i love you
enough to fight for you
compromise for you
enough to miss you deeply
no matter the length of time
or how far apart we are
enough to believe in our relationship
to stand by your side
to hold your hand through the ups and downs
to have faith and strength in our relationship
to never give up on you
i love you enough to spend forever with you
each day i fall more in love with you
making me realize
no amount of time is ever enough
and even one day
forever will run out
but i decided that will be fine
because getting to love you is worth it
