, 2005 **The Problem with Parenting** Nancy A. McDermott, 2020-08-24 The Problem with Parenting serves as an essential guide to the recent origins and current excesses of American parenting for students parents and policy makers interested in the changing role of the family in childrearing Family scholarship focuses predominately on the evolution of family structure and function with only passing references to parenting Researchers who study parenting however invariably regard it as a sociological phenomenon with complex motivations rooted in such factors as class economic instability and new technologies This book examines the relationship between changes to the family and the emergence of parenting defined here as a specific mode of childrearing It shows how beginning in the 1970s the family was transformed from a social unit that functioned as the primary institution for raising children into a vehicle for the nurturing and fulfillment of the self The book pays special attention to socialization and describes how the change in our understanding of parenthood from a state of being into the distinct activity of parenting is indicative of a disruption of our ability to transfer key cultural values and norms from one generation to the next **Black Belt** , 1996-09 The oldest and most respected martial arts title in the industry this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of

self defense in the world including techniques and strategies In addition Black Belt produces and markets over 75 martial arts oriented books and videos including many about the works of Bruce Lee the best known martial arts figure in the world

Great American Sitcoms of the 1950s Jackson Upperco,2025-02-07 With a unique definition of the classic situation comedy television genre as developed out of its history on radio this critical study highlights the best American sitcoms from the 1950s TV s first decade as a household medium Everything from I Love Lucy to Dobie Gillis is covered with a rigorous evaluation that seeks to find this formative era s finest episodic samples that most prove the sitcom s inherent artistry

Video Source Book ,2008 **Red Dwarf: Discovering the TV Series** Tom Salinsky,2024-11-30 Explores the unique journey of the long running British sitcom detailing its creation cast changes and enduring legacy through critical analysis and behind the scenes insights Red Dwarf is virtually unique among British sitcoms It began in 1988 and was still releasing new episodes in 2020 making it one of the longest running sitcoms of all time but the core cast has remained largely unchanged And its science fiction flavor contrasts strongly with the drawing rooms and sofas which were the norm when it launched and the fast cut mockumentary style which is popular today And yet this is a show which nobody wanted to make and which only barely made it to our screens at all In this work Tom Salinsky will look at exactly how it came to be who was considered for the cast but didn t make it how it was radically reinvented for the third sixth seventh ninth and tenth seasons how it survived the breakup of its key creative partnership the loss of the original spaceship models BBC strikes the departure of a major cast member and the seemingly self defeating rules which the writers imposed on themselves But this isn t just a behind the scenes account It s also a detailed critical analysis examining why the best episodes succeed and why the less impressive episodes struggle while also finding time to ask just how a hologram made of light can smell burning camphor wood why a creature evolved from a cat is familiar with Wilma Flintstone or just how long Lister and Kochanski were dating for How can all this possibly be contained in one book It can t Volume I will cover the first six series and Volume II will conclude the story of Red Dwarf on television as well as looking at the novels comic strips computer games and more

Gender, Supernatural Beings, and the Liminality of Death Rebecca Gibson,James M. VanderVeen,2021-03-02 Gender Supernatural Beings and the Liminality of Death Monstrous Males Fatal Females examines representations of the supernatural dead to demonstrate shifts in the manifestation of gender Including readings of East Asian detectives cyborgs Iranian vampires and African zombies among others This collection offers a multi faceted look at myth legend and popular culture representations of the gendered supernatural from a broad range of international contexts The contributors show that as creatures pass through the liminal space of death their new supernatural forms challenge cultural conceptions of gender masculinity and femininity **Models of Implementation of Article 12 of the Convention on the Rights of Persons with Disabilities (CRPD)** Maciej Domański,Bogusław Lackoroński,2023-11-30 This book examines the implications of Article 12 of the UN Convention on the Rights of Persons with Disabilities CRPD its resulting standard of protection for

persons with disabilities and the way it is understood and implemented in its diverse signatory states Its overarching theme is to assess the impact of CRPD Article 12 on the private law concept of legal capacity and its limitations the significance of which carries over into the realm of penal law regulations Its impact is analysed primarily from the legal point of view but with due regard for its psychological and psychiatric ramifications Recognising the importance of these disciplines is important when implementing CRPD Article 12 into domestic law as they contribute to the determinants in creating a qualificatory legal framework for all persons with disabilities in particular to exercise their rights to legal capacity without let or hindrance As active legal capacity is a notion rooted in and coming from private law this forms the main research perspective The first section discusses the foundational concepts constituting the CRPD Article 12 standard from domestic private law and international law perspectives The work shows that the concepts adopted in private law interact with the protection of persons with disabilities as victims provided for in criminal law In addition where relevant authors also look at public law institutions that are connected with the private law solutions The volume will be an essential reference for academics researchers and policy makers working in the areas of private law criminal law mental health law human rights discrimination law as well as psychology and psychiatry

Arthur's Kingdom of Adventure Muriel Whitaker, 1984 The setting of medieval Arthurian romance as typified by Malory's *Morte Darthur* plays an important part in the creation of the atmosphere of the stories and in intensifying the drama of the action Professor Whitaker looks at the Arthurian world which Malory inherited from his sources and to which he added his own details and examines its different aspects castles and forests kingdoms and empires showing how these diverge from reality to meet the particular requirements of romance how new political and temporal relationships are set up for the same reason and how it was shaped by the presence of the Otherworld in the Celtic stories from which many episodes were drawn
