Lange,2024-12-17 Encouragement can come in many forms from believers to other believers It can also have an amazing effect on folks we barely know It doesn't cost much it can be given freely without qualification and it may very well change a person's direction in life Many have trudged through difficulties and problems that have beset their days and stolen their joy These same folks may not have revealed their troubles to anyone silently enduring gray hours without hope Let's face it encouragement is not a magic pill which when swallowed changes everything But I would not hesitate to give it if I thought there was the smallest chance that I could befriend could share a burden or lighten a load for another human being It is a heart attitude toward others who are fellow travelers on the road to eternity And it is a way to share Christ to those not on that road Readers need the willingness to spend time with another to be available often when very busy and to be given to the Lord's things *The Treasure* Becca Gunyon MCC,2019-01-09 True life is found in the unconditional love of God My performance based identity was rescued by the truth that we are treasured by the heart of God Transformation happened when I found myself wrapped immersed and overtaken by His love My heart's desire is that you will find yourself precious to the heart of God and captured by His tender powerful love for you are His special treasure I've had the pleasure of knowing the author my entire life Her heart for Jesus radiates her love for others is truly genuine Within these pages or devotionals infused with imagery Becca demonstrates the love of God to its fullest Anyone that reads will clearly see God's desire to have a relationship with His children you and me God asks us to Come as we are imperfect undeserving The choice is ours as He is waiting longing to hear from us By the Holy Spirit's power may He speak to you through the Treasure Series as He did me Micah Owings entrepreneur speaker former MLB pitcher scout coach loving brother Heavenly Recognition Henry Harbaugh,1867 **Buried Treasure** Hunter R. **Songs of Grace and Glory ... Hymnal treasures of the Church of Christ, from the sixth to the nineteenth century. Edited by C. B. Snepp ... Seventh thousand** Charles Busbridge SNEPP,1872 The Treasure of the Humble Maurice Maeterlinck,2015-12-31 INTRODUCTION WITH M Maeterlinck as a dramatist the world is pretty well acquainted This little volume presents him in the new character of a philosopher and an sthetician And it is in some sort an apology for his theatre the one being to the other as theory to practice Reversing the course prescribed by Mr Squeers for his pupils M Maeterlinck having cleaned w i n d e r winder now goes and spells it He began by visualising and synthetising his ideas of life here you shall find him trying to analyse these ideas and consumed with anxiety to tell us the truth that is in him It is not a truth for all markets he is at no pains to conceal that He appeals as every mystic must to the elect M Anatole France would say to the mes bien n es If we are not sealed of the tribe of Plotinus he warns us to go elsewhere If plunging thine eyes into thyself it is this same Plotinus that he is quoting thou dost not feel the charm of beauty it is in vain that thy disposition being such thou shouldst seek the charm of beauty for thou wouldst seek it only with that which is ugly and impure Therefore it is that the discourse we hold here is not addressed to all men If we are to follow him in his expedition to a philosophic Ultima Thule we must have the mind for that adventure We are here as he tells us elsewhere of the stiff but it seems admirable Ruysbroeck all of a sudden on the borderland of human thought and far across the Arctic circle of the spirit There is no ordinary cold no ordinary dark there and yet you shall find there naught but flames and light But to those who arrive without having trained their minds to these new perceptions the light and the flames are as dark and as cold as though they were painted This means that the intelligence the reason will not suffice of themselves we must have faith There are passages in the book which may provoke a sniff from Mr Worldly Wiseman but we must beware of the Voltairean spirit or this will be a closed book to us We live by admiration hope and love said Wordsworth And we understand by them M Maeterlinck would add I fear we are not all of us found worthy of the mystical frame of mind But it is a psychological fact like another and if we can only examine it from the outside we can at least bring patience and placidity to the task The point is has M Maeterlinck anything to say It will be found I think that he has All men the world has long been assured are born Aristotelians or Platonists There cannot be a doubt about M Maeterlinck s philosophic birthright He may say as Paul Verlaine
