Loving Jesus:

Loving Jesus Mark Allan Powell, The essence of spirituality is loving God says Powell The Bible the Talmud and the Quran all direct their followers not merely to believe in God to trust God to obey God and to serve God but to love God But how does one do that Can we learn to love God In this biblical spirituality for today Powell's earnest plea is for Christians to revisit their faith not by blazing in religious enthusiasm but by harboring a steadier flame and deeper commitment Living at the poetic heart of faith he argues entails seeing the coordinates of religious life love understanding truth hope and especially devotion in a new way Powell espouses the old fashioned idea of piety Drawing on his wide knowledge of the Bible and Christian tradition as well as insights from his own journey he shows how simple religious practices move us beyond the old certitudes of a naive and youthful faith into the less certain but more bracing terrain of a second naivete a closer walk with Jesus *Loving Jesus* Mark A. Scott, 2023-03-17 In the gospel of Saint Matthew Jesus is Emmanuel God with us or as Jesus himself puts it he is I Desire Coming I Will Heal and I Am with You Always The brief commentaries collected here initially presented by Cistercian abbot Mark A Scott in a series of chapter talks to his monastic community will welcome the reader into an intimate encounter with the love of Jesus as the evangelist Matthew presents him in chapters four through nine of his gospel These reflections also weave insights from the Rule of Benedict along with reflections on monastic life offering to all ecclesial communities and individual Christians rich nourishment for their loving Jesus in return **Loving**

Loving Jesus Lloyd Elcock, 2005-09 Christians do not love Jesus enough Indeed on a scale of 1 to 10 the average Christian's love for Him scores no more than 2 That is the startling message of Lloyd David Elcock's first volume of a series of scriptural expositions that he proposes to publish under the rubric What the gentiles have done to Christianity The foundation upon which he has built that series includes the following three cornerstones Biblical Christianity can accurately and justifiably also be called Jewish Christianity After the control and direction of Biblical Jewish Christianity was passed from Jewish to Gentile hands at the beginning of the 2nd century AD the Gentiles comprehensively deformed it and 1200 years later partially reformed it The salvage and recovery of Biblical Jewish Christianity begun five hundred years ago by Luther Calvin and the other Gentile Protestant Reformers is only fifty percent completed in particular a number of the most important doctrines of Biblical Jewish Christianity are yet to be recovered and their absence from today's Evangelical Church is the principal cause of the endemic and widespread carnality and stunted spiritual growth that characterize the lives and lifestyle of the overwhelmingly vast majority of born again Christians everywhere in the western world In this first volume the author puts forward the view that one of those as yet unretrieved fundamental doctrines is the major key to the Spirit filled life of love faith and power that is the ultimate goal of both Biblical Christianity and Gentile Evangelical Christianity That key he contends is hidden in plain view in the pages of the fourteenth chapter of John's Gospel

Love Lost in Translation K. Renato Lings, 2013-06-06 Love Lost in Translation systematically examines the biblical stories and passages that are generally assumed to deal with or comment on homoerotic relationships Noah and Ham Sodom and Gomorrah Leviticus 18 22 Deuteronomy 23 17 18 Judges 19 Romans 1 26 27 and 1 Corinthians 6 9 K Renato Lings convincingly demonstrates that mistranslations of these texts into Greek Latin and other languages occurred early and that serious errors continue to be committed by translators today This explains the painful controversy about same sex relationships which has rocked Christian churches for decades Love Lost in Translation proposes a fresh approach to translating the Bible by means of linguistic and literary criteria As demonstrated throughout this ground breaking book the method enables readers to become acquainted with the literary sophistication psychological insights and spiritual depth of the Bible Combining meticulous scholarship with an accessible style Love Lost in Translation provides a much needed infusion of essential learning into a subject that affects millions of Bible readers today

Where There Is Love, There Is God Mother Teresa, 2010-08-10 Mother Teresa's relationship with God and her commitment to those she served the poorest of the poor is here powerfully explored in her own words Taken largely from her private lessons to her sisters published here for the first time *Where There is Love There is God* unveils her extraordinary faith in and surrender to God's will This book is in some way a sequel to Mother Teresa's *Come Be My Light* in which her own very private spiritual struggles were explained Sent to alleviate the sufferings of the poor she assumed their struggles and pain in the depths of her heart This led to particularly intense anguish which she lived through with heroic courage and fidelity over several decades As important as this aspect of her life is that remarkable testimony of her life and her words intensifies the need and desire to know more of her thought There is much she can teach us as we face our daily struggles or sufferings which can at times be unusually severe *Where There is Love There is God* though not an exhaustive anthology of Mother Teresa's teaching nonetheless shows what she believed and taught about important issues that confront all people Due to her constant interaction with people of diverse backgrounds no life situation was foreign to her and in this book her role is primarily one of teacher and guide Love is perhaps the word that best summarizes Mother Teresa's life and message The title reflects what she proclaimed during her entire life God is alive present and still loves the world through you and through me Mother Teresa sought to be an extension of God's heart and hands in the world of today She was called to be a missionary of charity a carrier of God's love to each person she met especially those most in need Yet she did not think that this was a vocation uniquely hers each person is in some way called to be a carrier of God's love Through the practical and timely advice she offers Mother Teresa sets us on the path to closer union with God and greater love for our brothers and sisters

MOTHER TERESA 1910-1997 was born in Skopje present day Macedonia and joined the Sisters of Loreto in Dublin in 1928 She left the Loreto order in 1948 to begin the Missionaries of Charity in Calcutta Her service to the poorest of the poor became her life's work She was awarded the Nobel Peace Prize in 1979 and was beatified in 2003 Editor of *Mother Teresa Come Be My Light* FATHER BRIAN KOLODIEJCHUK M C Ph D was associated with Mother Teresa for twenty years and is now director of the Mother Teresa Center which has offices in California Mexico India and Italy What you are doing I cannot do what I'm doing you cannot do but together we are doing something beautiful for God and this is the greatness of God's love for us To give us the opportunity to become holy through the works of love that we do because holiness is not the luxury of the few It is a very simple duty for you for me you in your position in your work and I and others each one of us in the work in the life that we have given our word of honor to God You must put your love for God in a living action Mother Teresa From *Where There is Love There is God*

words of the fifteenth century cleric Thomas Kempis continue to resonate unbounded by time or geography Drawing on the Bible the Fathers of the early Church and medieval mysticism his four part treatise shrugs off the allure of the material world blending beauty and bluntness in a supremely spiritual call to arms This beautiful translation by Ronald Knox and Michael Oakley is considered by many teachers writers and readers to be the best English translation ever and one that greatly enhances the life changing insights of Thomas Kempis Illustrated If we could construct a composite picture of all great Christians Catholic or non Catholic of the last five hundred years who found The Imitation substantially beneficial enlightening and inspiring we would need no further proof that familiarity with this great classic is an integral part of a mature spiritual life and even a path to holiness Father Benedict J Groeschel C F R Author **Holy Fire and Living Stones**
