

Lovingly Georgia

J.K. Van Dover

Lovingly Georgia:

Lovingly, Georgia Georgia O'Keeffe, Anita Pollitzer, 1990

Lovingly, Georgia Georgia O'Keeffe, Anita Pollitzer, 1990

Georgia Dawn Tripp, 2017-01-17 NATIONAL BESTSELLER In a dazzling work of historical fiction in the vein of Nancy Horan's *Loving Frank* Dawn Tripp brings to life Georgia O'Keeffe her love affair with photographer Alfred Stieglitz and her quest to become an independent artist This is not a love story If it were we would have the same story But he has his and I have mine In 1916 Georgia O'Keeffe is a young unknown art teacher when she travels to New York to meet Stieglitz the famed photographer and art dealer who has discovered O'Keeffe's work and exhibits it in his gallery Their connection is instantaneous O'Keeffe is quickly drawn into Stieglitz's sophisticated world becoming his mistress protégé and muse as their attraction deepens into an intense and tempestuous relationship and his photographs of her both clothed and nude create a sensation Yet as her own creative force develops Georgia begins to push back against what critics and others are saying about her and her art And soon she must make difficult choices to live a life she believes in A breathtaking work of the imagination Georgia is the story of a passionate young woman her search for love and artistic freedom the sacrifices she will face and the bold vision that will make her a legend Praise for Georgia Complex and original Georgia conveys O'Keeffe's joys and disappointments rendering both the woman and the artist with keenness and consideration The New York Times Book Review As magical and provocative as O'Keeffe's lush paintings of flowers that upended the art world in the 1920s Tripp inhabits Georgia's psyche so deeply that the reader can practically feel the paintbrush in hand as she creates her abstract paintings and New Mexico landscapes Evocative from the first page to the last Tripp's Georgia is a romantic yet realistic exploration of the sacrifices one of the foremost artists of the twentieth century made for love USA Today Sexually charged insightful Dawn Tripp humanizes an artist who is seen in biographies as more icon than woman Her sensuous novel is as finely rendered as an O'Keeffe painting The Denver Post A vivid work forged from the actual events of O'Keeffe's life Tripp imbues the novel with a protagonist who forces the reader to consider the breadth of O'Keeffe's talent business savvy courage and wanderlust She is vividly alive as she grapples with success fame integrity love and family Salon

Georgia and Anita Liza Bennett, 2025-05 Georgia O'Keeffe knew as soon as she met Anita Pollitzer that they had nothing in common Anita looked like a china doll small boned and delicate and obviously well to do in her fashionable tunics and hobble skirts She had the kind of mouth that settled naturally into a smile which irritated O'Keeffe who had no time for dewy eyed girls Yet this first impression was the beginning of a lifelong friendship that had a tremendous impact on both women and on twentieth century America In Georgia and Anita Liza Bennett tells the little known story of their enduring friendship and its ultimately tragic arc It was Pollitzer who first showed O'Keeffe's work to family friend and mentor Alfred Stieglitz the world famous photographer whose 291 Gallery in New York City was the epicenter of the modern art world While O'Keeffe Stieglitz and their circle of friends were at the forefront of American modernism Pollitzer became a leader of the National Woman's

Party and was instrumental in the passage of the Nineteenth Amendment guaranteeing women the right to vote Based on extensive research including their fifty year correspondence Georgia and Anita casts light on the friendship of these two women who in different ways helped to modernize the world and women s roles in it For more information about Georgia and Anita visit georgiaandanita.com [The Love Lives of the Artists](#) Daniel Bullen,2013-02-12 As the oldest of institutions marriage seems outdated in modern times when each individual is encouraged to break with tradition in order to fulfill him or herself And so artists like Diego Rivera and Frida Kahlo seem to be paving the way toward a brave new kind of marriage where spouses would be allowed even encouraged to fulfill different aspects of themselves in outside relationships Shared creativity they believed would transcend their jealousies and compensate their sufferings through art they would rise above conventional marital fidelity and prove a higher fidelity to art and to themselves The Love Lives of the Artists tells the stories of Rainer Maria Rilke and Lou Andreas Salom Alfred Stieglitz and Georgia O Keeffe Jean Paul Sartre and Simone de Beauvoir Diego and Frida and Henry Miller and Ana s Nin five couples who approached their relationships with the same rebellious creativity as they practiced in their art From their early artistic development and their first experiences in love to their artistic marriages and their affairs and then to their fights and reconciliations addictions nervous breakdowns and continued creativity The Love Lives of the Artists describes the promise and the price of freedom and creativity in love [Introduction to Georgia Writers](#) Bertha Sheppard Hart,1929 **Big Wonderful Thing** Stephen Harrigan,2019-10-01 The story of Texas is the story of struggle and triumph in a land of extremes It is a story of drought and flood invasion and war boom and bust and of the myriad peoples who over centuries of conflict gave rise to a place that has helped shape the identity of the United States and the destiny of the world I couldn t believe Texas was real the painter Georgia O Keeffe remembered of her first encounter with the Lone Star State It was for her the same big wonderful thing that oceans and the highest mountains are Big Wonderful Thing invites us to walk in the footsteps of ancient as well as modern people along the path of Texas s evolution Blending action and atmosphere with impeccable research New York Times best selling author Stephen Harrigan brings to life with novelistic immediacy the generations of driven men and women who shaped Texas including Spanish explorers American filibusters Comanche warriors wildcatters Tejano activists and spellbinding artists all of them taking their part in the creation of a place that became not just a nation not just a state but an indelible idea Written in fast paced prose rich with personal observation and a passionate sense of place Big Wonderful Thing calls to mind the literary spirit of Robert Hughes writing about Australia or Shelby Foote about the Civil War Like those volumes it is a big book about a big subject a book that dares to tell the whole glorious gruesome epically sprawling story of Texas *The Living Line* Robin Veder,2015-04-07 Robin Veder s The Living Line is a radical reconceptualization of the development of late nineteenth and early twentieth century American modernism The author illuminates connections among the histories of modern art body cultures and physiological aesthetics in early twentieth century American culture fundamentally altering our perceptions

about art and the physical and the degree of cross pollination in the arts The Living Line shows that American producers and consumers of modernist visual art repeatedly characterized their aesthetic experience in terms of kinesthesia the sense of bodily movement They explored abstraction with kinesthetic sensibilities and used abstraction to achieve kinesthetic goals In fact the formalist approach to art was galvanized by theories of bodily response derived from experimental physiological psychology and facilitated by contemporary body cultures such as modern dance rhythmic gymnastics physical education and physical therapy Situating these complementary ideas and exercises in relation to enduring fears of neurasthenia Veder contends that aesthetic modernism shared industrial modernity's objective of efficiently managing neuromuscular energy In a series of finely grained and interconnected case studies Veder demonstrates that diverse modernists associated with the Armory Show the Société Anonyme the Stieglitz circle especially O'Keeffe and the Barnes Foundation participated in these discourses and practices and that kinesthetic modernism greatly influenced the formation of modern art in America and beyond This daring and completely original work will appeal to a broad audience of art historians historians of the body and American culture in general

New Trends in Psychobiography Claude-Hélène Mayer, Zoltan Kovary, 2019-08-06 This volume offers insights into contemporary trends and perspectives in psychobiographical research It applies new theoretical and methodological frameworks and presents discourses on psychobiography from transdisciplinary backgrounds and various socio-cultural contexts displaying the new state of the art new trends and themes in psychobiography The book outlines psychobiography's outstanding contribution to psychology from 36 internationally reputable authors It also presents the ideas of five outstanding psychobiographers through interview excerpts This book is a must for researchers lecturers and practitioners in the field of psychology and social sciences interested in the use of new psychological theories and methodologies in life span research

Walking Well Michael J. Gelb, Bruce Fertman, 2024-09-03 You wouldn't think that you need experts to tell you if and how walking is good for you but we were surprised at how full of contemplative practices and wisdom these 200 pages were A Spirituality Practice Best Spiritual Book of 2024 Walking is good for you It can regulate weight improve sleep elevate mood transform stress and boost creativity Most people want to walk more But what if the key isn't just to walk more but to walk better Walking Well presents a three part journey that will guide you to discover more comfort vitality and inspiration in every step Filled with simple practical guidance from authors with over a hundred years of collective experience in teaching people how to move well this book not only improves how we walk but reveals how much is possible for us once we know how to walk well

A Bluestocking in Charleston Louise Anderson Allen, 2001 In early 20th century Charleston Laura Bragg was called a woman ahead of her time a fresh drink of water in a cultural desert but never a proper Southern lady This biography tells the story of the woman who changed the cultural face of Charleston and the nation's approach to museum education

Suffrage Ellen Carol DuBois, 2021-02-23 Honoring the 100th anniversary of the 19th amendment to the Constitution this indispensable book Ellen Chesler's magazine explores the full scope of the movement

to win the vote for women through portraits of its bold leaders and devoted activists Distinguished historian Ellen Carol DuBois begins in the pre Civil War years with foremothers Lucretia Mott Elizabeth Cady Stanton Susan B Anthony and Sojourner Truth as she meticulously and vibrantly chronicles Booklist the links of the woman suffrage movement to the abolition of slavery After the Civil War Congress granted freed African American men the right to vote but not white and African American women a crushing disappointment DuBois shows how suffrage leaders persevered through the Jim Crow years into the reform era of Progressivism She introduces new champions Carrie Chapman Catt and Alice Paul who brought the fight to the 20th century and she shows how African American women led by Ida B Wells Barnett demanded voting rights even as white suffragists ignored them DuBois explains how suffragists built a determined coalition of moderate lobbyists and radical demonstrators in forging a strategy of winning voting rights in crucial states to set the stage for securing suffrage for all American women in the Constitution In vivid prose DuBois describes suffragists final victories in Congress and state legislatures culminating in the last most difficult ratification in Tennessee Ellen DuBois enables us to appreciate the drama of the long battle for women s suffrage and the heroism of many of its advocates Eric Foner author of The Second Founding How the Civil War and Reconstruction Remade the Constitution DuBois follows women s efforts to use their voting rights to win political office increase their voting strength and pass laws banning child labor ensuring maternal health and securing greater equality for women Suffrage Women s Long Battle for the Vote is a comprehensive history that deftly tackles intricate political complexities and conflicts and still somehow read with nail biting suspense The Guardian and is sure to become the authoritative account of one of the great episodes in the history of American democracy [Calling Texas Home](#) Wells Teague,2000 This colorful trove of facts trivia and historical tidbits on the Lone Star gives the lowdown on the sprawling state and tells the story of its people **Czechs Won't Get Lost in the World, Let Alone in America** Miloslav Rechcigl Jr.,2018-05-02 This book features a panorama of the lives of selected personalities whose roots had origin in the Czech lands and who in the US reached extraordinary success and who with their activities substantially influenced the growth and development of their new homeland It is a saga of plain as well as powerful people whose influence and importance often exceeded the borders of the US A great portion of included individuals may be unknown to readers since it concerns persons whose Czech origin was usually not known The book covers the total period from the times of the discovery of New World to the end of the twentieth century During the selection little concern was given to nationalistic or ethnographic criteria the only prerequisite was that the respected individuals were either born on the territory of the Czech lands or were descendants of emigrants from the Czech lands The image on the front cover is a portrait of Augustine Herman Lord of Bohemia Manor the first documented Czech immigrant in the United States The portrait comes from his famous Map of Maryland and Virginia dated 1670 The colorful story of his life would be unbelievable if made into a movie Pioneer merchant explorer surveyor map maker patriot rebel diplomat and finally Lord Read more about him in the book **Texas**

Sky Wyman Meinzer,1998 Declared Texas State Photographer for 1997 the author celebrates his native state with a collection of some 114 pages of color photographs along with a thoughtful accompanying essay by John Graves that captures the essence of Texas UP

The Book of Pet Love and Loss Sara Bader,2023-06-13 This collection of quotations heartfelt thoughts and memories discovered in letters journals diaries memoirs and other original sources by writers leaders and legends captures the profound connection we share with our animal companions and also provides comfort for those who have lost a pet

Beyond the Sea of Beer Miloslav Rechcigl Jr.,2017-11-09 This is a comprehensive history of immigrants from the historic lands of the Bohemian Crown and its successor states including Czechoslovakia and the Czech Republic based on the painstaking lifetime research of the author The reader will find lots of new information in this book that is not available elsewhere The title of the book comes from a popular song of the famous Czech artistic duo Voskovec and Werich who described America in those words when they lived here reflecting on their love for this country It covers the period starting soon after the discovery of the New World to date The emphasis is on the US although Canada and Latin America are also covered It covers the arrival and the settlement of the immigrants in various states and regions of America their harsh beginnings the establishment of their communities and their organization A separate section is devoted to the contributions of notable individuals in different areas of human endeavor including Bohemians Moravians Bohemian Jews and the Slovaks These people excelled in just about every facet of human undertaking Even though a total number of these immigrants were fewer than other ethnic groups their accomplishments were phenomenal Nothing like this has ever been published since the time Thomas Capek wrote his classic The Cechs Bohemians in America some one hundred years ago

Mind Management, Not Time Management David Kadavy,2020-10-27 OVER 40 000 COPIES SOLD An exhilarating but highly structured approach to the creative use of time Kadavy s approach is likely to spark a new evaluation of conventional time management Kirkus Reviews You have the TIME Do you have the ENERGY You ve done everything you can to save time Every productivity tip every life hack every time management technique But the more time you save the less time you have The more overwhelmed stressed exhausted you feel Time management is squeezing blood from a stone Introducing a new approach to productivity Instead of struggling to get more out of your time start effortlessly getting more out of your mind In Mind Management Not Time Management best selling author David Kadavy shares the fruits of his decade long deep dive into how to truly be productive in a constantly changing world Quit your daily routine Use the hidden patterns all around you as launchpads to skyrocket your productivity Do in only five minutes what used to take all day Let your passive genius do your best thinking when you re not even thinking Writer s block is a myth Learn a timeless lesson from the 19th century s most underrated scientist Wiold all of the power of technology with none of the distractions An obscure but inexpensive gadget may be the shortcut to your superpowers Keep going even when chaos strikes Tap into the unexpected to find your next Big Idea Mind Management Not Time Management isn t your typical productivity book It s a gripping page turner

chronicling Kadavy's global search for the keys to unlock the future of productivity You'll learn faster make better decisions and turn your best ideas into reality Buy it today **Making the Detective Story American** J.K. Van Dover, 2010-04-19

This critical text examines the fiction of Earl Derr Biggers S.S. Van Dine and Dashiell Hammett during a crucial half decade when they transformed the detective story The characters they created including Charlie Chan Philo Vance and the Continental Op represented a new style of detective solving crimes in fresh ways Their successes would push crime and detective fiction in startling and rejuvenating directions Topics covered include the highbrow detective the ethnic detective the exploitation of contemporary sensations and the exploitation of women Instructors considering this book for use in a course may request an examination copy here [An Unfinished Revolution](#) Marguerite Kearns, 2021-06-01 Through the lens of one family's history *An Unfinished Revolution* tells the story of the suffrage movement and the ongoing struggle for women's rights in the United States The book opens with ten year old Marguerite Kearns listening to her grandfather Wilmer's stories about how he met her grandmother Edna a ninth generation Quaker and ardent suffrage campaigner and how he fell in love with her Wilmer who became a male suffrage activist himself also shares the story of the Spirit of 1776 suffrage campaign wagon that Edna and others used while organizing in New York State in 1913 After sitting for years in a Kearns family garage the wagon is currently housed in the permanent collection of the New York State Museum as a prime artifact in the national suffrage movement As Marguerite grows older she draws on a wide variety of sources from family stories and photographs to archives and scholarly histories to piece together the real life narrative of her family Profoundly changed in the process she becomes an activist herself and when she marches in a present day women's march she carries a photo of her grandparents participating in a 1914 women's march in New York With the women's suffrage movement as the backdrop this memoir and family history illuminates how activism passes from one generation to another and how a horse drawn suffrage campaign wagon became a symbol of freedom and equality
