Death Brey Willows, 2018-03-13 Fun-loving Fury Megara Graves is seriously tired of working so hard. With the world collapsing around her, she no longer has time for the hedonistic lifestyle she adores. When religion merges with politics and both gods and humans show their true colors, she wonders if it would be better to let the world burn itself to the ground. Dani Morana, more commonly known as Death, is busy not just with people dying as usual but with the deaths caused by Chaos as well. She's been horribly lonely for a long time but knows no one could possibly love her for who she is. Overwhelmed when the world erupts in fear and violence, she needs someone to turn to. Will Meg and Dani be able to find their way through the darkness enveloping the earth? Or will Death be the last one standing? **Dear Love** Matthew Brna, 2003 Matthew's poetry is a symphonic loving ballet of metaphor composed with gracefully stern and romantic precision. His glorious romantic nature truly renders readers unto an exquisitely speechless loving reverie. **The Blue Coast of Dreams: A Tale of Love,**

Betrayal, and Redemption Pasquale De Marco, 2025-05-11 *The Blue Coast of Dreams: A Tale of Love, Betrayal, and Redemption* is a journey of discovery and enlightenment, a voyage along the breathtaking Blue Coast of Dreams, a stretch of coastline along the southern coast of Europe. Through the eyes of the locals, we will witness the timeless beauty of the coast from the sun-kissed beaches to the rugged mountains, explore its vibrant culture from the traditional festivals to the modern art scene, and delve into its history from the ancient civilizations that once ruled these lands to the modern nations that have emerged in their wake. Our journey will also be one of personal reflection. As we explore the Blue Coast of Dreams, we will explore our own hearts and minds, learning about the power of love, the importance of forgiveness, and the resilience of the human spirit. And we will discover that the Blue Coast of Dreams is more than just a place; it is a state of mind, a place where dreams can come true and where anything is possible. Join us on this extraordinary journey as we uncover the hidden gems of the Blue Coast of Dreams and discover the tales that have shaped its character. Through the stories of the people who call this region home, we will gain a deeper understanding of ourselves and the world around us. *The Blue Coast of Dreams: A Tale of Love, Betrayal, and Redemption* is a celebration of the human spirit, a testament to the power of dreams, and a reminder that anything is possible if we dare to believe. Midwife Parthenia Blenkinsop has delivered countless babies but nothing prepares her for the experience that unfolds when she arrives at Mary Wollstonecraft's door. Over the eleven harrowing days that follow as Mrs Blenkinsop fights for the survival of both mother and newborn, Wollstonecraft recounts the life she dared to live amidst the impossible constraints and prejudices of the late 18th century, rejecting the tyranny of men and marriage, risking everything to demand equality for herself and all women. She weaves her riveting tale to give her fragile daughter a reason to live, even as her own strength wanes. Wollstonecraft's urgent story of loss and triumph forms the heartbreakingly brief intersection between the lives of a mother and daughter who will change the arc of history and thought. In radiant prose, Samantha Silva delivers an ode to the dazzling life of Mary Wollstonecraft, one of the world's most influential thinkers and mother of the famous novelist Mary Shelley. But at its heart, *Love and Fury* is a story about the power of a woman reclaiming her own narrative to pass on to her daughter and all daughters for generations to come.

The Gathering Place Mitch Gray, 2018-04-18 One of the greatest callings within humanity is unity. To live together, walk together, work together, and serve together. In love, this calling can be brought to reality. *The Gathering Place* explores the opportunities of walking in love, acting in mercy, and speaking in grace. Love is present within each one of us. Within humanity, *The Gathering Place* entertains the idea of what living this life in love and making unity our mission can look like in this very moment.

The Gospel of Love According to Juan/a Bishop Pablo Virgilio S. David, DD, Nina L. B. Tomen, 2017-07-10 This book is the second in *The Gospel According to Juan/a*, a series. Like its precursor *The Gospel of Mercy According to Juan/a*, it is a compilation of true-to-life stories and reflections from the perspective of the Filipino everywoman. It is intended to be read as a prequel rather than a sequel to *The Gospel of Mercy* because love encompasses all virtues. It is only through the eyes of love where one can truly appreciate all that is good in the human spirit. In this day and age when there is but a thin line between virtual and real, one is hard put to see through the layers of filters that post-modern and post-truth civilization offers. To those who may find themselves lost in this maze, this book serves as a signpost that directs one back to the primary source of love, mercy, and compassion: the God who loved us first, Jesus, who taught us how to love, and the Holy Spirit who continually prompts us to keep loving despite the challenges and distractions.

Parents and Children: Relationships Born from Love: Inspired by the Wisdom of Yoga Anna V. In *Parents and Children: Relationships Born from Love*, you'll learn meditation techniques to calm emotions, yoga postures that promote a healthier body, and ways people of all ages can use yoga to alleviate the harmful effects of a wide spectrum of physical and emotional conditions. This is a clear, comprehensive, easy-to-understand and follow guidebook for creating happy, harmonious, loving family relationships. The book is written with such kindness and compassion, exactly the qualities the author hopes to awaken in her readers. This book could do immense good to help individuals and families find their way to the fulfillment of heart we all seek. Lundquist, 2016-11-30 Our amorous and erotic experiences do not simply bring us pleasure they shape our very identities our ways of relating to ourselves each other and our shared world This volume challenges some of our most prevalent assumptions relating to identity the body monogamy libido sexual identity seduction fidelity orgasm and more In twelve original and philosophically thought provoking essays the authors reflect on the broader meanings of love and sex what their shifting historical meanings entail for us in the present how they are constrained by social conventions the ambiguous juxtaposition of agency and passivity that they reveal how they shape and are formed by political institutions the opportunities they present to resist the confines of gender and sexual orientation how cultural artefacts can become incorporated into the body and how love and sex both form and justify our ethical world views Ideal for students both in philosophy and gender studies this highly readable book takes us to the very heart of two of the most important dimensions of human experience and meaning making to the seductive and alluring confusing and frustrating realms of love and sex
