young girl in Dublin's working class milieu. Through vivid imagery and lyrical prose, the story captures the complexities of familial relationships, particularly the bond between the protagonist and her mother, a charwoman. Set against the backdrop of early 20th-century Ireland, the novel explores themes of sacrifice, ambition, and the search for identity, all while maintaining a deep, rooted sense of place and cultural context that resonates throughout the text. James Stephens, an influential figure in Irish literature, drew upon his own experiences growing up in a working-class environment to craft this touching tale. His early life in Dublin, coupled with his later involvement in the literary revival movement, prompted him to highlight the stories of marginalized voices. Stephens's unique blend of realism and poeticism reflects his belief that the lives of ordinary people carry profound significance, further enhancing the novel's emotional depth and resonance. For readers seeking a richly layered narrative that illuminates the resilience of the human spirit, *The Charwoman's Daughter* is a must-read. With its masterful storytelling and authentic representation of working-class struggles, this book offers an insightful exploration of hope and tenacity amidst adversity, making it a timeless addition to the canon of Irish literature.

Make Believe Murder

Leslie Langtry, 2019-10-22. From USA Today bestselling author Leslie Langtry comes a former CIA agent turned Girl Scout troop leader and a laugh-out-loud mystery. Merry Wrath's summer plans didn't originally include an unexpected visit from her old friend Hilly, a quirky CIA assassin who's been forced by HR to take her first vacation in forever. The fact that Hilly chose a small town in Iowa for vacation doesn't bother Merry or her scout troop, especially since Hilly's teaching them how to kill a man with one punch, but her former handler Riley believes something sinister is afoot. After all, Lana, Merry's arch nemesis, is sighted all over town, and when a Chinese operative ends up murdered in her backyard, Merry starts to wonder if Riley is right and Hilly is secretly on the job. It doesn't help that a group of cosplaying teenage druids have targeted Merry for a misguided ritual sacrifice or that Medea Jones, a cub reporter, constantly harasses Merry, seeing the former spy as her Pulitzer Prize-winning vehicle out of *Who's There*. In Iowa, Merry wonders if her strange friend really is on vacation or if she's after another target. Is it Lana? Was it the Chinese operative? Or is it Merry Wrath?
