Through the Eyes of Christmas Ron Davis,2018-08-28 Through the Eyes of Christmas Keys to unlocking the spirit of Christmas in your heart by Ron Davis How will you get into the Christmas spirit this year Each December most of us face that same question as we prepare to celebrate Christmas Whether we will admit it to ourselves or not we all yearn for true Christmas spirit in our hearts and homes each year We want our Christmas to be one of peace on earth and goodwill towards men just as the angel announced to the shepherds But after the shopping wrapping and relatives often our Christmas experience is far from peaceful and there is little goodwill to go around We pull out the same decorations put up the same tree in the same corner with the same wreath on the same front door We do the same Christmas stuff in the same Christmas way as last year and wonder why we get the same result no lasting Christmas joy Is true Christmas spirit a myth Or have we become so preoccupied with the hustle and bustle of the season that we unwittingly buy the secularized version of Christmas It is only then that we discover the substitute the retailers are selling has no real Christmas spirit Our disappointment is that we do Christmas things but still fail to see Christmas spirit in our hearts So how do you find Christmas spirit What are the keys to unlocking Christmas spirit in our hearts Pastors must ask those same questions as they prepare their Christmas sermons Recent research tells us that 90% of Americans celebrate Christmas but over half have forgotten why A majority of Americans now celebrate Christmas as primarily a cultural holiday rather than recognizing the real reason for the season Less than half of the millennials surveyed said they were planning to attend religious services on Christmas What are Pastors going to preach Christmas Sunday that is inspired and anointed And after 2 000 years what can they possibly say that is fresh relevant and will make a real difference in the lives of their parishioners To avoid losing the real meaning of Christmas Pastors need to remind their people of the true purpose the coming of Christmas has for our lives They must rediscover the spirit of Christmas in their hearts But how Through the Eyes of Christmas reveals the keys to unlocking Christmas spirit in your heart By looking deep into the lives of the first Christmas participants the book refocuses our vision to see Christmas from a fresh perspective What were Mary and Joseph focused on that first Christmas night When we relive Christmas by looking through the eyes of Mary Joseph the shepherds the wise men and all of the other well known and some not so well known characters of the Christmas story we discover what they were focused on We see the Biblical truths their stories reveal That brings the true lasting joy of Christmas spirit into our lives When those truths are applied to your life it will be said of you as it was of Charles Dicken s Ebenezer Scrooge he knew how to keep Christmas well if any man alive possessed the knowledge Order Ron Davis compelling and well written book Through the Eyes of Christmas now to make this Christmas your best Christmas ever Choosing Life Dodie Osteen,2006-11-14 I hold fast to God s Word daily My life depends on it

Live Your Humanity Ron Hammond,2021-10-12 Learn how reestablishing bonds of compassion and empathy for others leads to an empowered life filled with satisfaction and contentment The pace of life is steadily increasing The list of daily tasks that need to be completed continues to grow longer and the pressure of time slipping away makes people stressed and anxious People s perspectives shift away from thinking about others creating distance between them and the rest of the world This distance causes people

to lose touch with the basic human values that everyone shares and that assist in developing meaning and connection in their lives Integrity kindness compassion and love are gifts that go dormant when people cease to use their power to cultivate and nurture them The outcome is that they stop treating one another with respect love dignity and acceptance and instead live their lives sitting in judgment being fearful and giving up their peace Live Your Humanity teaches readers how to overcome these obstacles by detailing how to activate the human values that they already have When they do this they experience a life free of fear and judgment and instead realize a life of meaning and connection
