The Price of Passion Ember Leigh, I'm on top of the world while hurtling toward rock bottom With my life unraveling around me the only safe way forward is alone I'll do whatever I can to help someone Your charity needs a million dollars You'll have it tomorrow America's underprivileged youth in need of new school supplies Done After a childhood of loss and financial stress nobody is more motivated to save the world than me Damian Fairchild CTO of Fairchild Enterprises So when my best buddy from high school wants me to hire his little sister the very same curvaceous little sister I fought like hell not to notice as a kid I can't tell him no Of course I say She'll start tomorrow like the helpful sap I am Now that my business is in the crosshairs of the SEC I've got to watch my step stay alert So Jessa Walton's incomparable hotness is a distressing distraction Not to mention the knack she's got for drawing me out of my shell She doesn't understand that the idea of us together has NO written all over it She wants all of me but I don't give that to anyone I can only be a jerk to her for so long though before Jessa's sweet sunshine sets me ablaze Can you blame me I've been secretly in love with her since my junior year of high school which makes it easy to break my number one rule Trust no one and keep your heart out of it In the middle of so much stress and uncertainty I should know better than to enjoy a ray of sunshine Sunny days never last When the heat from the investigation turns up and my empire is rattled by another big blow I'm questioning whether Jessa is actually a thunderstorm disguised as a cloudless sky Giving in to that burning passion has a steep price Letting down my guard might cost me everything my brothers and I have worked to build Billionaires Bad boys Bleeding hearts These outsiders are known as the Bad Boys of Wall Street and every book in the series features glittering Manhattan skyscrapers swoon worthy heroes and a guaranteed HEA

The Price of Infamy Ember Leigh, Surprise niece Estranged brothers And now The one who got away Between dodging the avalanche of my crumbling business and learning how to change a two year old's diaper my life has taken unexpected turns But I'm nothing if not a resourceful billionaire Of course I hire a nanny and only the best But there's one small problem The best nanny tasked with helping my non verbal niece come out of her shell is none other than Mercedes Hendricks My ex My first great love The woman who told me to never contact her again six years ago I'd send her away if she wasn't so damn good at what she does But as she wins over Willow's heart it has the unfortunate side effect of winning over me I thought I was strong I thought I was done with her

I thought I could ignore our steamy memories and her sweet smiles and all the little things that tell me our ending six years ago might have been a mistake. Wrong! I'm a pushover when it comes to this woman and it doesn't even matter that she's engaged to somebody else. I plan to make her mine the way she should have been six years ago. But as I work on setting up the next chapter of my life in Louisville, my infamy gets the best of me. There are dangerous people in Louisville who want me gone, which forces me to choose between the happiness I thought could be mine and the safety my niece so desperately needs. Billionaires. Bad boys. Bleeding hearts. These outsiders are known as the Bad Boys of Wall Street, and every book in the series features glittering Manhattan skyscrapers, swoon-worthy heroes, and a guaranteed HEA. *The Price of Infamy* is a second chance nanny billionaire romance, book 4 in the Bad Boys of Wall Street series. This can be read as a stand-alone, but the series is best read in order since the drama is chronological and cumulative throughout the books. *The Price of Forever*

Ember Leigh, Jordan, is off-limits, not only is she my client's sister, she's ten years my junior. But that's not stopping me from making her mine. I've protected more princesses, celebrities, and billionaires than I could shake a bulletproof vest at. I'm ready to move onto less dramatic pastures, becoming the CEO of my own protection company. Until the Fairchilds ask me to personally oversee their little sister, Jordan, who they're desperate to reconnect with and keep safe as she enters into their world. I'd do anything for these guys, so of course I say yes. Besides, I know the two most important rules of this biz: don't mount the ward and never become emotionally involved. I'm positive this assignment will be the final slam dunk in my close protection resume until I see her. She's five-foot, nothing with gray eyes that put me in a chokehold. Barista by day, stripper by night, Pokemon hunter in between. She can't even blink without making a few guys cream their briefs. I think I know what to expect from a fire-breathing brat like her who pushes and pulls at every opportunity. But it turns out she's everything I didn't expect to need. As my assignment turns into cohabitation and so much more, all the rules fly out the window. This love could destroy me, and the mission we're on could ruin both of our lives if it goes sideways. We're fighting for the fate of her brothers, and Jordan is prepared to pay the ultimate price to save her family.

Billionaires. Bad boys. Bleeding hearts. These outsiders are known as the Bad Boys of Wall Street, and every book in the series features glittering Manhattan skyscrapers, swoon-worthy heroes, and a guaranteed HEA. *The Price of Forever* is an age-gap bodyguard stripper romance, book 5 in the Bad Boys of Wall Street series. This can be read as a stand-alone, but the series is best read in order since the drama is chronological and cumulative throughout the books.
