantly highlight a practice focused approach Works Righteousness addresses the way social structures condition moral ideas and actions the dangers of thinking about moral problems as polarized dilemmas and the complex mutual shaping of ideas and actions

Treatise On the Love of God St. Francis de Sales,1988-06 Masterful combination of theological principles and practical application regarding divine love the subject of Our Lord s first and greatest commandment Based on Scripture the Fathers St Thomas An acknowledged classic which goes to the heart of our religion *Catherine of Siena* Mary

O'Driscoll,2005-11 The selections from her writings found in the following pages will bring Catherine s lived theology to life inviting us to enjoy the fruit and not just be content with the outer rind of our Christian faith This is the best introduction to the prayer and ministry of St Catherine that I have read The texts are beautifully translated Benedict Ashley O P Aquinas Institute of Theology This anthology makes accessible to a large reading public the extraordinary sensitivity and affection of Catherine of Siena gifts grounded in love New Oxford Review Mary O Driscoll has skillfully selected and perceptively introduced the passages given here to represent the broad tapestry of Catherine s thought Suzanne Noffke O P This book is warmly and unreservedly recommended Austin Flannery Religious Life Review **Catherine of Siena , SERMONS,**
