## **Lucca 1430-1494 The Reconstruction Of An Italian City Republic:**

**Lucca, 1430-1494** M. E. Bratchel, 1995 Traces the history of the city republic of Lucca in the 15th century covering a wide range of important themes and topics in Lucchese history and making a scholarly contribution to our present knowledge of 15th century Italian history *Lucca, 1430-1494* M. E. Bratchel, 1995 This is the first full scholarly history of Lucca in the fifteenth century from the overthrow of the Guinigi despotism to the beginning of the French invasion of Italy Thoroughly grounded in the archives the study covers a wide range of important themes and topics in Lucchese history Dr Bratchel explores both the politics and the economy of the city examining city governance and relations with its subject communities He sets Lucca in its regional context as an important city republic and as a neighbour of the large and powerful city of Florence His study makes an important contribution to knowledge of fifteenth century Italian history **Reason and Experience in Renaissance Italy** Christine Shaw, 2021-11-25 A wide ranging survey of the political principles which underlay or were used to justify political proposals and decisions in Renaissance Italy **Medieval Lucca** M. E. Bratchel, 2008-09-04 Although there are many books in English on the city and state of Lucca this is the first scholarly study to cover the history of the entire region from classical antiquity to the end of the fifteenth century At one level it is an archive based study of a highly distinctive political community at another it is designed as a contribution to current discussions on power structures the history of the state and the differences between city states and the new territorial states that were emerging in Italy by the fourteenth century There is a rare consensus among historians on the characteristic features of the Italian city state essentially the centralization of economic political and juridical power on a single city and in a single ruling class Thus defined Lucca retained the image of an old fashioned old style city republic right through until the loss of political independence in 1799 No consensus exists with regard to the defining qualities of the Renaissance state Was it centralized or de centralized intrusive or non interventionist The new regional states were all these things And the comparison with Lucca is complicated and nuanced as a result Lucca ruled over a relatively large city territory in part a legacy from classical antiquity Lucca was distinctive in the pervasive power exercised over its territory largely a legacy of the region's political history in the early and central middle ages In consequence the Lucchese state showed a marked continuity in its political organization and precociousness in its administrative structures The qualifications relate to practicalities and resources The coercive powers and bureaucratic aspirations of any medieval state were distinctly limited whilst Lucca's capacity for independent action was increasingly circumscribed by the proximity and territorial enclaves of more powerful and predatory neighbours **Black Africans in Renaissance Europe** T. F. Earle, K. J. P. Lowe, 2005-05-26 This highly original book opens up the almost entirely neglected area of the black African presence in Western Europe during the Renaissance Covering history literature art history and anthropology it investigates a whole range of black African experience and representation across Renaissance Europe from various types of slavery to black musicians and dancers from real and symbolic Africans at

court to the views of the Catholic Church and from writers of African descent to Black African criminality Their findings demonstrate the variety and complexity of black African life in fifteenth and sixteenth century Europe and how it was affected by firmly held preconceptions relating to the African continent and its inhabitants reinforced by Renaissance ideas and conditions Of enormous importance both for European and American history this book mixes empirical material and theoretical approaches and addresses such issues as stereotypes changing black African identity and cultural representation in art and literature     Europe's Rich Fabric Bart Lambert,Katherine Anne Wilson,2016-12-05 Throughout human history luxury textiles have been used as a marker of importance power and distinction Yet as the essays in this collection make clear the term luxury is one that can be fraught with difficulties for historians Focusing upon the consumption commercialisation and production of luxury textiles in Italy and the Low Countries during the late medieval and early modern period this volume offers a fascinating exploration of the varied and subtle ways that luxury could be interpreted and understood in the past Beginning with the consumption of luxury textiles it takes the reader on a journey back from the market place to the commercialisation of rich fabrics by an international network of traders before arriving at the workshop to explore the Italian and Burgundian world of production of damasks silks and tapestries The first part of the volume deals with the consumption of luxury textiles through an investigation of courtly purchases as well as urban and clerical markets before the chapters in part two move on to explore the commercialisation of luxury textiles by merchants who facilitated their trade from the cities of Lucca Florence and Venice The third part then focusses upon manufacture encouraging consideration of the concept of luxury during this period through the Italian silk industry and the production of high quality woollens in the Low Countries Graeme Small draws the various themes of the volume together in a conclusion that suggests profitable future avenues of research into this important subject     **The Venetian Money Market** Reinhold C. Mueller,2019-12-01 The long awaited conclusion to the magisterial Money and Banking in Medieval and Renaissance Venice Originally published in 1997 In 1985 Frederic C Lane and Reinhold C Mueller published the magisterial Money and Banking in Medieval and Renaissance Venice volume 1 Coins and Moneys of Account Now after ten years of further research and writing Reinhold Mueller completes the work that he and the late Frederic Lane began The history of money and banking in Venice is crucial to an understanding of European economic history Because of its strategic location between East and West Venice rapidly rose to a position of preeminence in Mediterranean trade To keep trade moving from London to Constantinople and beyond Venetian merchants and bankers created specialized financial institutions to serve private entrepreneurs and public administrators deposit banks foreign exchange banks a grain office and a bureau of the public debt This new book clarifies Venice s pivotal role in Italian and international banking and finance It also sets banking and panics in the context of more generalized and recurrent crises involving territorial wars competition for markets and debates over interest rates and the question of usury     The Silk Industry of Renaissance Venice Luca MolÃ,2000-03-24 The manufacture of luxury textiles such as silk was central to an

Italian Renaissance economy based on status and conspicuous consumption From the rapidly changing fashions that drove demand to the jobs created for craftsmen weavers and merchants the wealth and prestige associated with silk throughout Europe made it Italy's leading export industry In this important book Luca Mol examines the silk industry in Renaissance Venice amid changing markets suppliers producers and government regulations Drawing on archival research and a vast amount of European scholarship Mol documents the innovations Venetians made in manufacturing and marketing to spur the silk industry He uncovers the alliance between manufacturers and government to promote the industry in a changing international economic environment Through flexible laws quality was regulated to meet the varying requirements of an increasing range of customers Mol also analyzes state policy that favored the development and organization of silk producers throughout the Terraferma His findings contribute in an important way to the ongoing scholarly assessment of Venice's place in the economy of the Renaissance and the Mediterranean world

**Making Copies in European Art 1400-1600**

,2018-11-26 Making Copies in European Art 1400-1600 comprises sixteen essays that explore the form and function manner and meaning of copies after Renaissance works of art The authors construe copying as a method of exchange based in the theory and practice of imitation and they investigate the artistic techniques that enabled and facilitated the production of copies They also ask what patrons and collectors wanted from a copy which characteristics of an artwork were considered copyable and where and how copies were stored studied displayed and circulated Making Copies in European Art in addition to studying many unfamiliar pictures incorporates previously unpublished documentary materials

**1995 Massimo**

Mastrogregori,2014-02-21 Annually published since 1930 the International bibliography of Historical Sciences IBOHS is an international bibliography of the most important historical monographs and periodical articles published throughout the world which deal with history from the earliest to the most recent times The works are arranged systematically according to period region or historical discipline and within this classification alphabetically The bibliography contains a geographical index and indexes of persons and authors

**Hidden Tuscany** John Keahey,2014-07-15 In Hidden Tuscany acclaimed

author John Keahey takes the reader into a part of Tuscany beyond the usual tourist destinations of Chianti Florence and Siena The often overlooked western portion of Tuscany is rich with history cuisine and scenery begging to be explored and Keahey encourages travelers to abandon itineraries and let the grooves in the road and the curves of the coast guide your journey instead Follow Keahey as he turns off the autostrada and takes roads barely two lanes wide to discover fishing villages along the Tuscan sea Then move inland into rolling foothills adorned with cherry orchards ancient olive groves and sweeping vineyards that produce wines that challenge Chianti's best Here it is still possible to follow the paths of Romans Crusaders and pilgrims from throughout the western world who were eager to reach Rome Hidden Tuscany provides intriguing images of places such as Livorno a port city with canals Pietrasanta Tuscany's Citta d'Arte and Capraia an island formed by volcanoes Keahey engages with the inhabitants of these enchanting landscapes whether sculptors who toil in

marble studios or residents whose own memories and traditions illuminate major moments in world history From coastal towns to vineyards farther inland to the Tuscan archipelago Keahey reminds us that each village city and island has its own unique story to tell For armchair travelers and vacation seekers alike Hidden Tuscany brings a new side of this classic Italian region to life and the result is mesmerizing

### **Women, Rhetoric, and Drama in Early Modern Italy**

Alexandra Collier, 2017-07-06 Sixteenth century Italy witnessed the rebirth of comedy tragedy and tragicomedy in the pastoral mode Traditionally we think of comedy and tragedy as remakes of ancient models and tragicomedy alone as the invention of the moderns Women Rhetoric and Drama in Early Modern Italy suggests that all three genres were in fact remarkably new if dramatists intriguingly sympathetic portrayals of and sustained investment in women as vibrant and dynamic characters of the early modern stage are taken into account This study examines the role of rhetoric and gender in early modern Italian drama in itself and in order to explore its complex interrelationship with the rise of women writers and the role women played in Italian culture and society while at the same time demonstrating just how closely intertwined history culture and dramatic writing are Author Alexandra Collier focuses on the scripted erudite plays of the sixteenth and first half of the seventeenth centuries which she argues are indispensable for a balanced view of the history of drama and its place within contemporary literary and women s studies As this book reveals the ascendancy of comedy tragedy and tragicomedy in the vernacular seems to have been not only inextricably linked to but also dependent on the rise of women as prominent stage characters and eventually as authors in their own right

### **The Politics of Law in Late Medieval and Renaissance Italy**

David Armstrong, Julius Kirshner, 2011-01-01 The Politics of Law in Late Medieval and Renaissance Italy features original contributions by international scholars on the fortieth anniversary of the publication of Lauro Martines Lawyers and Statecraft in Renaissance Florence which is recognized as a groundbreaking study challenging traditional approaches to both Florentine and legal history Essays by leading historians examine the professional social and political functions of Italian jurists from the thirteenth to the late fifteenth centuries The volume also examines the use of emergency powers the critical role played by jurists in mediating the rule of law and the adjudication of political crimes The Politics of Law in Late Medieval and Renaissance Italy provides both an assessment of Martines pioneering archival scholarship as well as fresh insights into the interplay of law and politics in late medieval and Renaissance Italy

### **Communes and Despots in Medieval and Renaissance Italy**

John E. Law, 2016-12-05 Building on important issues highlighted by the late Philip Jones this volume explores key aspects of the city state in late medieval and Renaissance Italy particularly the nature and quality of different types of government It focuses on the apparently antithetical but often similar governmental forms represented by the republics and despotisms of the period Beginning with a reprint of Jones s original 1965 article the volume then provides twenty new essays that re examine the issues he raised in light of modern scholarship Taking a broad chronological and geographic approach the collection offers a timely re evaluation of a question of perennial interest to urban and political

historians as well as those with an interest in medieval and Renaissance Italy      *The Making of the Modern Corporation* Carlo Taviani, 2022-06-01 This book traces the origins of a financial institution the modern corporation in Genoa and reconstructs its diffusion in England the Netherlands and France At its inception the Casa di San Giorgio 1407 1805 was entrusted with managing the public debt in Genoa Over time it took on powers we now ascribe to banks and states accruing financial characteristics and fiscal political and territorial powers As one of the earliest central banks it ruled territories and local populations for almost a century It controlled strategic Genoese possessions near and far including the island of Corsica the city of Famagusta in Cyprus and trading posts in Crimea the Black Sea the Lunigiana in northern Tuscany and various towns in Liguria In the early sixteenth century in his Florentine Histories Book VIII Chapter 29 Niccol Machiavelli was the first to analyze the relationship between the Casa di San Giorgio s financial and territorial powers declaring its possession of territories as the basis of its ascendancy Later the founders of some of the earliest corporations including the Dutch East India Company 1602 the Bank of England 1694 and John Law s Mississippi Company 1720 in France referenced the model of the Casa di San Giorgio The Open Access version of this book available at <http://www.taylorfrancis.com> has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license      Italy in the Age of the Renaissance John M. Najemy, 2004-11-05 Italy in the Age of Renaissance offers a new introduction to the most celebrated period of Italian history in twelve essays by leading and innovative scholars Recent scholarship has enriched our understanding of Renaissance Italy by adding new themes and perspectives that have challenged the traditional picture of a largely secular and elite world of humanists merchants patrons and princes These new themes encompass both social and cultural history the family women lay religion the working classes marginal social groups as well as new dimensions of political history that highlight the growth of territorial states the powers and limits of government the representation of power in art and architecture the role of the South and the dialogue between elite and non elite classes This thematically organized volume introduces readers to the fruitful interaction between the more traditional topics in Renaissance studies and the new broader approach to the period that has developed in the last generation      Social Mobility in Medieval Italy (1100-1500) Sandro Carocci, Isabella Lazzarini, Autori Vari, 2021-07-27T12:14:00+02:00 This volume aims to investigate the complex theme of social mobility in medieval Italy both by comparing Italian research to contemporary international studies in various European contexts and by analysing a broad range of themes and specific case studies Medieval social mobility as a European phenomenon in fact still awaits a systematic analysis and has seldom been investigated iuxta propria principia in social political and economic history The essays in the book deal with a number of crucial problems how is social mobility investigated in European and Mediterranean contexts How did classic mobility channels such as the Church officialdom trade the law the lordship or diplomacy contribute to shaping the many variables at play in late medieval societies and to changing and challenging inequality How did movements and changes in social spaces become visible and what were their markers

What were the dynamics at the heart of the processes of social mobility in the many territorial contexts of the Italian peninsula

**The Intellectual Struggle for Florence** Arthur Field, 2017-07-14 The Intellectual Struggle for Florence is an analysis of the ideology that developed in Florence with the rise of the Medici during the early fifteenth century the period long recognized as the most formative of the early Renaissance Instead of simply describing early Renaissance ideas this volume attempts to relate these ideas to specific social and political conflicts of the fifteenth century and specifically to the development of the Medici regime It first shows how the Medici party came to be viewed as fundamentally different from their opponents the oligarchs then explores the intellectual world of these oligarchs the traditional culture As political conflicts sharpened some humanists Leonardo Bruni and Francesco Filelfo with close ties to oligarchy still attempted to enrich traditional culture with classical learning while others such as Niccolò Niccoli and Poggio Bracciolini rejected tradition outright and created a new ideology for the Medici party What is striking is the extent to which Niccoli and Poggio were able to turn a Latin or classical culture into a popular culture and how the culture of the vernacular remained traditional and oligarchic

**Refashioning Medieval and Early Modern Dress** Gale R. Owen-Crocker, Maren Clegg Hyer, 2019 Essays on costume fabric and clothing in the Middle Ages and beyond All those who work with historical dress and textiles must in some way re fashion them This fundamental concept is developed and addressed by the articles collected here ranging over issues of gender status and power Topics include the repurposing and transformation of material items for purposes of religion memorialisation restoration and display attempts to regulate dress both ecclesiastical and secular the reasons for it and the refashioning which was both a result and a reaction conventional ways in which dress was used to characterise children and their transition into young men how symbolism laded dress items could indicate political religious affiliations ways in which allegorical biblical and historical figures were depicted in art in dress familiar to the viewers of their own era and the emotive and intellectual responses to these costumes the artists sought to elicit and the use of clothing in medieval literature often rich exotic or unique as narrative structuring and rhetorical devices Taken together they honour the costume historian and editor Robin Netherton who has been hugely influential in the development of medieval and Renaissance dress and textile studies GALE R OWEN CROCKER is Professor Emerita at the University of Manchester MAREN CLEGG HYER is Professor of English at Valdosta State University Contributors Melanie Schuessler Bond Elizabeth Coatsworth Lisa Evans Gina Frasson Hudson Charney Goldman Sarah Grace Heller Maren Clegg Hyer John Friedman Thomas Izbicki Drea Leed Christine Meek M A Nordtorp Madson Gale R Owen Crocker Lucia Sinisi Monica L Wright

*A Short History of the Renaissance in Europe* Margaret L. King, 2016-09-22 Writing about the Renaissance can be a daunting task Not only do scholars disagree on what the Renaissance is but they also disagree on whether or not it even took place Margaret L King's richly illustrated social history of the Renaissance succeeds as a trusted resource introducing readers to Europe between 1300 1700 as well as to the problems of cultural renewal A Short History of the Renaissance in Europe includes a detailed

discussion of Burckhardt as well as new content on European contact with the Islamic world This new edition also provides improved coverage of the Protestant and Catholic Reformations Focus features provide fascinating insights into the Renaissance era and Voices sections introduce a wealth of primary sources King s engaging narrative is enhanced by over 100 images statistical tables timelines a glossary and suggested readings

### **Lucca 1430 1494 The Reconstruction Of An Italian City Republic Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Lucca 1430 1494 The Reconstruction Of An Italian City Republic has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Lucca 1430 1494 The Reconstruction Of An Italian City Republic has opened up a world of possibilities. Downloading Lucca 1430 1494 The Reconstruction Of An Italian City Republic provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Lucca 1430 1494 The Reconstruction Of An Italian City Republic has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Lucca 1430 1494 The Reconstruction Of An Italian City Republic. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Lucca 1430 1494 The Reconstruction Of An Italian City Republic. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Lucca 1430 1494 The Reconstruction Of An Italian City Republic, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of

the websites they are downloading from. In conclusion, the ability to download Lucca 1430 1494 The Reconstruction Of An Italian City Republic has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Lucca 1430 1494 The Reconstruction Of An Italian City Republic Books**

1. Where can I buy Lucca 1430 1494 The Reconstruction Of An Italian City Republic books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
