Juliette Drouet's Love-Letters to Victor Hugo : Edited with a Biography of Juliette Drouet Louis Guimbaud, Juliette Drouet, 2013 Juliette Drouet s Love Letters to Victor Hugo Edited with a Biography of Juliette Drouet In the first portion we present the biography of Juliette Drouet in the form of a series of synthetic tableaux each tableau summarising several lustres of her life We thus avoid the long drawn out narrative year by year of an existence devoid of incident or adventure In the second we publish those letters which strike us as peculiarly eloquent witty or lyrical In the light shed upon them by the preliminary biography they form as one might say its justification and natural sequel At the outset of her liaison with the poet Juliette does not date her scribbles she merely notes the time of day and the day of the week until about 1840 we have therefore been obliged to content ourselves with the classification effected by her in the collection of her manuscripts and preserved by her executor From 1840 she dated every sheet Consequently our work simultaneously achieves more precision and certainty

From Movie City to Music City, USA Randall Rutledge, 2008-12 If you're interested in working in movies or making music and you were not privileged to be born the son or daughter of an already established named actor writer or musician that can open the door for you then this book is your guide Should you decide to take that leap from the normal to what everyone else considers the abnormal career choice the advice in this book can not only save you months and years of getting that first background artist job but can also save you hundreds and thousands of dollars that you do not need to spend in pursuit of the entertainment industry as a career Consider this book a basic training manual a no punches pulled guide to the obstacles that you are guaranteed to face while pursuing entertainment as the industry of your choice The main focus of this book is to educate those that wish to pursue show business regardless of one's area of interest within the performing arts whether one wants to be an actor or writer producer or director songwriter or recording artist They all have one ugly thing in common and that is the con artist They will promise you the world just to empty the contents of your wallet and bank account They will prey upon your dreams so that their gain is your nightmare Let this book be your shield for those that will use unscrupulous and unethical tactics against you While pursuing the entertainment industry as a career you will also be confronted with more obstacles walls and closed doors that will be just as disappointing as getting ripped off One thing you will find is that if you can't handle rejection and do not have thick skin then the entertainment industry definitely isn't for you However if you can keep getting back on that horse no matter how many times it throws you then this book will help you keep dusting yourself off and staying in the saddle Consider me as your wagon master guiding you through dangerous territory with all of its unpleasantness and uncertainties although I can't guarantee the success of your journey through show business as can no one I can at least point you in the right direction so you won't be lured off the beaten path by the bandits that hide and wait for you There will be those that will tell you that you will not succeed but in my opinion if your only goal is to work in movies and you only work as a movie extra then you have succeeded as success itself has many levels and one has to start somewhere Trust me some of today's big names were also once told go home you'll never make it and now they have a net worth of over 600 000 000 00 You may never become the 600 000 000 00 man or woman but no matter follow your heart do what you love and love what you do
