Low-Cost Approaches to Promote Physical and Mental Health Luciano L'Abate,2007-06-06 Most physical and mental health professionals will agree that their time space and funds are generally in short supply even under optimal conditions Their participants clients or patients too will admit to similar deficits of time and patience even with optimal motivation Overburdened mental health

facilities are trying to cope with limited budgets and overworked and underpaid personnel Low Cost Approaches to Promote Physical and Mental Health addresses both sides of this shortfall by offering either self administered or easily administered verbal and non verbal interventions designed to promote positive health behaviors while requiring little or no outside funding Editor Luciano L Abate continues his long tradition of prolific innovations by identifying major changes in today s health care systems and explaining how targeted prescriptive promotion prevention strategies can enhance traditional primary secondary and tertiary interventions in key behavioral and relational areas Nutrition weight obesity control diets meal planning vitamins and minerals herbal supplements Exercise expressive movement relaxation meditation and mindfulness Writing for mental health promotion from structured protocols workbooks to less structured focused expressive and guided writing including diaries and autobiographies Sex sexuality affection intimacy and fear of intimacy Mother child bonding as well as couple and family togetherness Spirituality and forgiveness in dealing with inevitable life hurts and disappointments Friendships and support groups Plus leading edge interventions including emotional intelligence animal companionship and computer technology Reviews of each promotional approach are engaging effective and consistent with standard psychological practice for lasting results either away from or in addition to non clinical and clinical settings schools hospitals seniorcitizen centers etc L Abate and his fifty colleagues have designed a future oriented sourcebook for mental and public health professionals who want to maximize their resources and those of their participants Escaping the Racism of Low Expectations Barbara from Harlem,2018-05-15 I was a liberal by default I asked no questions I had no answers I just pulled the lever to vote for Democrats as was expected of me Most of my fellow Black Americans do not fully understand what the term liberal means or who or what they are voting for And in turn they don t realize how harmful those liberal policies are to our freedoms and liberties as Americans I was born into a culture that believes Black equals Democrat A broken home failed marriage and a feeling of victimization fueled my need for inclusion which the Democratic Party fulfilled As an activist and member of the NAACP and Democratic Clubs in Harlem the men I looked up to the Rev Jesse Jackson whom I also campaigned for Congressman Charlie Rangel and Rev Al Sharpton reinforced the negative perceptions that shaped my world But just like false prophets the false narrative that has been spoon fed to us by Black leaders the Black community the media and progressive politicians has enslaved Blacks in a victimhood mentality and entitlement mindset But my eyes were opened to reject victimhood and lack of accountability My journey has proven to me that when you have clarity of conscience love of God and a deep seated belief in America s goodness your life will be enriched and your focus will change to one of accountability *The American book circular of Sampson Low, son and & co* Low Sampson Marston and co, ltd,1854

Late Medieval Mysticism of the Low Countries Rik Van Nieuwenhove,Rob Faesen,H. Rolfson,2008 When one looks at an icon one has the sense that God is looking back Our whole person is involved What the prayers and music of the Feast convey through the ears the icon conveys visually This book showcases a collection of extraordinarily beautiful icons that

introduces readers and art appreciators to the spiritual riches of the Byzantine liturgical tradition The author Father Michael Evdokimov presents an icon for each of the twelve great feasts of the Orthodox Christian liturgical year Preceding each icon is a brief commentary of what the reader can hope to find in the icon including nuances that a casual observer might miss Facing each icon are prayers appropriate for meditating on the icon Quotations from spiritual writers of all ages of Christianity are interspersed in the book In a simple straightforward manner Evdokimov shows how the prayers and the icons used to worship God can nourish the spiritual life Although he sets before his readers beliefs and practices common to Orthodox people everywhere in the world anyone who appreciates beautiful art will find much to savor here

When They Go Low, We Go High Philip Collins, 2018-07-17 Can a good speech save democracy Anyone interested in the past present and future of speeches and speechwriting will find this a fascinating read The Spectator When First Lady Michelle Obama approached the podium at the 2016 Democratic National Convention nobody could have predicted that her rousing line When they go low we go high would become the motto for the political left and an anthem for opponents of oppression worldwide It was a speech with the kind of emotional pull rarely heard these days joining a long list of addresses that have made history But what was it that made this speech so great When They Go Low We Go High explores the most notable speeches in history analyzing the rhetorical techniques to uncover how the right speech at the right time can profoundly shape the world Traveling across continents and centuries political speechwriter Philip Collins reveals what Thomas Jefferson owes to Cicero and Pericles who really gave the Gettysburg Address and what Elizabeth I shares with Winston Churchill In telling the stories of famous and sometimes infamous speeches including those from Lincoln Woodrow Wilson JFK Martin Luther King Jr Disraeli Hitler Elie Wiesel Margaret Thatcher and Barack and Michelle Obama Collins breathes new life into words you thought you knew well telling the story of democracy Whether it's the inaugural addresses of presidents or the revolutionary writings of Castro Pankhurst and Mandela Collins illuminates and contextualizes these moments with sensitivity and humor When They Go Low We Go High examines the power of public speaking and serves as an urgent reminder that words can change the world Hits on three unassailable truths rhetoric and democracy must go hand in hand democracy for all of its flaws is superior to tyranny and democracy is currently under assault Paste Collins understands intimately the mechanics of rhetoric He believes that we as human beings possess the capacity to extract ourselves from the swamp in which we have sunk The Times

The Survival of the Jesuits in the Low Countries, 1773-1850 Leo

Kenis, Marc Lindeijer, 2019-12-20 How the Jesuits re emerged after forty years of suppression In 1773 Pope Clement XIV suppressed the Society of Jesus For the 823 Jesuits living in the Low Countries it meant the end of their institutional religious life In the Austrian Netherlands the Jesuits were put under strict surveillance but in the Dutch Republic they were able to continue their missionary work It is this regional contrast and the opportunities it offered for the Order to survive that make the Low Countries an exceptional and interesting case in Jesuit history Just as in White Russia former Jesuits and new Jesuits in the Low Countries prepared for the restoration of the Order with the help of other religious priests and lay benefactors In 1814 eight days before the restoration of the Society by Pope Pius VII the novitiate near Ghent opened with eleven candidates from all over the United Netherlands Barely twenty years later the Order in the Low Countries by then counting one hundred members formed an independent Belgian Province A separate Dutch Province followed in 1850 Obviously the reestablishment with new churches and new colleges carried a heavy survival burden in the face of their old enemies and the black legends they revived the Jesuits had to retrieve their true identity which had been suppressed for forty years Contributors Peter van Dael SJ Vrije Universiteit Amsterdam Joep van Gennip Tilburg School of Catholic Theology Michel Hermans SJ University of Namur Marek Inglot SJ Pontifical Gregorian University Rome Frank Judo lawyer Brussels Leo Kenis KU Leuven Marc Lindeijer SJ Bollandist Society Brussels Jo Luyten KADOC KU Leuven Kristien Suenens KADOC KU Leuven Vincent Verbrugge historian **The Scene of Harlem Cabaret** Shane Vogel, 2009-04 Harlem s nightclubs in the 1920s and 30s were a crucible for testing society s racial and sexual limits Combining performance theory historical research and biographical study this title explores the role of nightlife performance as a definitive touchstone for understanding the racial and sexual politics of the early 20th century **Seeing High and Low** Patricia Johnston, 2006-06-14 Publisher Description
