Lucky Fellow:

Lucky Man Michael J. Fox, 2003-04-09 A funny highly personal gorgeously written account of what it s like to be a 30 year old man who is told he has an 80 year old s disease Life is great Sometimes though you just have to put up with a little more crap Michael J Fox In September 1998 Michael J Fox stunned the world by announcing he had been diagnosed with Parkinson s disease a degenerative neurological condition In fact he had been secretly fighting it for seven years The worldwide response was staggering Fortunately he had accepted the diagnosis and by the time the public started grieving for him he had stopped grieving for himself Now with the same passion humor and energy that Fox has invested in his dozens of performances over the last 18 years he tells the story of his life his career and his campaign to find a cure for Parkinson s Combining his trademark ironic sensibility and keen sense of the absurd he recounts his life from his childhood in a small town in western Canada to his meteoric rise in film and television which made him a worldwide celebrity Most importantly however he writes of the last 10 years during which with the unswerving support of his wife family and friends he has dealt with his illness He talks about what Parkinson s has given him the chance to appreciate a wonderful life and career and the opportunity to help search for a cure and spread public awareness of the disease He is a very lucky man indeed The Michael J Fox Foundation Michael J Fox is donating the profits from his book to the Michael J Fox Foundation for Parkinson s Research which is dedicated to fast forwarding the cure for Parkinson s disease The Foundation will move aggressively to identify the most promising research and raise the funds to assure that a cure is found for the millions of people living with this disorder The Foundation s web site MichaelJFox.org carries the latest pertinent information about Parkinson s disease including A detailed description of Parkinson s disease How you can help find the cure Public Services Announcements that are aired on network and cable television stations across the country to increase awareness Upcoming related Parkinson s disease events and meetings Updates on recent research and developments **A Lucky Man** Fred Cochran, 2021-03-08 Yesterday today tomorrow and beyond I will be ever thankful that the Lord gave me so many opportunities to go to the places I ve gone do the things I ve done meet the people I ve met and live long enough to share some of it with all of you My life has been full of adventure and heartbreak from the war in Vietnam to the trials of starting a family but I appreciate the moments I ve had and I look forward to those that will come If you enjoyed my journey so far standby There s more to come Live Lucky
