Loving Yourself for God's Sake Adolfo Quezada, 1997 Any place you open this book will provide you with opportunities for growth and healing This exquisite book of meditations gently directs the reader to see the gift of self in an entirely new and beautiful light It presents a spirituality of self love not based on narcissism but as a response to the divine invitation to self nurturing My hope is that this book can serve to remind us that loving ourselves is the link between loving God and loving others and it is for God s sake that we do all three From the New Preface to this edition     *A Legacy of Preaching, Volume One---Apostles to the Revivalists* Zondervan, 2018-11-13 *A Legacy of Preaching Volume One Apostles to the Revivalists* explores the history and development of preaching through a biographical and theological examination of its most important preachers Instead of teaching the history of preaching from the perspective of movements and eras each contributor tells the story of a particular preacher in history allowing the preachers from the past to come alive and instruct us through their lives theologies and methods of preaching Each chapter introduces readers to a key figure in the history of preaching followed by an analysis of the theological views that shaped their preaching their methodology of sermon preparation and delivery and an appraisal of the significant contributions they have made to the history of preaching This diverse collection of familiar and lesser known individuals provides a detailed and fascinating look at what it has meant to communicate the gospel over the past two thousand years By looking at how the gospel has been communicated over time and across different cultures pastors scholars and homiletics students can enrich their own understanding and practice of preaching for application today Volume One covers the period from the apostles to the revivalists and profiles thirty preachers including Paul by Eric Rowe Peter by David R Beck Melito of Sardis by Paul A Hartog Origen of Alexandria by Stephen O Presley Ephrem the Syrian by Jonathan J Armstrong Basil of Caesarea by Jonathan Morgan John Chrysostom by Paul A Hartog Augustine of Hippo by Edward L Smither Gregory the Great by W Brian Shelton Bernard of Clairvaux by Elizabeth Hoare Francis of Assisi by Timothy D Holder Saint Bonaventure by G R Evans Meister Eckhart by Daniel Farca Johannes Tauler by Byard Bennett John Huss by Mark A Howell Girolamo Savonarola by W Brian Shelton Martin Luther by Robert Kolb Ulrich Zwingli by Kevin L King Balthasar Hubmaier by Corneliu C Simu William Tyndale by Scott A Wenig John Calvin by Anthony N S Lane William Perkins by Dwayne Milioni Richard Baxter by Simon Vibert John Owen by Henry M Knapp John Bunyan by Larry Steven McDonald Matthew Henry by William C Watson and W Ross Hastings Francois F nelon by Martin I Klauber Jonathan Edwards by Gerald R McDermott John Wesley by Michael Pasquarello III George Whitefield by Bill Curtis and Timothy McKnight Volume Two available separately covers the period from the Enlightenment to the present day and profiles thirty one preachers including Charles Haddon Spurgeon D L Moody Billy Sunday Karl Barth D Martyn Lloyd Jones John Stott Harry Emerson Fosdick Martin Luther King Jr Billy Graham and more     **Spiritual Alphabet** St. Isaac the Syrian, 2017-10-24 Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without

Abraham, 2018-11-01 Volume III of a tetralogy devoted to Divine Agency and Divine Action articulates a comprehensive vision of systematic theology focused on divine action from creation to eschatology Volume I developed the foundational conceptual work by showing that the concept of action is a radically open concept that readily makes possible the appropriation of divine action for today Volume II explained that in exploring divine action one needs to specify the actual divine actions under review and thus showed that there could be no progress with extensive soundings across the tradition from Paul to Molina Work on divine action requires extended work in doctrinal criticism rooted in the history of theology as a prelude to normative work that communicates a normative vision of divine action for today This vision is best explored by taking up the great themes of systematic theology from creation to eschatology yet treating them in a deflationary manner that sees systematic theology as university level postbaptismal Christian instruction Leading scholar William J. Abraham recognises that we live in a golden period of theological studies the range and depth of material is extraordinary yet we also live in a period of disorientation and confusion that calls for a fresh engagement with the demands of systematic theology Divine Agency and Divine Action Volume III meets that demand by insisting that systematic theology has its own content and modes of inquiry that it belongs intimately to the journey of faith and that it requires authentic academic clarity and rigor It reclaims the rightful place of systematic theology as the center of gravity for theological studies but does so in a manner that makes it available to both the church and to the academy Spiritual Theology Simon Chan, 2025-10-14 Academy of Parish Clergy Top Ten Book Theology is the doctrine of living unto God wrote the Puritan theologian William Ames Unfortunately post Enlightenment theology has tended to divorce doctrine from living unto God And to the degree that this split has been deepened and perpetuated both theology and spirituality have been impoverished Spiritual Theology is a rare book In it Simon Chan surveys the little explored landscape where systematic theology and godly praxis meet highlighting the connections between Christian doctrine and Christian living and drawing out the spiritual implications of particular aspects of systematic theology Allowing rational formulations to drop into the background he brings

the mystery of the faith to the fore Chan begins with the principal doctrines of God sin salvation and the church He then progresses to a reflective consideration of the practice of the spiritual life from prayer to spiritual direction Unabashedly evangelical and truly ecumenical Chan grounds his exploration in the sources of the Protestant Catholic and Orthodox traditions His work is well abreast of contemporary theological currents and crossculturally conversant from an Asian perspective *Spiritual Theology* is a book for those who care deeply about theology and spirituality and strive to integrate the two It is well worth careful reflection and prayerful reading
