**Three Kinds of Lucky** Kim Harrison,2025-02-04 Luck is its own kind of magic in this first book in an electrifying new contemporary fantasy series from the author of the 1 New York Times bestselling Hollows novels Petra Grady has known since adolescence that she has no talent for magic and that s never going to change But as a sweeper first class she s parlayed her rare ability to handle dross the damaging magical waste generated by her more talented kin s spells into a decent life working at the

images university Except Grady's relatively predictable existence is about to be upended When the oblivious sexy and oh so out of reach Benedict Strom needs someone with her abilities for a research project studying dross and how to render it harmless she's stuck working on his team whether she wants to or not But Benedict doesn't understand the characteristics of dross like Grady does After an unthinkable accident she and Benedict are forced to go on the run to seek out the one person who might be able to help an outcast exiled ten years ago for the crime of using dross to cast spells Now Grady must decide if she will stick with the magical status quo or embrace her own hidden talents and risk shattering their entire world **I'm Feeling Lucky** Douglas Edwards, 2011-07-12 A marketing director's story of working at a startup called Google in the early days of the tech boom Vivid inside stories Engrossing Ken Auletta Douglas Edwards wasn't an engineer or a twentysomething fresh out of school when he received a job offer from a small but growing search engine company at the tail end of the 1990s But founders Larry Page and Sergey Brin needed staff to develop the brand identity of their brainchild and Edwards fit the bill with his journalistic background at the San Jose Mercury News the newspaper of Silicon Valley It was a change of pace for Edwards to say the least and put him in a unique position to interact with and observe the staff as Google began its rocket ride to the top In entertaining self-deprecating style he tells his story of participating in this moment of business and technology history giving readers a chance to fully experience the bizarre mix of camaraderie and competition at this phenomenal company Edwards Google's first director of marketing and brand management describes the idiosyncratic Page and Brin the evolution of the famously nonhierarchical structure in which every employee finds a problem to tackle and works independently the races to develop and implement each new feature and the many ideas that never came to pass I'm Feeling Lucky reveals what it's like to be indeed lucky sort of an accidental millionaire a reluctant bystander in a sea of computer geniuses who changed the world This is a rare look at what happened inside the building of the most important company of our time Seth Godin author of Linchpin An affectionate compulsively readable recounting of the early years 1999-2005 of Google This lively thoughtful business memoir is more entertaining than it really has any right to be and should be required reading for startup aficionados Publishers Weekly starred review Edwards recounts Google's stumbles and rise with verve and humor and a generosity of spirit He kept me turning the pages of this engrossing tale Ken Auletta author of Greed and Glory on Wall Street Funny revealing and instructive with an insider's perspective I hadn't seen anywhere before I thought I had followed the Google story closely but I realized how much I'd missed after reading and enjoying this book James Fallows author of China Airborne **Get Lucky** Paul Eagles, 2016-07-13 Get Lucky A Rogue's Tale is the true story of a rogue sometimes lovable but often otherwise Paul's mum blamed his reverse Road to Damascus on a meeting between a bubble car and an oak tree The blue-eyed boy became a rebellious teen up for mischief and mayhem in the long hot Spanish summers of his misspent youth It was women booze and brawls until one day he hit the big time and nicked a Rubens painting from a Dutch museum This catapulted him into the louche demi monde of Sixties Geneva crooked billionaires arms

dealers the world of the legendary art forger Elmyr de Hory and his partner in crime Fernand Legros a milieu portrayed in Orson Welles' *F for Fake* Paul was captured by the French police but escaped only to be taken again This time he was thrown into the notorious Marseilles gaol Baumettes He was then imprisoned in Holland escaping just before the Sixties end In 1999 the rogue met his perfect match He was gaoled for alleged witness intimidation then freed when the cop pursuing him became the witness lover But while he was inside his bank account was cleaned out by his lawyer and an erstwhile business advisor It was revenge and retribution as his adversaries lined up a bunny boiler a consigliere to the Maltese Mafia and Alan Bond's fixer This path would take him from near madness to untold wealth if he could get lucky and secure the rights to a rogue state's mineral deposits Life happens to Paul Eagles especially when he's not looking *Get Lucky* A Rogue's Tale is not a conventional autobiography it's the tale of someone who hasn't always done the best by his fellow travellers yet somehow comes up smelling of roses From brawler to international art thief to successful entrepreneur would satisfy most people but fate had other plans for Paul Eagles as *Get Lucky* becomes a story of betrayal and retribution often reading more like a novel than a memoir But it is all true with even the darkest moments leavened by humour in a book with a cast of real life characters many of whom once filled newspaper column inches It's a quirky and idiosyncratic tale as much an entertainment as it is the story of one lucky man's unconventional life
