Lowland Rider Chet Williamson, 1988 Dreamthorp Chet Williamson, 2015-03-26 Welcome to Dreamthorp A sleepy little Pennsylvania resort town where city folks can get away from it all A town where a woman who saw her best friend mutilated by a crazed sex killer can hide and forget until haunted relics of another age awaken an ancient evil and unleash a human horror that has no place outside of Hell **Second Chance** Chet Williamson, 2010-11-23 A breathtaking novel of dark suspense and bittersweet nostalgia Second Chance breaks new ground for a writer whose work critics have favorably compared to such disparate writers as Camus Cheever and Stephen King In Second Chance Chet Williamson defines a generation and gives readers the ride of their lives through a disquietingly different and threatened America Thrills romance and nail biting suspense combine to create a novel in which a Big Chill like gathering of old friends could lead to the real Big Chill for every person on Earth It all begins innocently enough Woody Robinson a successful musician gathers his baby boomer friends and recreates an evening in 1969 out of nostalgia for his long dead love Tracy The party quickly becomes a wake for lost ideals and then something more as time and fate play wonderful and terrible tricks on the celebrants By the evening s end Tracy is back in Woody s life as though she had never left But there is another change as well a shocking one His name is Pan An environmental terrorist who wants to save the world by destroying humanity he has the deadly viral ammunition to do just that Pan will prove that the darker side of the sixties isn t dead it s only been sleeping Now it s awake and furious And only one man and one woman can stop the nightmare With the swirling color and magic of a Fillmore West poster the hallucinogenic impact of a Jim Morrison lyric and the wistful voice of early Dylan Second Chance is an unforgettable tale of love loss and redemption an electrifying synthesis of past and present that will enchant its readers today and haunt them tomorrow PRAISE FOR SECOND CHANCE Publishers Weekly This time travel thriller is great fun throughout capped by an unexpected but suitably quirky finale Time Tunnel a novel of suspense and fantasy but more than that it is a piercing look at idealism unhinged of the world shattering power of love hate and zealous belief one of the most unusual and moving books in a long time Charles De Lint in Magazine of Fantasy and Science Fiction there s a reason for my enthusiasm for Williamson s work he has never let me down And Second Chance is no exception New York Review of Science Fiction Second Chance quirky time traveling ghost story that it is with all its dreams and nightmares blossoming out of the fertile soil of drugs and rock and roll remains a wonderful and dreadful evocation of the way in which history and politics haunt us all **McKain's Dilemma** Chet Williamson, 2012-01-01 Carlton Runnells is gay and has profited mightily from a marriage of convenience he s become one of the richest men in his rural Pennsylvania area Now his lover has disappeared and Runnells is afraid that something might have happened to him McKain has dealt with domestic cases before the sexes may be different but the procedures remain the same Until the lover turns up dead and McKain has every reason to believe that his client is responsible McKain faces a dilemma in regards to the murder which ultimately slams into him when he

makes one final discovery As illness and guilt work at him McKain finds the solution if he can make it happen McKain's Dilemma is a moving compassionate and different private eye story and the work of an expert craftsman *Hunters* Chet Williamson, 2011-01-01 Deer season in northern Pennsylvania when the woods explode with gunfire and bloody carcasses hang from cross poles Only this time the carcasses aren't just deer The Wildlife Liberation Front a bloodthirsty and radical animal rights group has decided to turn the tables on hunters this year with bullets blades and bombs And Ned Craig a non-violent game warden finds himself the target of not only the WLF but another killer from his past with a more personal grudge While bodies pile up as quickly as the snow in the most vicious storm in years Ned and the woman he loves are finally trapped at a rusting fire tower on the edge of a cliff Hunted by both a cadre of armed terrorists and a suicidal maniac Ned has to confront them all along with his own fears or else become the final victim in the bloodbath **A Dark Night's**
